TREE CRASHES—Co-owner Ben J. Guglielmo inspects the estimated $8,000 damage at his apartments at 1704 Lincoln Avenue, San Rafael, early today when a cedar tree crashed through the roof. Four families had to move—two of them permanently—because of the damage. (Independent-Journal photo)

Wet Windstorm Damages Roofs, Causes Road Crashes In Marin

A storm carrying high winds and heavy rains hit Marin County overnight, shredding house roofs, toppling trees and causing minor flooding.

But the skies cleared in mid morning and more fair weather was forecast tomorrow by the Weather Bureau.

Winds hit 90 miles per hour on Mount Tamalpais before dawn, and Hamilton Air Force Base reported gusts to 53 miles per hour.

Mr. and Mrs. Stanley Bates narrowly missed injury when a tree crashed into their apartment at 1704 Lincoln Avenue, San Rafael and demolished a bedroom and bathroom.

The couple were just parking their car outside when the tree crashed at 11:30 p.m. "Another five minutes and we would have been in the bathroom," said Mrs. Bonnie Bates.

Four families were given shelter in a nearby motel or with friends overnight. The Bates and another apartment occupant, Graham B. Browning, were moving out today. Damage was estimated at $8,000.

The winds ripped pieces of roofing from the home of Charles H. Bloom at 13 Eagle Rock Avenue, Alto, at 4:20 a.m.

Loosened roofing material also broke a plate glass window of neighbor S. R. Harris at 17 Eagle Rock Drive.

Part of the roof of the Walter Bogel home at 240 Diviso Street, Tiburon, was blown off at 5:40 a.m.

Window in downtown San Francisco stores were blown in.

A houseboat was ripped from its moorings in Sausalito and was floating in Richardson Bay.

A 17-foot inboard boat belonging to Ralph A. Ringseis of 85 Calypso Shores, Bel Marin Keyes, was sunk.

Wind also dismasted a small sailboat owned by Frederic Owen at 93 Calypso Shores, Bel Marin Keys.

Trees fell at 82 Lagoon Road, Belvedere; on Upper Toyon Drive, San Rafael; on Madera Avenue, Crescent Road, and the Almeda in San Anselmo. Branches and trees were also reported down in Mill Valley, Corte Madra and Novato.

Some 2,000 persons were without power up to two hours in an area between Sausalito and Point Reyes Station due to tree limbs blowing into power lines.

Flooding was reported in the 200 block of Center Street in San Rafael, Norris M. Rawles, city public works superintendent, said.

Rainfall reported for the 24 hours to 8 a.m. was: Hamilton Air Force Base, 1.30 inches;

Better Busing Study Ordered By Marinite

State Utility Official Hears Arguments On Bus Fare Hikes

I-J Special Report

SAN FRANCISCO — A study of how Greyhound Bus Lines could improve commuter service from Marin in order to attract more customers was ordered today by State Public Utilities Commissioner William M. Bennett of Kentfield.

Bennett called for the study by the PUC staff at a pre-hearing conference by the commission on Greyhound's application to raise commute fares for most of its local operations in California. Greyhound seeks to eliminate commute discounts and to increase one-way fares, resulting in a 50 per cent fare hike to Marin riders, and throughout the state.

PROPOSED CUTS

The PUC staff, however, has proposed cuts in present one-way fares and only small increases in commute fares. For San Rafael to San Francisco riders, for example, Greyhound proposed one-way fare increases from 85 cents to 90 cents, but the PUC staff said the fare should be cut to 75 cents.

For San Rafael commuters, Greyhound proposes to increase fares from the present $10.70 to $16.20 for 20 rides. The PUC staff recommended a $12 fare for the commute ticket book.

Marin County Counsel Douglas J. Maloney said the Marin Transit District "may take the position that Greyhound is attempting to withdraw from Marin under the guise of a rate increase."

The Greyhound service is the "sole public transportation in Marin," said Maloney. "And there are few issues of greater importance to the citizens of Marin."

FOR HEARINGS

The pre-hearing conference in the State Building was called to set procedures for formal public hearings which are to be held sometime later this year.

Bennett asked for the study at the request of San Francisco Public Works Director S. Myron Tatarian. Tatarian suggested that if Greyhound added service to Battery and Sansome streets in the financial district, Greyhound revenue could increase by attracting more customers.

Hub Seminary Student Refuses Army Physical

FBI Quiz Next For Marinite

OAKLAND TRIP—Henry D. (Greg) Gregory, (second right) San Francisco Theological Seminary student who declined to take a physical examination for the draft in Oakland today, appeared before dawn today at the San Rafael Greyhound depot. By DON BRANNING

OAKLAND—A 25-year-old San Anselmo ministerial student, who had planned to "buy time" before Army induction by refusing to sign the loyalty oath, today faced an FBI quiz after flatly refusing to take a pre-induction physical examination.

Henry D. (Greg) Gregory, San Francisco Theological Seminary student who had refused a ministerial draft deferment, was one of 26 draftees aboard a bus from San Rafael arriving at the Oakland Army Induction Center this morning. It was among eight busloads of young men scheduled for induction today. The buses were met by about 75 pickets.

HOPED FOR DELAY

Gregory had hoped to obtain a four weeks' delay to be home with his 23-year-old wife, Bobi, who is expecting their first child next month. Then he planned to tell the Army that he would not accept induction.

Mrs. Gregory was among supporters who waited outside the induction center while he went in, carrying petitions of support from three Bay Area draft resistance movements. He emerged from the center two hours later, his face sobered.

Induction center officials had skipped over the loyalty oath requirement and told Gregory to go upstairs and take his physical examination. He refused and was told to return to the center this afternoon to talk with an FBI agent.

GATHERING IN RAIN

Faculty members and fellow students at the theological seminary gathered in rain at the San Rafael Greyhound bus depot at 5 a.m. to see Gregory off to the center, along with 25 others called up by the Marin County Selective Service board.

They held a prayer meeting and sang hymns in the driveway of the bus depot. Then Gregory, smiling, got on the chartered bus, declaring he intended to talk some of the other inductees into resisting the draft.

Among the other inductees was 23-year-old Terry MacNeil of Mill Valley, lead guitar player in the Sopwith Camels rock music group. MacNeil, his hair

'Significant' Improvement In Heart Case

COMBINED AP & UPI

PALO ALTO—Mike Kasperak showed "significant improvement" today in his fight to overcome complication following his heart transplant operation four days ago.

Sustained by the steady beat of a housewife's heart, the retired steelworker was able to sit on the side of his bed several times during the night. His condition remained critical, however.

Kasperak, 54, was supported by nurses and remained inside a mechanical respirator while sitting up, according to a midmorning medical bulletin issued by Stanford University.

Dialysis and artificial respiration are being decreased to allow his kidneys and lungs to resume their full functions. His physicians are still concerned

Reds Invade, Blast U.S. Chopper Base

SAIGON (AP) — Communist troops kept up slashing, hit-and-run attacks today to maintain the initiative they have displayed since the New Year's truce ended eight days ago.

In one major attack, North Vietnamese raiders blasted a number of U.S. Army helicopters with satchel charges at Kontum airfield, 260 miles northeast of Saigon. But in another assault, the Communists took a bloody beating, only 31 miles from Saigon.

Enemy assault troops covering the demolition squad fired wildly into the tents of soldiers defending the Kontum airstrip, killing seven Americans and wounded 25. The GIs charged out as the first rounds went off, and later counted the bodies of 14 uniformed North Vietnamese within the compound.

The U.S. Command would not say how many helicopters were destroyed or damaged but said damage was "moderate." This indicated a sizable number were destroyed or damaged heavily.

North Vietnamese regulars or Viet Cong guerrillas also hit allied positions north and west of Saigon and in the Mekong Delta, inflicting almost as many casualties on civilians as on the military defenders.

One attack was disastrous for some 350 North Vietnamese and Viet Cong who tried to wipe out a battalion of the U.S. 25th Infantry Division bivouacked 31 miles northwest of Saigon but 105mm howitzers firing "killer juniors" cut down the attackers in waves.

The U.S. Command said 103 of the Communists were killed before the Reds broke off the attack.

Sihanouk Reports 'Broad Agreement' With Bowles

PHNOM PENH (UPI) — Prince Norodom Sihanouk announced today he had reached a broad agreement with special U.S. envoy Chester Bowles on steps to keep Cambodia out of the Vietnam war and prevent sanctuary for Communist guerrillas.

The Cambodian chief of staff said he and Bowles agreed at a 90-minute session to bolster the International Control Commission (ICC) to insure an effective control of Cambodia's sensitive frontier with Vietnam.

He said Bowles formally assured him U.S. armed forces would not invoke the right of "hot pursuit" to chase Communist Viet Cong or North Vietnamese troops into Cambodia.

Informed government sources said at first Sihanouk and Bowles were in disagreement on measures to stop the North Vietnamese and Viet Cong from using Cambodia as a refuge, but Sihanouk announced later they had reached a "broad agreement."

In a French language news conference recorded in Phnom Penh Saturday Sihanouk accused the United States of trying "feminine seduction" to restore U.S.-Cambodian relations during the recent visit of

SOCIAL SECURITY

Benefits Now Available For Widow Before Age 60

By ROBERT M. BALL
Social Security Commissioner
Written for UPI

(Third of five articles)

WASHINGTON (UPI) —If you are disabled and are the widow (or widower) or divorced wife of a worker who was insured under Social Security at death, you may be able to get monthly benefits under new changes in the law.

Before the 1967 amendments, a widow could not get Social Security benefits until she reached age 60 unless she had in her care a child entitled to benefits based on her husband's earnings.

Under the new law a widow who is unable to work because of severe disability, and whose husband worked long enough under Social Security, may be able to get monthly benefits as early as age 50. Or, if she and her husband were divorced after their marriage had lasted 20 years or longer and he was contributing to her support at the time of his death (or was under a court order to do so)

Johnson Sets State Of Union

WASHINGTON (AP) — President Johnson will deliver his State of the Union message to Congress next Wednesday at 9 p.m.

The announcement from the office of House Speaker John W. McCormack, D-Mass., said the address will be televised by the major networks.

The annual presidential message traditionally is used to outline in broad scope an administration's assessment of the nation's current situation and its proposals for action in Congress.

Bitter Cold Heaps Miseries On East

By ASSOCIATED PRESS

Winter heaped new weather miseries on the country today, scattering snow with zero cold in the Northeast, glazing highways in the south and stinging the plains with still another arctic chill.

The bitter siege of snow, ice and record cold has claimed 744 lives since Saturday in a variety of weather - created circumstances ranging from traffic accidents to exposure.

Shortages of natural gas used to heat homes developed yesterday in parts of New England in the wake of some of the coldest weather in 40 years. Residents of South Portland, Maine, were without heat yesterday and gas shortages also were reported in Manchester and Concord, N.H.

Although the intense cold which gripped the region yesterday eased somewhat today, a new batch of subzero temperatures rolled eastward across the northern states toward the Northeast.

Snow fell through much of the Northeast during the night. Accumulations ranged up to three inches in parts of New York and New England. The snow was scattered westward into the Great Lakes region as well.

Temperatures again fellow below freezing across the Southeast, and rain turned to a treacherous mixture of freezing rain, drizzle and sleet from northern Georgia to Virginia. Icing conditions extended across all of North Carolina to within a few miles of the coast.

Some western North Carolina communities were reported "locked in" by icy roads. State police requested that travel be limited in emergency traffic.

Drivers Get Right To Pick Drunk Tests

LOS ANGELES (AP) — A Superior Court judge has ruled that persons accused of drunken driving must be allowed to choose among three chemical tests when police apply the state's implied consent law.

Judge James G. Whyte made the ruling when he granted a writ of habeas corpus to Dr. Thurston K. Batson, 43 of Dayton, Ohio, an assistan coroner of Montgomery County, Ohio.

Police arrested Batson last Sept. 25 in Hermosa Beach, and charged him with misdemeanor drunken driving. State law provides for a six-month suspension of driving privileges if a person accused of drunken driving refuses to take intoxication tests.

Batson said in his petition he demanded a blood test when he was arrested and was unable to receive the test. Judge Whyte ruled that if a suspect demands either blood, breath or urine tests, police must permit him to take the test of his choice.

Batson was cleared of the charge.

Speedy New Ship Heads For Japan

SAN FRANCISCO (AP)—Even before getting into service, the SS President Taft, third of the American President Lines' fast new freighters, set a speed record.

The ship voyaged from the Ingalls Shipyards at Pascagoula, Miss., to San Francisco, completing the leg from Balboa to Los Angeles in 5 days, 29 minutes, bettering the old mark of 6 days.

The President Taft was to leave for Japan today with 12 passengers and a capacity cargo, mainly rice.

Powell Walks Watts' Streets With 'Keep The Faith' Call

LOS ANGELES (AP) — Hundreds of Negroes mobbed him. 'Fight together!" urged Adam Clayton Powell — and they roared back with cheers, whistles and applause.

Then Powell took a three-mile walk yesterday through riot-scarred Watts, besieged by admirers and calling everywhere, "keep the faith."

Here from self-imposed exile in the Bahamas, Powell gives today at UCLA the first of 14 lectures at colleges and universities on what he calls the black revolution.

"I've come here," he said "to talk to my soul brothers and soul sisters. One day, history is going to record that the second civil war and the beginning of the black revolution was born here."

Five days of fiery rioting in August 1965 left 34 white and Negro dead and $40 million property damage in a 46½-square-mile southside area including Watts.

From a pickup truck before starting his walk, Powell told the crowd: "The eyes of black Africa, brown Asia and even white Europe are focused upon people like us. We are the salt of the earth.

"Don't be ashamed of anything that has happened, and don't be afraid of anyone. Stand up and speak out boldly in God's name."

Referring to his expulsion from Congress last March, Powell said:

"You see what they're trying to do to me? If they can do that to me"—he turned to a member of the crowd—"they can do it to you, John Jones."

Ministerial Student Refuses Army Exam

down to his shoulders and wearing a 45-year-old pony-hair coat, said he didn't intend to resist the draft but "I'm going to tell them I want to talk to a psychiatrist."

About 75 supporters of draft resistance, including clergymen, faculty members from University of California, and the two-man New Testament department of San Francisco Theological Seminary, were picketing outside the center when the bus arrived.

Asked why he was resisting the draft, Gregory said, "The three weeks that they give you from the time they send you your induction notice is not very much time to decide whether or not you want to be a killer."

Putting his arm around his wife, he said, "You're asking me to condense something into a paragraph that's difficult to condense. Part of the reason is here. . . . . We stayed up last night talking about the baby."

Dr. Robert McAfee Brown, a professor of religion at Stanford University who is a leader of draft resistance in the Bay Area, handed Gregory a petition of support signed by 40 Bay Area clergymen. Another anti-draft petition signed by 33 University of California faculty members was given to Gregory by Dr. John Kelly, a mathematics professor at U.C. in Berkeley.

Gregory's wife said she and her husband had talked about the war and the draft since their marriage 3 and one-half years ago.

"I would rather see him go to jail than be inducted," she said.

The pickets did not attempt to stop the buses, and caused no trouble for police and Army officers who were on hand at the center.

Last November, more than 250 pickets were arrested on charges of disturbing the peace for trying to prevent buses carrying inductees from entering the center.

Greenbrae Man Finds Wife Dead, Collapses And Dies

Herbert G. Christ, 63, Greenbrae roofing contractor, collapsed and died at his home last night shortly after returning from work and finding his wife dead in the bathroom.

Both deaths were from apparent natural causes, Keith Craig, deputy county coroner, said today.

Christ arrived home about 7 p.m., to find his wife, Helen P. Christ, 60, lying on the bathroom floor at 225 North Almenar Drive.

She had a long history of illness, said Craig, and had been dead about six hours.

Christ was found dead at his wife's side by the crew of an ambulance Christ had called. He had been under care for a severe heart condition, said Craig.

Christ was a roofing contractor for about 40 years and owner of the Marin County Roofing Co. in San Rafael.

Funeral is pending autopsies at Harry M. Williams, San Rafael.

Novotny Back In Jail On Stolen Goods

Dennis Charles Novotny of San Rafael, accused of robbing a 68-year-old San Rafael gun collector who died of a beating allegedly inflicted by the robbers, was back in jail today.

Novotny, 22, of 1554 Grand Avenue, San Rafael, was arrested and charged in Marin Municipal Court yesterday with possessing property stolen from a San Rafael boat Oct. 29.

In an affadavit attached to the felony complaint, Inspector Richard Douglas of the San Rafael Police Department said Novotny sold two .22 caliber pistols Nov. 7 to Detective Kevin Sharp of the Sausalito Police Department.

San Rafael police said today the pistols, a tape player, 12 tapes and some whiskey were stolen from the boat of Charles B. Kennedy of 137 Canal Street, Apt. 16, San Rafael, Oct. 29.

Douglas said Sharp, dressed in plain clothes, bought the guns from Novotny at his San Rafael home for $100.

Novotny and Claude (Frenchy) LeBas, 21, of Long Beach, are accused of robbing Wesley L. Marshall of 10 guns at his apartment at 142 Bungalow Avenue, San Rafael, Dec. 7.

Marshall died Saturday of the results of a beating he said was inflicted by a trio of robbers who appeared at his door that night and demanded his guns.

Club Schedules Officer Seating

A membership meeting of the Homestead Valley Improvement Club will be held Jan. 31, club directors voted last night.

Officers for 1968 will be elected and installed in the business meeting starting at 8 p.m. A 7:30 p.m. social hour will open the meeting at Brown's Hall.

Supervisor Peter H. Behr and Asst. County Administrator John Barrows will speak on county government and answer questions.

The directors last night also ordered a letter written to the state Division of Highways opposing four-laning Shoreline Highway through Southern Marin.

$4.1 Million Bogus Money Charge Filed

NEW YORK (AP)—A Miami Beach lawyer was arraigned here today on charges of shipping $4.1 million in counterfeit $100 bills from Miami to New York.

The Secret Service said two other men were arrested in Ohio as members of a ring which planned a deal for $50 million in fake money.

Asst. U.S. Atty. Raymond B. Grunewald called the seizure of the $4.1 million the largest single seizure of counterfeit money in the history of the Secret Service.

The lawyer, Joel Lee, 39, was arrested yesterday night at Kennedy Airport here as he was returning to Miami, Grunewald said. The fake money had been seized at the airport on Dec. 29, he stated.

At his arraignment before U.S. Commissioner Max Schiffman in Brooklyn, Lee was held in $25,000 bail on charges of possession, sale and delivery of counterfeit money. He asked for a hearing, which was set for Jan. 19.

r Kasperak, being fed intravenously, has shown no sign that his normal body mechanism would reject the transplanted heart.

The world's fifth human heart transplant operation was performed yesterday in Maimonides Hospital in Brooklyn, N.Y., but was unsuccessful. (See story on page 5.)

Meanwhile in Tel Aviv, an Israeli doctor has replaced a damaged human heart valve with a valve from a calf and reports his young woman patient is progressing "quite well." Plastic valves have frequently been used before.

The valve came from a 2-month-old calf and was kosher, killed at the Tel Aviv municipal slaughter house in accordance with Jewish ritual slaughter practices.

Prof. Maurice Levi, a Bulgarian-born surgeon who has won acclaim for his skill in replacing damaged human organs, performed the operation several days ago at nearby Beilinson Hospital. He did not identify the patient, who he said may be released from the hospital in two weeks.

And in Cape Town, South Africa, the wife of Dr. Philip Blaiberg said yesterday she understands she will soon be admitted to the room of her husband, the world's third heart transplant patient. But she said she could wait if it would speed his recovery.

Numerous accidents were reported on slippery roads yesterday.

Pedestrian Neil P. Bruce, 47, of San Anselmo, was struck by a car on slippery Butterfield Road, east of Arroyo Avenue in San Anselmo, police said.

Bruce was reported in poor condition today in the intensive care unit of Marin General Hospital with head injuries and multiple bruises.

The driver of the car, Thomas C. Nance, 17, of 145 Spring Grove Avenue, San Anselmo, was cited by police for speeding, reckless driving and driving on the wrong side of the road after the accident at 7:15 p.m.

The California Highway Patrol reported two crashes north of the Alto intersection of southbound Highway 101 last night.

Cars driven by Jean B. Carlson, 43, of 460-B Cascade Drive, Mill Valley; Janet L. Higgins, 18, of 45 Tamal Vista Drive, Corte Madera, and Archibald H. Caldwell Jr. of 171 Marion Avenue, Mill Valley, collided at 4:55 p.m., the patrol said.

The woman was treated for a bruised abdomen at Marin General Hospital.

Just 10 minutes later, two more southbound cars, driven by Achim A. Ruggenbuck, 20, of 9 Charlotte Drive, San Rafael, and Yolanda M. McCubbin, 48, of 79 Corte Ramon, Greenbrae, collided the patrol reported.

Mill Valley Home Is Looted Of Art

Burglars who entered through an unlocked door in daylight yesterday took an estimated $1,750 worth of clothing and furnishings from the home of Joe R. Wilson, 740 Summit Avenue, Mill Valley, police said.

The loot included two oil paintings valued at a total of $1,100, plus a television set, two tape recorders, a topcoat and three sports coats, nine tapes and miscellaneous costume jewelry.

Jacqueline Kennedy.

The statement circulated in Washington said Bowles "is going to try to succeed where Mrs. Kennedy failed."

"But he will have no more success than Jackie," Sihanouk said, "and still less because Jackie is very seductive, being a woman, and the Cambodians are always sensitive to the beauty of Venus."

Sihanouk said at the news conference he would expect the United States to give Cambodia a large bulldozer for every Cambodian killed "if a few shells inadvertently fall on the heads of Cambodians.

"We will not die in vain if we can exchange each human life for a bulldozer," Sihanouk said, "a large powerful one since I can buy less powerful bulldozers."

40,000 Draft Call Prospect For April

WASHINGTON (AP) — Pentagon sources say the 39,000-man draft call announced for March is a sign of things to come this spring and summer — with monthly manpower requests of about 40,000 or more likely in April, May and June, for training to replace men activated for the Vietnam buildup in August, 1966.

Last year's draft summons in the same four-month period averaged only about 15,300 per month.

Couple Asks $250,000 In Son's Death

A Miami couple sued a Novato man for $250,000 in Marin Superior Court yesterday, saying he was responsible for the death of their son in an auto-motorcycle accident in Novato Dec. 1.

Robert H. Smith, 24, of 109 Woodland Avenue, San Rafael, was killed in the crash.

Robert and Hazel Smith alleged that Joe C. Enriquez, 60, of 907 Scott Street, Novato, drove his auto into the intersection at Vallejo Street and Highway 101 "willfully, wantonly, recklessly and with a man-endangering state of mind."

They said he was too intoxicated to be driving his car, a station wagon.

Smith's motorcycle and Enriquez's auto collided at the intersection as Enriquez was crossing the freeway, the California Highway Patrol reported.

Enriquez said a truck blocked his vision of Smith, the highway patrol reported.

SOCIAL

she may be eligible for disabled widow's benefits.

If you are a disabled widower 50 or older and you were receiving at least half your support from your wife at the time she died, you may be eligible for benefits.

Under the new law, a widow may be considered disabled only if she has a physical or mental impairment that is severe enough to prevent any gainful work and the impairment has lasted, or is expected to last, 12 months or more.

In general, you can be eligible for these benefits only if your disability started before your husband's death or within seven years after his death. However, if you received benefits as a widow with children, you could be eligible if you were disabled before those payments ended, or within seven years after they ended.

The amount of the benefit depends on what your husband's retirement benefit would have been had he been 65 at the time of his death and how old you are when you start getting checks. If your benefits start at age 50, for example, you would receive 50 per cent of what your husband's retirement benefit would have been, and if they start at age 55 you would get 60 3-4 per cent.

The full amount of the widow's benefit —payable at 62 —is 82 1-2 per cent of the deceased husband's retirement benefit. If you start receiving widow's disability benefits at an earlier age under the new law, the reduced rate will be payable after age 62 as well.

Payments can start for the seventh full month of your disability, but the first month in which you can get payment under this new provision is March, 1968.

The people at your Social Security office will be glad to help you apply for these benefits and to tell you what proofs are needed. If you cannot come to the Social Security office —perhaps because you are housebound or hospitalized —write or telephone and a Social Security representative will come to visit you.

TOMORROW: Increased benefits for disabled workers.

Reed Trustees Pass Bond Sale

Trustees of Reed School District last night approved the sale of $1,150,000 of bonds and adopted a 20-year redemption schedule to retire the same amount, according to Supt. H. Joe Edgington.

The board also decided to apply for more federal financing of continued research on the non-graded program at Granada School.

The district, now receiving $25,000 for the project, is asking for $66,000 for next year, Edgington said.

A briefing of the district's science program was presented by Edgington and teachers Mrs. Joan Carrillo, Al Yuen, Mrs. Louise Koolhoven, B. J. Davis and Mrs. Judy Wheatley.

OBITUARIES

Mrs. Ruth M. Hilton Dies At 66

Ruth M. Hilton of San Rafael, a former proofreader with the Independent-Journal, died yesterday in a Sacramento rest home after a long illness. She was 66.

Born in Meadville, Pa., Mrs. Hilton lived in Marin 26 years and made her home at 12 Harcourt Street.

Her husband, William R. Hilton, a retired ship painter, died in May 1966.

Mrs. Hilton began with the Independent-Journal as a proofreader in 1949 and retired after a few years. Later she became well-known for entering commercial contests and won numerous prizes throughout the country.

She was a member of Genessee Council No. 180 of the Degree of Pocahontas.

She is survived by a brother, Donald Wagner of Post Falls, Idaho, and a sister, Virginia Garland of Carmichael.

Funeral is pending at Harry M. Williams Mortuary, San Rafael. The family prefers memorial contributions to the Hannah Boys Center in Sonoma.

ESTELLA CUMMINS

Estella M. Cummins, whose husband changed the face of American transportation with adaptation of the Diesel engine to trucks, died early today in a San Francisco hospital of cancer.

Mrs. Cummins, who would have been 64 on Jan. 25, entered the hospital yesterday, but had been ill for some time at home at 80 Cloud View Road, Sausalito.

Her husband, Clessie M. Cummins, developed the lightweight Diesel engine. The company he organized, Cummins Engine Co. of Columbus, Ind., is the principal manufacturer of Diesel automotive engines.

Mr. and Mrs. Cummins moved to Sausalito in 1954. During her residence in Marin, Mrs. Cummins had been active in the Mill Valley Community Church.

Besides her husband, she leaves two daughters and four sons, Beatrice M. Cummins of El Cerrito, Mrs. Mary Elizabeth Walker of Menlo Park, Brainard L. Cummins of Columbus, Ind.; Joseph W. Cummins of Oakville, Napa County; George T. Cummins of Auburn, Wash., and C. Lyle Cummins of Wilbraham, Mass.; three brothers, Russell Fledman of Greenwich, Conn.; Norman S. Feldman of Beech Grove, Ind., and Raymond Feldman of New York City, and 14 grandchildren.

A memorial service will be held tomorrow at Mill Valley Community Church. Time will be set. The body will be sent to Columbus, Ind., for funeral and burial. The family prefers that tributes be contributions to the American Cancer Society.

MRS. HOSKOVEC

Mrs. Prudence Hoskovec, mother of Mrs. Robert Palmer of Mill Valley, died yesterday at a hospital in Paradise, Butte County, after collapsing at her home there.

Mrs. Hoskovec, 70, is survived by two other daughters, Mrs. Ralph Bolt of Sacramento and Mrs. Dan Mayers of Oroville, a son, Tom Johnson, also of Oroville, 16 grandchildren and two great-grandchildren.

Funeral is pending.

WESLEY MARSHALL

Private funeral for Wesley L. Marshall was held yesterday at Keaton's Mortuary, San Rafael.

Marshall, 68, died in a local hospital Saturday as a result of injuries suffered at his home at 142 Bungalow Avenue, San Rafael, Dec. 7. He was a native of Nebraska.

He was a member of the Fairfax Lodge No. 556, Free and Accepted Masons.

He is survived by two daughters, Mrs. Frances Harrington of San Rafael and Mrs. Doris Colen of Novato; a brother, Clarence Marshall; a sister, Mrs. Helen Graves, and nine grandchildren.

The family prefers memorial contributions to favorite charities.

Robert S. Logan of Healdsburg, father of Robert S. Logan III of San Rafael, died yesterday in Healdsburg. He was 67.

He was past president of American Hardware Consultants; a member of Healdsburg Barracks 2126, Veterans of World War I.

He is survived by his son; a brother, Herbert Logan of Walnut Creek, and two grandchildren.

Funeral will be tomorrow at 2 p.m. at Fred Young and Co., Healdsburg. Inurnment will be private. The family prefers memorial contributions to favorite charities.

ALVIN AHLERS

Alvin J. Ahlers of Larkspur, a building contractor in Marin for 25 years, died yesterday in a local hospital following a lengthy illness.

Ahlers, 63, was born in Owatownna, Minn. He resided at 447 Magnolia Avenue.

He was a charter member of the Larkspur United Ancient Order of Druids and was a member of Carpenters Union Local 135.

He is survived by his wife, Mrs. Esther E. Ahlers; a daughter, Mrs. Lenore McCarthy of San Anselmo; a son, Raymond Ahlers of Petaluma; a sister, Mrs. Florence Rye in Owatownna; a brother, George Ahlers of Minneapolis, and his mother, Mrs. Bertha Ahlers of Owatownna. Also surviving are five grandchildren.

A prayer service will be held at Keaton's Mortuary, San Rafael, at 8 p.m. tomorrow. The funeral will be at 11 a.m. Friday at Marin Lutheran Church, Corte Madera. Burial will be in Mount Tamalpais Cemetery, San Rafael.

The family prefers memorial contributions to the Marin chapter of the American Cancer Society.

Marijuana Possession Arraignment Is Held

Jack Martin Green, 18, of 449 Marin Drive, Mill Valley, was arraigned on a charge of possessing marijuana in Marin Municipal Court yesterday and told to return Tuesday to see if he is acceptable for proceedings in Juvenile Court.

San Anselmo police arrested him early yesterday after stopping his car and smelling what they thought was marijuana. They confiscated a paper bag containing a green substance and one cigarette.

Fifth Transplant Patient Lives For Only 10 Hours

NEW YORK (AP) — Louis Block, the world's fifth heart transplant recipient, died today just 10 hours after a surgical team had implanted a much smaller woman's heart into the 170-pound man.

Maimonides Medical Center in Brooklyn said the death occurred at 4:35 a.m. and attributed it to the "pumping capacity of the transplanted heart and the poor condition of the lungs due to the patient's long standing heart disease." (See other heart stories, page 1.)

A hospital statement said, "It is with a deep sense of regret that we must report the loss of our heart transplant patient. He was a brave and courageous man whose only real opportunity for life was through this procedure."

LOUIS BLOCK
A gallant battle

PRESSURE FALLS

Block, a 57-year-old retired fireman, was put on the hospital's critical list at 12:40 a.m. when the hospital noted doctors were having "difficulty in maintaining his blood pressure." He was reported in "reasonably satisfactory condition" shortly after the surgery.

The hospital released word of the death at about 6:30 a.m. Its statement said, "It was an invaluable effort by the medical team" headed by Dr. Adrian Kantrowitz—the second transplant the team has performed.

It was the fifth such operation in 37 days. "Much has been learned from this experience and we still hold out great hope for this procedure in patients with severe heart disease," said the statement.

Kantrowitz, speaking to newsmen after the 8-hour-and-20-minute operation, indicated that the relative size of the two hearts—donor's and recipient's—could cause difficulty. "We have had some problems," he said.

Then in Stanford, last Saturday, Stanford University surgeon Dr. Norman Shumway took the heart of a 43-year-old woman who died of a stroke and gave it to Mike Kasperak, a 54-year-old steelworker.

Despite the problems raised by the difference in heart size, Kantrowitz said, a decision to go ahead with the operation was made because the blood types of the two individuals matched "so perfectly" that the chances of natural rejection were lessened.

Kantrowitz said Block had had several heart attacks and suffered from severe heart failure. The donor, Miss Krouch, had a "rapidly expanding brain tumor," he said.

Miss Kouch went into unconsciousness Monday at Barnert Memorial Hospital in East Paterson and was brought to Maimonides early yesterday. She died about noon, and the operation began.

In East Paterson, the donor's father said his daughter commented, while watching a television program on transplants last Sunday, "If I knew I was going to die, I'd like my heart to be used to save somebody's life."

THE DONOR

The heart of the donor, Helen Krouch of East Patterson, N.J., was "rather small—about half of the size we would have thought best," he said. She weighed less than 100 pounds, he said.

Because of this, the heart could not maintain the body's circulation by itself, Kantrowitz said, and an auxiliary pump was brought into use. The doctors thus performed two bold procedures in the same operation.

Kantrowitz described it as a balloon pump, a balloon inserted into the main artery which inflates and deflates, pulsed to the beat of the heart, to force blood through the heart and the rest of the body. It is attached to an exterior pump.

"We will use it as long as we have to," Kantrowitz said. The pump, a new device, has been used for as long as five days so far in other heart cases.

Meanwhile preparations for another heart transplant operation were under way at Baptist Memorial Hospital in Oklahoma City, the Daily Oklahoman reported.

The world's first heart transplant came on Dec. 3 when Dr. Christiaan N. Barnard of Groote Schuur Hospital, Cape Town, South Africa, gave the heart of a young female accident victim to Louis Washkansky, 53 who died of pneumonia after 2 days.

Three days after that operation, Dr. Adrian Kantrowitz made the second transplant, this time with infant boys. The baby who received the heart from a baby with fatal brain damage died 6 and one-half hours after the operation.

In Cape Town, Dr. Barnard's second heart recipient, Dr. Philip Blaiberg, a white dentist, received the heart of a mulatto man, Clive Haupt, on Jan. 2. Blaiberg has been progressing well.

Republicans Get The Ax

SACRAMENTO (UPI) — Democrats today held a new, firmer grip on the Assembly.

Democratic Speaker Jesse M. Unruh reshuffled the membership and chairmanships of the lower house's standing committees yesterday, bolstering his party's control of the Assembly.

These four Republicans were the big losers in the move:

Assemblyman Robert E. Badham, Newport Beach, lost chairmanship of the Public Utilities and Corporations Committee.

Assemblyman Charles J. Conrad, Sherman Oaks, lost chairmanship of the Committee on Interstate Cooperation.

Assemblyman Richard Barnes, San Diego, had his Committee on Retirement Systems completely abolished.

Assemblyman Victor V. Veysey, Brawley, lost seat on the important Ways and Means Committee.

Badham was replaced as PUC chairman by Democrat Lester A. McMillan, Los Angeles, last year's chairman of the Government Efficiency and Economy Committee.

McMillan was replaced as GEE chairman by Assemblyman Willie Brown Jr., D/San Francisco, who last year was chairman of the low-priority Legislative Representation Committee, which is designed to oversee the activities of lobbyists.

Badham, in turn, was relegated to chairman of the Legislative Representation Committee.

Veysey's Ways and Means membership was given to Democratic Assemblyman John L. Burton, San Francisco. Veysey was named chairman of the Housekeeping Engrossment and Enrollment Committee, which sees to it all legislation is properly processed.

Restaurant Seeking Approval On Design

Application for a Jack-in-the-Box Restaurant at 830 Sir Francis Drake Boulevard will be considered at 8 p.m. today by the San Anselmo design review committee at city hall.

Also on the agenda is a request of Edward S. Vest to remodel a commercial building at 639 San Anselmo Avenue, and a request by Crocker-Citizens National Bank for a projecting sign at 120 Sir Francis Drake Boulevard.

Ross Library Idea

Ross Town council will hear a suggestion from representatives of the San Anselmo Public Library that Ross join and help finance the library when councilmen meet at 8 p.m. tomorrow at the town hall. Ross has no library.

Congressman Wants Probe Of Navy Row

WASHINGTON (AP) — Rep. Joseph Y. Resnick, terming as outrageous the removal of Capt. Richard G. Alexander from command of the battleship New Jersey, says Congress should probe the matter.

In calling for a congressional investigation — and pledging to look into Alexander's case himself if Congress won't — Resnick indicated yesterday he's sure such a probe would find.

The New York Democrat said, "It is obvious that the only reason for this outrageous action is the fact that Capt. Alexander came to the defense of Arnheiter, as was his right and responsibility as a naval officer."

The reference was to Lt. Cmdr. Marcus A. Arnheiter of San Rafael, removed several months ago from command of a radar picket ship off South Vietnam. The Navy, acting on complaints of Arnheiter's junior officers.

Alexander confirmed yesterday he asked for the transfer from the New Jersey, being demothballed for Vietnam duty, to an administrative post as assistant chief of staff for naval operations with the 1st Naval District in Boston.

But he declined to discuss the circumstances of his request.

Alexander's replacement on the New Jersey will be Capt. Joseph E. Snyder Jr., commander of the cruiser St. Paul.

The Washington Post said Alexander promised to request reassignment if Arnheiter weren't reinstated after Adm. Thomas H. Moorer, chief of naval operations, reviewed the case.

The Post said Alexander was reminded on Dec. 29 of his promise and handed a prepared statement requesting reassignment. It was then he signed it, said the Post.

Stereo Tape Charges Filed Against Pair

Two men who allegedly possessed a stolen stereophonic tape are to plead Monday in Marin Municipal Court to charges of concealing stolen property.

Facing the felony charges are Bradley Martin Zappa, 19, of La Brea Way, Santa Venetia, and Victor J. Msdariaga, 19, of Pacifica.

Police arrested them Saturday after a San Rafael service station operator became suspicious when a car drove into the station and the occupants removed a stereophonic set from the trunk.

Police found the tape set, a radio and a cartridge in the car and said all had been reported stolen earlier.

Three minors in the car were booked at Juvenile Hall for suspicion of possessing marijuana, being under the influence of drugs and being beyond parental control.

Missile Fired From West Coast

VANDENBERG AIR FORCE BASE (AP)—A Minuteman II intercontinental ballistics missile was launched down the Pacific test range at 1:58 a.m. PST today, the Air Force said.

The launch was conducted by Strategic Air Command crews of the 394th Strategic Missile Squadron at the base.

No other details were given.

Demos Claim Reagan's Talk Lacks Strong Urban Solution

SACRAMENTO (AP) — The Democratic-controlled Assembly emerged today as the main obstacle to passage of Republican Gov. Ronald Reagan's "Creative Society" program.

Democrats, in charge of the lower house 42-38, generally agreed the governor's "state of the state" speech yesterday was too conservative and did not offer adequate solutions to the problems of urban California.

Assembly Speaker Jesse M. Unruh, D-Inglewood, Reagan's main foe, charged he "glossed over pretty generally the problems of the urban poor."

But Assemblyman Don Mulford, R-Piedmont, chairman of the GOP lower house caucus, called on the Democrats to help Reagan push his program through. "as tempting as it might be for the majority party to embarrass the governor by playing politics with his program."

Other Republicans said the speech offered realistic solutions to state problems. "It was aimed at finding solutions to the most pressing problems facing the state of California without digging deeper into the pockets of overburdened taxpayers," said Minority Leader Robert T. Monagan of Tracy.

In the Senate, split 20-20 between the parties, Democratic president pro tem Hugh M. Burns of Fresno said Reagan outlined a very impressive, all-encompassing program which I heartily agree with and endorse with a fervent wish that it can be accomplished."

Reagan has an edge in the Senate where Republican Lt. Gov. Robert H. Finch casts the deciding vote in the case of a tie.

But the powerful chairman of the Senate Finance Committee, George Miller Jr., D-Martinez, said "it was a listless sort of a speech." He half jokingly introduced a resolution asking Reagan to cancel a Republican fund raising tour.

Such trips are regarded as a buildup to a possible Reagan try for the Republican presidential nomination.

The governor, in a 35-minute speech to a joint session of the Legislature, made a long series of requests — concentrating on tough law enforcement proposals, new welfare regulations, economy, revision of the judicial appointment system and, most important, tax reform.

Midnight Blast Kills Nine Amid 'Unbelievable' Rubble

READING, Pa. (UPI) —Nine persons, including a woman who sank screaming into debris, died early today in an explosion and fire that suddenly reduced two homes to an "unbelievable" pile of rubble.

It took firemen more than 11 hours to pull the nine bodies, all charred beyond recognition, from the wreckage of what had been the three-story twin home of Frank M. Stanislaw and Robert Geiser.

The victims from the blast which occurred shortly before midnight last night included five children and Geiser's mother, Ethel, 64, who slipped away from the outstretched hands of rescuers as the building tumbled down on her.

The other victims were Geiser, 34, his wife, Shirley, 31, his three children, Robert, 15, Bonnie, 5, and Karen, 3.

Those in the adjoining home were Stanislaw's wife, Vay about 40, his son, Robert, 18, and a daughter, Linda, 13.

Stanislaw, who had taken his auto to a garage after returning from work, was not at home when the blast occurred.

Edgar M. Reidel Jr., one of several neighbors who tried to rescue the elder Mrs. Geiser as she reached out in desperation from the rubble, said those in the homes "never stood a chance."

State Police Fire Marshal Michael Teresenko, heading a four-man detail investigating the blast, said, "Gas is the probable cause."

As firemen pulled bodies from the wreckage, they were wrapped in mattress covers and laid out on the street. No attempt was made initially to identify the victims.

Reidel, who said he had "just crawled in bed and was snuggling under the covers" in his home across the street, said he could "hear children screaming" when he raced to the back in the rescue attempt.

Firemen, aided by a crane and a bulldozer, conducted a "brick by brick" search of the "unbelievable" pile of rubble for the victims.

Paper Strike Hurts Trade In The City

SAN FRANCISCO (UPI) — San Francisco moved into its sixth day without a major newspaper today and the city's business community conceded it was hurting.

"Most businesses have been effected, especially retail stores, theaters, and markets," William Dauer, official of the chamber of commerce, said yesterday.

Meanwhile, negotiations continued between the striking mailers union and the San Francisco Newspaper Printing Company, which produces both the morning Chronicle and evening Examiner.

The San Francisco Labor Council yesterday sanctioned the walkout, thus placing all AFL-Cio union members in support of the strikers.

Dauer said that department stores and other businesses are seeking alternative means of advertising. Dauer said that businessmen also hesitated to make major decisions without the flow of information available to them in newspapers.

The Oakland Tribune and other suburban papers did not increase circulation in San Francisco, but TV guide, which carries television broadcast schedules, sold an extra 40,000 copies this week and planned to produce 150,000 extra copies of its next week's issue.

Superior Court Judge Charles S. Perry yesterday issued an order prohibiting strikers from blocking entrances to the newspaper plants. But the judge refused to issue an order requested by the paper's management which would have limited the number of pickets to two per entrance. He set Jan. 17 for a hearing on that matter.

The dispute in San Francisco erupted last Friday when pickets from Los Angeles set up a line at the newspaper offices here. Both the struck Los Angeles Herald-Examiner and the Examiner are owned by the Hearst Corp., and the Chronicle is printed in the same building. Union employees refused to cross the lines, causing suspension of publication.

Merchant Heir Sued For Divorce

LOS ANGELES (AP)—Department store heir Davis May II, 55, has been sued for divorce by his third wife, Sandra Rehn May, 32, on grounds of cruelty. The couple married June 23, 1962, reportedly separated Monday.

In the suit filed yesterday in Superior Court, Mrs. May said the couple agreed on a property settlement April 29 in which she will receive $2,000-a-month alimony and $1,000-a-month child support for her twin 8-year-old sons of an earlier marriage who were adopted by May.

Forest Service Official Retires

A. Allen McCutchen of San Anselmo has retired as personnel management director for the Forest Service in California.

A native of Iowa, he began his forestry career in Colorado in 1929 and later was supervisor of the Wichita National Forest in Oklahoma.

After World War II, he was assistant regional forester in Arizona and New Mexico. He moved to the regional headquarters in San Francisco in 1957.

Surveyor 7 Televises Wildest Moon Scene Yet After Landing

PASADENA (AP) — Narrowly missing a dangerous rock with what a space official called "divine guidance," Surveyor 7 settled down gently on the moon last night and televised the wildest scene yet found by lunar probes.

The three-legged craft, last of a $500-million series which has already certified four equatorial sites as safe for astronaut landing, was on a purely scientific mission to the 15,000-foot crater Tycho near the south-central edge of the lunar disc.

Given at best a 43 per cent chance of success, the unmanned Surveyor 7 surprised scientists by making an almost flat landing on a crater-pocked, boulder-strewn plateau not far from a ragged ridge 18 miles north of Tycho's rim.

Between the craft and the rim was a desolate scene, reminiscent of the crater Copernicus photographed earlier by lunar orbiters.

Pictures televised shortly after touchdown showed a landscape littered with rocks ejected from miles deep when the 50-mile wide Tycho was formed by a meteor impact ages ago.

One of the craft's three padded feet was only a fraction of an inch from a rock six to eight inches in diameter—big enough to have broken the skeletal metal leg.

Lee Shearer, assistant director of the U.S. space agency's lunar program, told a news conference: "The final 13 feet of the quarter-million mile flight was under divine guidance." That was the height from which Surveyor 7 dropped free after breaking rockets slowed its 6,000-mile-an-hour plunge toward the surface.

The rugged site was chosen deliberately by scientists hoping to determine whether there is any geological difference between the highlands where Surveyor 7 came down and the plains where manned landings are planned as early as next year.

Surveyor 7, launched from Cape Kennedy, Fla., Sunday, carries a small scoop to dig trenches as deep as 18 inches and a device to analyze lunar soil with radiation.

Flight controllers at Jet Propulsion Laboratory said these probably would go into operation sometime today.

Alabama was created a territory by Congress in 1817 and became the 22nd state in the Union Dec. 14, 1819.

Novato Sanitary Board Schedules Service Hearing

The Novato Sanitary District board has set for 8 p.m., Jan. 24, at the Novato Community House a property owners' meeting on a proposed sewer service to the West Novato area.

The district has been making a feasibility study of the cost of installing sewers along Wilson Avenue, Mill, Indian Valley and McClay roads. Costs to property owners and the proposed assessment district to finance them will be explained at the meeting, said Charles Joseph, district engineer-manager.

The board went on record Monday as favoring sewer service to the proposed 450-trailer court west of Highway 101 at San Antonio Creek by the sanitary district, Joseph said.

The board voted $250 as the sanitary district's share of a merger study with the City of Novato and the North Marin County Water District.

Class In Canoeing

A class in canoeing will be offered from 9 to 11 a.m. Wednesdays at the Marin Civic Center Lagoon beginning Jan. 17, sponsored by the Marin Canoe Club. Registration for the fee class must be made with Mrs. Dan H. Anderson of Novato.

Gorton Assumes Duties As Australia's Prime Minister

CANBERRA, Australia (AP) — John Grey Gorton was sworn in as prime minister of Australia today, 24 days after Prime Minister Harold E. Holt disappeared in the surf, and at least two newspapers warned readers to "fasten your seat belts."

Editorial writers called the 56-year-old World War II fighter pilot a man with ideas of his own, one with a promise of zest in his administration. They predicted a major shakeup of Holt's 26-man Cabinet, although not immediately.

One new minister, they said, will be William C. Wentworth, a backbencher who has been a strong supporter of Gorton.

Gorton was sworn in as Australia's 19th prime minister by Governor-General Lord Casey in a private ceremony at Government House after the resignation of caretaker Prime Minister John McEwen. The appointment of Gorton was automatic after he was elected Tuesday to succeed Holt as head of the Liberal party, the dominant party in the Liberal-Country Party coalition that has governed Australia since 1949.

Joint Meeting On School Staff

A meeting of Lagunitas School District trustees and faculty will be held at 7:30 p.m. Monday in Lagunitas School to discuss the staffing of the new school, Supt. Marshall J. McCunniff said yesterday.

He said trustees were told at their meeting Monday that construction bids were being held up because of work on building plans by the state Division of School Architecture in San Francisco.

Problems arising from septic sewage disposal had been overcome with acceptance by the county of a new system proposed for the school.

He said the district will hold its first teachers' institute Jan. 26 and will not be taking part in the county institute this year.

$150,000 Due Marin From Cigarette Tax

Higher cigarette taxes imposed by the state since last October are expected to bring $150,000 to Marin County for the fiscal year ending June 30, County Auditor Michael Mitchell estimated today.

He based the estimate on the first distribution of $15,000 received by the county for the period from Oct. 1 through Nov. 30. This first amount is higher than normal because it included a "floor tax" on all existing cigarette stocks, Mitchell reported.

Of the $150,000 expected this year, $30,000 will go to the county and $120,000 to the cities. The revenue will lessen the property tax requirements by that amount next year, said Mitchell.

Before the cigarette tax was imposed, three cents per pack from sales went to the state. Under the new law, an additional four cents goes to the state and three cents to counties and cities.

Arsenal Couple May Be Tried Separately

SAN FRANCISCO (AP) — Separate trials for multimillionaire weapons collector William Thoresen III and his wife may be ordered by U.S. Dist. Judge Oliver J. Carter.

Thoresen is charged with illegal possession of a private arsenal here and his wife is similarly charged in New York.

Judge Carter said yesterday, "I believe there should be a separation as far as Mrs. Thoresen is concerned." This was after her attorney, F. Lee Bailey, said he had been hired to defend her "even if her defense was detrimental to the case for her husband."

Judge Carter refused to allow Thoresen's attorney, John J. Flynn of Arizona, to ask San Francisco Chronicle columnist Herb Caen what his sources were for a statement in his column that New Orleans Dist. Atty. Jim Garrison wanted to know what Thoresen was doing with an arsenal.

Supervisors Rule Out Four Lanes For Scenic Shoreline

Widening of Shoreline Highway to four lanes would spoil the scenery of West Marin especially at Bolinas Lagoon, the Marin County Board of Supervisors agreed yesterday.

After a two-hour hearing before a packed crowd, the supervisors ruled out Shoreline as four lanes and said they would favor a second parkway higher up the Bolinas Ridge and parallel with Shoreline. However, they did not designate a precise ridge route.

Supervisor Peter H. Behr said that if roads connecting Shoreline with the parkway must go through state park property, such connecting roads should be two-lanes designed and controlled by the state Division of the Beaches and Parks.

The supervisors said they would put their stand in the form of a resolution at Tuesday's meeting.

"I can't see four lanes along Bolinas Lagoon," observed Supervisor Thomas T. Storer. "I like a ridge route paralleling the present Shoreline." He said he would also like to review a proposal brought up earlier by Mrs. Benjamin Dreyfus of Mill Valley.

Mrs. Dreyfus referred to an architect's proposal made several years ago to put in two parallel, but separated two-lane roads going in opposite directions. She said the existing Shoreline is too narrow in places to widen to four lanes.

"I don't think we could wreck the area more quickly than by converting two lanes to four lanes," said Supervisor John F. McInnis. He said a parkway in the hills "can open up an entirely new perspective of beauty in West Marin."

Supervisor William A. Gnoss agreed. "The road along the seashore is in my estimation a scenic road. I can't see where we can widen to four lanes."

Chairman Ernest N. Kettenhofen said he too would like to explore the two parallel two-lane road idea, leaving the highway along Bolinas Lagoon a local road.

Most of the speakers from the audience favored leaving Shoreline a two-lane road, with minimal improvements.

Among the speakers were Pete D. Whitney, executive director of the Scenic Roads Association of Sausalito; John A. Busterud of San Rafael, representing Headlands Inc.; Harold Gregg, Marin Conservation League; Lila Mugg, Tamalpais Conservation Club.

Three who urged a four-lane highway were Melvin J. Rupp, manager of the Marin Property Owners Association, Hugh Dougherty of Stinson Beach, member of the Marin County Planning Commission, and George Leonard, Stinson Beach property owner.

"We have to have a roadway, north-south, that fits the standards of the 20th century as we approach the 21st century," said Rupp. He described the existing Shoreline as "tortuous and outmoded."

"The purpose of a road is to serve people," declared Dougherty. He said the ultimate population of the area is 30,000. "It's conmmon sense that a two-lane facility simply won't do the job."

Dougherty urged that a four-lane road be routed along the coastline through Stinson Beach and Bolinas. He said that routing Shoreline up the ridge "would seriously jeopardize Pan Toll, Boot Jack, Rock Springs and the Mountain Theater area."

Leonard, describing a two-lane road as "obsolete," called for better access to Stinson Beach.

Chrysanthemum Society Installs

C. Norman Stroyd of Fairfax has been installed as president of the Chrysanthemum Society of Marin at a meeting at Crocker-Citizens National Bank, San Rafael.

Lt. Col. J. Paul Sibbitt of Novato is vice president; Homer F. Crowell, treasurer; Mrs. Frank R. Fontes, recording secretary; Mrs. Bernard H. Keener, corresponding secretary, all of San Anselmo.

Drunken Driving

Leonard E. Chase, San Francisco attorney, pleaded guilty in Marin Municipal Court Monday to driving on Tiburon Boulevard while intoxicated Sept. 16. Judge Hadden W. Roth fined him $289 and placed him on six months of probation.

The flower of the month for February is the violet or primrose.

Tiburon Renews Chlorine Contract

Directors of Tiburon Sanitary District have renewed a chlorine contract with low bidder, Tops Chemical Co. of Richmond, for $109 per ton, according to Secretary Edward P. Ward.

Next lowest bid Monday was $114 per ton by Continental Chemical co. Sacramento Ward said.

A resolution was adopted to enter into an agreement with the City of Tiburon for assessment proceedings for improvements in the Marinero Subdivision.

Directors asked Supt.-Mgr. John McFarlane to meet with owners of the Paradise Cove subdivision to work out problems connected with installing a sewage treatment plant there.

Director Election Scheduled Jan. 29

Election and installation of new directors of the Marin Center of the United Jewish Community Centers will be held at 8:15 p.m. Jan. 29 at 200 North San Pedro Road, Santa Venetia.

New directors nominated are Marvin Bailin, Morris Bode, Jerome Cutler, Mrs. Martin Einbinder and Dr. Louis Levy. Nominated for new terms are Mrs. James Denebeim, Dr. J. S. Margoliash, Ron Marinoff and Russell Shatz.

Chamber Session

Newly elected board members of the San Rafael Chamber of Commerce will meet with the 1967 board at a noon luncheon Jan. 19 in the Elks Club, San Rafael.

Mumps Leads Marin Diseases For Week

Mumps topped the list of communicable diseases reported in Marin County last week, according to Dr. Carolyn B. Albrecht, county health officer. Sixteen cases were reported in the county, 12 in San Rafael.

There were 12 cases of streptococcus infection, two of infectious hepatitis and meningitis, and one case each of measles, tuberculosis, salmonella, mumps encephatitis and German measles.

Check Taken

A check for $100 left on her kitchen table was taken from her unlocked house sometime during the day, Mrs. Suzanne Dignan, of 1795 Centro West Street, Tiburon, reported to sheriff's deputies Monday.

Board Rejects Appeal On Highway 17 Plan

Marin County Board of Supervisors rejected appeals yesterday to oppose construction of Highway 17 as a freeway between Highway 101 and Point Reyes Station.

The appeals to have the proposed route deleted from the California freeway system were made by the Marin Citizens Transportation Committee.

However, the supervisors assured committee chairman Raymond Ryason that a public hearing would be held within two months for a progress report on Highway 17 and on studies being made for a "balanced transportation system" for Marin.

Ryason's group demanded that Route 17 be deleted from the freeways system and that an evening public hearing be held in six weeks.

Public Works Director Donald R. Frost and County Planning Director Paul C. Zucker objected, pointing out that any decision on Highway 17 should await over-all transportation studies being made by their departments.

The Marin County Board Of Supervisors Also:

REDWOOD ROAD — Referred the future alignment of Redwood Scenic Road back to the Marin County Planning Commission.

SEWER STUDY — Asked that Marin Municipal Water District and North Marin County Water District study a countywide sewer report by Brown and Caldwell of San Francisco.

AIRPORT — Asked H. O. Tollefson to continue operating his flying service and fuel facilities at the Marin County Airport until the new fixed base operators complete their facilities.

MIDDLE FORK PROJECT — Expressed support of the Middle Fork Project on the Eel River, where the Army Corps of Engineers and the state Department of Water Resources plan to build a dam for water conservation and flood control. Lake County Supervisors, headed by Chairman Wesley Lampson urged Marin to ask that the water be routed through Clear Lake rather than to the Sacramento River. Marin supervisors urged the Corps of Engineers to keep an open mind on routing.

CLERICAL SALARIES — Postponed until Jan. 23 a decision on a new job classification and pay plan for county clerical workers. One change would be to delete the two lowest steps in the present five-step pay range, raising minimum salaries of clerical workers. Supervisors asked for time to compare the schedule with salaries in private industry.

BID ERROR — Released the two apparent low bidders, C. Overaa and Williams & Burroughs, from their bids on the Veterans Memorial Auditorium, due to computer errors in preparation of the bids. The new apparent low bidder is Wright & Oretsky, which bid $1,894,300.

MENTAL HEALTH — Approved letting of bids for interior design services for Community Mental Health Center to five Bay Area firms and set Jan. 22 for opening bids.

SCHOOL — Reaffirmed county's $209,000 commitment of last spring to Sausalito School District. It would be used for a new kindergarten through fourth grade school, if Sausalito can reactivate its school program.

TAX — Approved a resolution, drawn by Supervisor Thomas T. Storer, asking Governor Ronald Reagan to get behind a property tax relief bill in the Legislature. If the tax relief is not adopted "within a reasonable time," the resolution asks for a meeting of the supervisors with Reagan, Assemblyman William T. Bagley and Sen. John F. McCarthy.

JUVENILE — Transferred $20,000 from the Family Rehabilitation Center and $23,742 from the contingency fund for initial financing of a home for 18 children which will be operated in Larkspur by the Marin Foundation of the Friends of Arequipa.

JOB — Approved request of Community Mental Health Services to offer job as psychiatric social worker to a person now employed in the State Department of Mental Hygiene.

Neutron Machine For Class Study

LOS ANGELES (AP) — California State College at Los Angeles is the first of 18 state college campuses to use a neutron generator in the study of atomic energy.

Similar devices are being installed at Cal State Fullerton and Long Beach, said D.A. Gollnick, head of the neutron facility at the Los Angeles campus.

He said the generator, to be used by law enforcement agencies, can see through materials which X-rays find impenetrable, can identify strands of hair as definitely as fingerprints and can detect substances weighing less than a millionth of a gram.

ROCK CORNISH GAME HENS IMPERIAL features the plump little hens simmered in an elegant sauce of tomato sauce with tomato bits, chicken broth, wine and mushrooms, then served on a noodle "pilaf" bed.

Star Of The Menu Is The Cornish Hen

Interesting, provocative company dinners needn't involve a lot of fussy effort or a lot of pots and pans. Our recipe for Rock Cornish Game Hens Imperial, for instance, really is little more involved than making a chicken fricassee or stew.

BROWN Rock Cornish Game Hens or small broiler-fryers split in half — whichever is the better buy at your market. Then simply simmer the hens in an imperial sauce made from chicken broth, canned tomato sauce with tomato bits and seasonings. Add fresh mushrooms and dry white wine, too, if you like.

FOR DRAMATIC service arrange the birds on a bed of noodles mixed with bright green peas. Serve with a Bibb lettuce salad lightly dressed with oil and vinegar and hot crusty rolls. For dessert make or buy frozen cream puffs — crispy cream puff shells filled with vanilla or coffee ice cream, then topped with hot chocolate sauce flavored, if you wish, with a bit of coffee liqueur.

ROCK CORNISH GAME HENS IMPERIAL

4 Rock Cornish Game Hens or 2 broiler-fryers (1 to 1½ pounds each), split
Flour
Vegetable oil
½ cup finely chopped onion
½ cup chopped celery
1 clove garlic, minced
4 cups chicken broth
2 cans (8 ounces each) or 1 can (15 ounces) tomato sauce with tomato bits
2 teaspoons salt
½ teaspoon pepper
⅛ teaspoon ground thyme
½ pound fresh mushrooms, sliced
½ cup dry white wine, if desired
8 ounces wide noodles, cooked and drained
1 package (10 ounces) frozen peas, cooked and drained

Dust hens with flour. Cook in oil in 8-quart Dutch oven until golden brown; remove from oven. Add onion, celery and garlic; cook until soft. Stir in ½ cup flour; gradually add chicken broth, stirring constantly, until mixture boils and is thickened and smooth. Add tomato sauce, salt, pepper, thyme and hens; simmer 15 minutes. Add mushrooms and wine; cover and simmer 30 minutes or until hens are tender. Combine hot noodles and peas. Place noodles on platter; arrange hens on noodles and spoon sauce over all. Makes 4 generous servings.

Sour Cream Oatmeal Treat Will Have Kids' Approval

DEAR CECILY: My children love oatmeal cookies, but they want them soft. Can you recommend a recipe that will produce the kind they like best? — Mrs. G. K.

DEAR MRS. G. K.: With pleasure! Tested recently in our kitchen and tried on children from three years to 12, the cookies made from the following recipe were greatly enjoyed. Although they're on the soft side, they're not cake-y soft. Hope your youngsters approve. I know I enjoyed the cookies because their combination of brown sugar, rolled oats, dates and sour cream yields good flavor. — C. B.

SOUR CREAM OATMEAL COOKIES

1½ cups sifted regular flour
½ teaspoon baking soda
½ teaspoon salt
½ cup butter or margarine, soft
½ cup granulated sugar
½ cup firmly-packed dark brown sugar
1 egg
1 teaspoon vanilla
1 cup finely-cut pitted dates
½ cup commercial sour cream
1 cup quick-cooking rolled oats

On wax paper, sift together the flour, baking soda and salt. In a medium mixing bowl, cream butter and sugars; thoroughly beat in egg and vanilla. Coat dates with ¼ cup of the sifted ingredients. Stir remaining sifted ingredients into creamed mixture alternately with sour cream. Stir in date mixture and oats. Drop by level tablespoonfuls a few inches apart onto lightly greased cookie sheets. Bake in a moderate (375 degrees) oven 12 to 15 minutes. Let set about 30 seconds; with side spatula remove to wire racks to cool. Store between sheets of plastic wrap in tightly covered container. Makes almost 5 dozen.

Serve Ham A La Chef Verdon

RACINE, Wis.—Rene Verdon has created a new recipe for Virginia ham.

Verdon served as chef to the late President John F. Kennedy and President Lyndon B. Johnson and now is culinary consultant to the Hamilton Beach division of Scovill Manufacturing Company. He said Virginia ham fixed in this manner is especially suited to party entertaining:

VIRGINIA HAM A LA VERDON

1 14-16 pound Virginia ham
2 slices of onion
2 carrots, sliced
1 stalk of celery, diced
1 bay leaf
1 teaspoon thyme
Quartered apricots or peaches (about 12 whole apricots)
Whole cloves
1 cup brown sugar or molasses

Prepare Virginia ham according to packer's instructions. After soaking, place ham (skin side down) in a large steam kettle or deep pot; cover with cold water. Simmer about 15 minutes per pound. Add additional hot water to keep the ham covered at all times.

When simmering time is completed, take ham out of the water; allow to cool. Remove the skin by lifting the skin around the edge of the butt (large) end with a sharp knife. With a clean cloth in each hand, grasp the hock bone in one hand and, starting at the butt end, pull the skin toward the hock, being careful not to tear the fat. Leave four inches of skin on the hock bone. Dress the skin around the hock bone with a knife. Trim excess layers of fat with a sharp knife.

Place prepared ham in large roasting pan. Spread a layer of onion, carrot, and celery around ham and season with bay leaf and a sprinkle of thyme.

With a sharp knife, cut a diamond pattern in ham fat. Decorate crown of ham with quartered apricots or peaches secured with a whole clove. Cover ham with brown sugar or molasses. Roast at 375 degrees until ham is glazed and heated through. Baste ham as necessary.

Remove ham from roasting pan and place in covered pan to keep hot. Brown the vegetables and add:

1 cup vinegar
2 quarts brown sauce
¼ cup Sherry wine

Cook slowly over medium heat for ten minutes. Strain and skim off grease. Serve hot in sauce bowl with ham.

Chicken And Rice Mexicana Has South-Of-Border Flavor

Fresh tomatoes, greeen pepper, onion and chili powder give Chicken and Rice Mexicana its south-of-the-border flavor.

This is the kind of main dish to cook in and serve from your prettiest casserole. Brown the chicken in the casserole or cook it and the vegetables in a separate skillet before transferring them to the casserole. Then put with the remaining ingredients in the baking dish, cover tightly (using foil if the casserole doesn't have a cover), pop into a moderate oven and forget it for half an hour.

Even though you might be tempted to peek into the casserole during cooking, it is strongly recommended that you do not. "Don't peek," is a standard admonition in all rice reason is simple. Rice cooks to its best when steamed — not boiled—and when the cover of the saucepan or casserole is lifted, steam escapes and the rice has less chance of turning into tender and separate grains.

To add to the Mexican theme, serve with a guacamole salad, salt sticks and for dessert, wedges of fresh melon — cantaloupe, honeydew and watermelon.

CHICKEN AND RICE MEXICANA

1 2½-pound frying chicken, salted and peppered to taste
3 tablespoons butter or margarine
¾ cup minced green onions
½ cup minced green pepper
¼ cup minced parsley
1 cup uncooked rice
2 cups chicken broth
2 tomatoes, cut in eighths
1½ teaspoons salt
Pepper to taste
1 teaspoon chili powder

Brown chicken pieces in butter melted in skillet; remove chicken to sheet pan. Add onions, green pepper and parsley. Cook until onion is tender. Add rice, broth, tomatoes and seasoning. Stir well and heat to boiling. Place chicken pieces on top. Cover with a tightly fitting lid. Reduce heat, and simmer for 30 minutes, or until liquid is absorbed; or bake at 350 degrees for 30 minutes.

Makes 6 servings.

Gladden The Laddies With These Irish Country Soups

There's a world of welcome in an Irish kitchen with the table set for the hungry man and the turf fire glowing. And there's a big soup in the kettle, surely, when himself comes in out of the wind and the rain.

Irish country soups are made for men who work under the pen sky and have appetites as boundless. American men get hungry, too, and find a big soup just as welcoming. And the soup that takes hours of simmering over the fragrant peat fire in Ireland can be made in minutes in your own American kitchen. The magic is in the hearty condensed soup you start with, and the embellishments you add.

Kerry Cottage Soup Pot is a great soup to be making with condensed beef soup as the base. You add corned beef and cabbage and just a hint of onion. Then serve Irish soda bread, spread with sweet country butter. Or gladden the lads with Irish Potato Pottage, a wholemeal soup made with beef and mushrooms in condensed cream of potato soup. Have crunch-carrot sticks with it, and toast spread with farmer's cheese.

If your man's "a lovely man," as they say in Ireland of a big, strapping fellow, give him a soup his size. Have an Irish country soup waiting when he comes in out of the wind and the rain.

KERRY COTTAGE SOUP POT

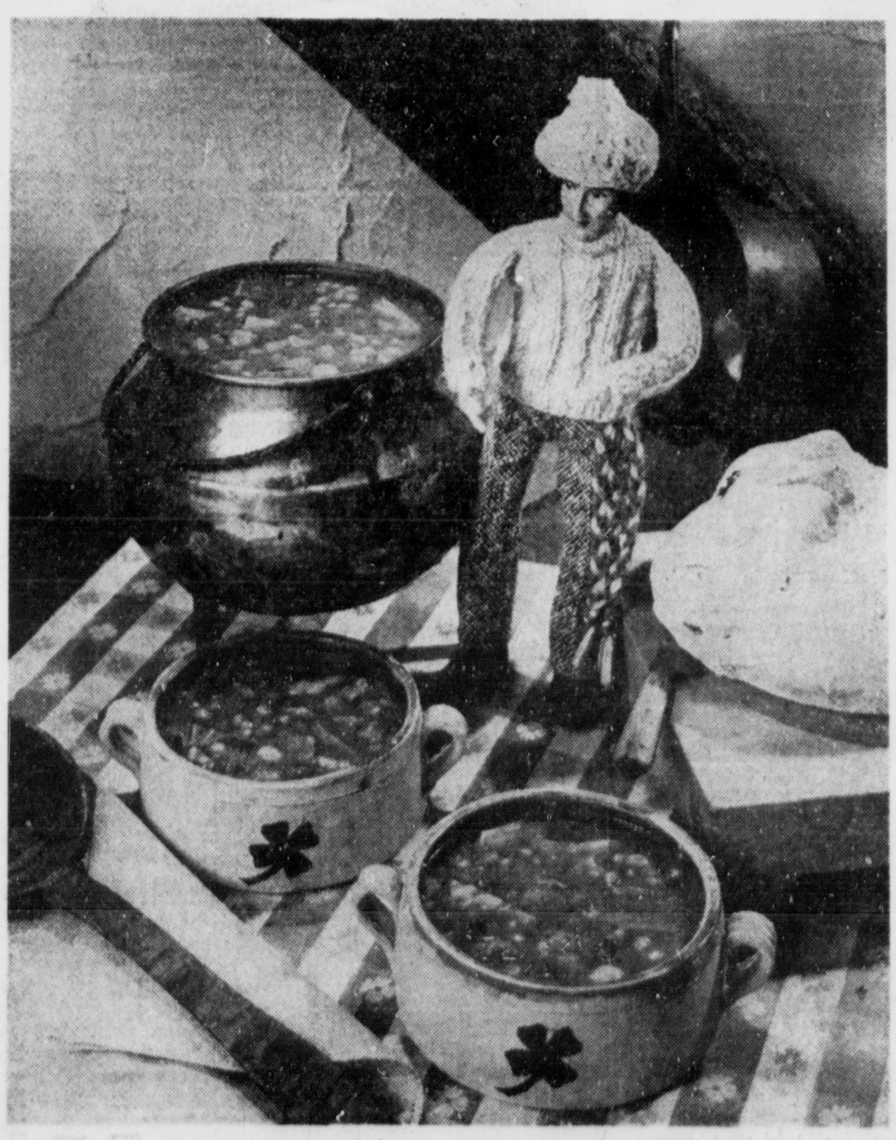
½ cup chopped cabbage
2 tablespoons chopped onion
2 tablespoons butter or margarine
1 can (10¾ ounces) condensed beef soup
1 soup can water
½ cup diced cooked corned beef
Dash pepper

Cook cabbage and onion in butter until tender. Stir in remaining ingredients. Heat; stir now and then. Makes 2 to 3 servings.

IRISH POTATO POTTAGE

½ cup diced cooked beef
1 can (2 ounces) sliced mushrooms, drained
1 tablespoon butter or margarine
1 can (10½ ounces) condensed cream of potato soup
½ soup can milk
½ soup can water
Dash pepper
Dash paprika
Chopped chives or parsley

Lightly brown beef and mushrooms in butter. Stir in soup, milk, water, pepper, and paprika. Heat; stir now and then. Do not boil. Garnish with celery. Makes 2 to 3 servings.



BIG IRISH soups are made for men who work under the open sky and have appetities as boundless. They're easy to duplicate for hungry American men. The Kerry Cottage Soup Pot above is made with condensed beef soup, corned beef, cabbage and onion. Irish soda bread and country butter finish off the meal.

San Anselmo Rejects Any Poverty Programs

The San Anselmo City Council last night unanimously rejected activities of the San Anselmo-Fairfax Target Area Board operating under the Marin County Economic Opportunity Council endorsing countywide participation in poverty programs.

The resolution came on the heels of a decision by the board of supervisors yesterday that all EOC programs should be countywide. (See also story on page 23.)

John R. Palunco Jr., chairman of the area board, objected to the council decision. He said any council action would be academic since the board's main project, for a Big Brother agency, is designed to be countywide, anyway.

THE DECISION

He said it was only started in the San Anselmo-Fairfax area because that's where he and other Big Brother supporters reside. He urged councilmen to hold any vote until a full description of the big brother program can be provided.

The program would consist of volunteer men who would offer recreation and companionship to underprivileged boys five to 17. Palunco said the project has been victim of much misunderstanding and that its only connection with EOC is that EOC has been a likely source of federal financing.

Palunco said if funds could be obtained elsewhere, EOC might not have been approached. He said $15,000 for the first year is needed: $10,000 for an executive director and social worker, and $5,000 for a receptionist and materials. All other personnel would be volunteer, he said, and after a year, the program would be placed in the hands of a board of directors and left on its own.

Palunco believed that area boards do not come under the state Brown Act, which restricts closed meetings, but told the audience and council all meetings would be announced in advance and be open to the public. He said community leaders will be sought to head the Big Brothers project.

Palunco added that publicity on intentions of his board has been "appalling" and "shocking."

Councilman Duane C. Ragan objected that the goals of the board would only duplicate services already available in the area. "I would prefer that San Anselmo handle its own problems," he said.

"We're not a government agency," replied Palunco. He said "if the council feels it (Big Brothers) has no intrinsic value," then it wouldn't be started. Palunco said the program is new in the county and has been successful in San Francisco and in Tacoma, Wash.

"It smells of federal boondoggling," said Ragan.

Palunco said a teen-age center is also being considered by the board.

Robson Park Land Problem Worked Out

San Anselmo City Attorney John Buresh told the city council last night that the gift of a 2.65-acre park to the city by the late Kernan Robson will be made without further controversy.

Buresh said he has met with the estate's attorney and problems such as parking, use of the park by teen-agers, and other areas of dispute are expected to be resolved when Marin Superior Court issues mutually agreed instructions on interpretation of Robson's will.

Buresh said the instructions will include that parking space up to 20 vehicles can be had if the location doesn't damage use of the park, that teen-agers may use the park for "educational or vocational" activities, that there be no stipulations on use of the park by the elderly and that food can be sold only on a non-commercial basis and profits should be used to maintain the park

Buresh said if there is wrongful use of the park by the city prior to 1977, the property can revert to the heirs. After that date, he said, the city has full control of the park provided it doesn't sell, subdivide, or use commercially.

The council has tentatively accepted the gift and took no action last night, pending court instructions.

Marinites Enter Scholar Tests

Five Marin County high school students are among the 98 mathematics and science students from the Bay Area competing in this year's scholarship program marking Engineers' Week, Feb. 18-24.

The are James A. McGinnis of San Rafael High School, Gloria J. Burns of Terra Linda High School, Kim W. Mitchell of Sir Francis Drake High School, Thomas P. Worth of Redwood High School and Mark S. Hanamoto of Tamalpais High School.

The $4,200 scholarship program — with a top award of $1,000 — is to encourage students to pursue careers in engineering.

Farm Bureau's State Chief Due At Marin Rite

Allan Grant, president of the California Farm Bureau Federation, will speak at the annual meeting of the Marin County Farm Bureau at the Point Reyes Lions Club at 8 p.m. Feb. 28.

Officers for 1968 will be elected and the bureau's annual report will be presented, bureau president James A. Marshall said.

The nominating committee appointed at a meeting of bureau directors yesterday comprises David Burbank of Fallon, chairman; Marvin L. Nunes of Point Reyes Station, Alfred Grossi of Inverness, Wilfred LaFranchi of Nicasio and Eugene Brown, who resides north of Fallon.

The committee will meet at 10 a.m. Jan. 17 at the farm bureau office on Highway 101 north of Novato.

Non-Breathing Costs

LONDON (UPI) — "Why should I? It's my breath," snapped Michael Fletcher, 29, when police insisted he take the breath test for suspected drunken drivers. Fletcher's defiance brought him a 35-pound fine and a year's suspension from driving.

Hub Council Against Routing Highway 17 Through City

San Anselmo's city council last night unanimously opposed extension of Highway 17 through San Anselmo and requested the proposed east-west link be removed from the state freeway system.

The council balked, however, at adding — as did the Fairfax Council Monday night—that the extension be placed instead in the state highway system.

Charles R. Leitzell, city engineer and director of public works, told the council that a highway through San Anselmo could do more toward dividing the city into two parts than a freeway because a highway would have more access.

The council then tabled further action until 8 p.m. Jan. 23.

Its consideration of the freeway issue followed request by the San Anselmo Chamber of Commerce that the council endorse the chamber's November resolution that Highway 17 be taken out of the freeway system and be made a scenic road link between Highway 101 and Point Reyes National Seashore.

The San Anselmo Homes Association last night also endorsed rejection of the road as a freeway.

The San Anselmo City Council Also:

ZONING — Rezoned a parcel at 194 Tunstead Avenue from duplex to multiple apartment.

APPROVED — Gave final approval to joining the City-County Planning Council. Also voted to join the Police Information Network, an Alameda County computer service for outstanding police warrants.

APPOINTMENTS — Appointed Robert England, incumbent, and Mrs. Irene Busch of 82 Medway Road, and Donald Mack of 185 Butterfield Road as park and recreation commissioners. Terms of the three posts expired last July. The commission had recommended that England and two other incumbents, Michael Murray and Paul Brand, be reappointed.

SIDEWALKS — Approved $803 construction of a sidewalk along Sir Francis Drake Boulevard at the Hub.

PARKING — Approved a 42-foot no parking zone on Laurel Avenue at Kemp Avenue.

TRAINING — Approved a Department of Justice police training sight-sound film program at a cost of $260 to San Anselmo, and a state finance office census. Councilmen were told that San Anselmo now has a population of about 13,449 persons, and could qualify for about $3,500 a year in gasoline and cigarette tax returns.

ORDINANCES — Had first reading of an amendment to the animal license fee and control ordinance. This would pro-rate the license fee and provide for an increased penalty for delinquency.

Mental Health Unit Is Topic

Administration of the proposed Community Mental Health Service at Marin General Hospital will be discussed at 9 a.m. tomorrow at the KTIM Marin Sounding Board.

Speakers will be Thomas F. Campanella, assistant county administrator; Mrs. Marion Ibach, president of Marin General Hospital District board of trustees, and psychiatrists Dr. William Bewley, a board member of the Marin Association for Mental Health, and Dr. Jean L. M. Pouteau.

The panelists will answer questions from listeners. The program will be repeated at 9 p.m. tomorrow over KTIM-FM.

Probation Granted On Welfare Fraud

Dolly Deans, 43, of Bakersfield, who pleaded guilty to a charge of welfare chiseling last month in Marin Superior Court, is serving five years' probation.

Judge Harold J. Haley ordered her Monday to begin paying restitution on $1,500 in welfare funds she received while working on the side as a waitress. She can pay the money back in $20-a-month installments, he said.

Rafferty Sees Enough Cash To Oppose Kuchel

LOS ANGELES (AP) — Dr. Max Rafferty, state superintendent of public instruction, says campaign contributions from across the nation probably will enable him to oppose Sen. Thomas Kuchel in this year's Republican primary.

Rafferty, at a county Young Republicans meeting yesterday said money has come "from the grass roots" throughout California and the country "and we think now we are going to have enough money to make the race."

The volunteer group, Friends of Rafferty, estimate current financial pledges for his campaign at $150,000.

He predicted a confrontation with Kuchel, Senate GOP whip, would be "the doggondest campaign you ever saw in your life." He said his first act, if he runs, would be to open his income tax returns for public viewing.

ON THE AGENDA

Interior Designer Will Describe Feathering Your Personal Nest

The **Novato Branch, American Association of University Women,** will present Lillian Kersnar Johnson as guest speaker at a public meeting at 8 p.m., Monday, at the Novato Community House. Proceeds will benefit the AAUW fellowships fund.

Mrs. Johnson, a member of the American Institute of Interior Designers and national home fashion league, will speak on "Our Personal Environment."

She will discuss elements of good design in interior decorating through space planning, color, carpet, furniture and drapery selection and accessories.

Mrs. Johnson has taught adult education course in interior decoration in San Fancisco and at the University of California extension. Her business experience includes work as manager of the "Studio for Homes" of the Emporium and manager of the "Studio of Interior Design" of W. & J. Sloane. She has been an independent designer 10 years.

HIGHWAY SAFETY during dangerous-driving winter months, will be the topic presented by Ted McGuire, traffic officer, California Highway Patrol, tonight at the dinner meeting of the **Marin Charter Chapter,** American Business Women's Associaton. Members and guests will meet for social hour at the Pepperwood Restaurant in San Anselmo at 6 p.m.

MARJORIE C. FOLINSBEE, M.D., will speak on "The Effect on Youth of Changing Times" tomorrow following the 12:30 p.m. home day luncheon of the **Outdoor Art Club** in Mill Valley.

Dr. Folinsbee is consultant for San Francisco Suicide Prevention, Inc. and works at the Stockton Children's Home. She is a director for the San Francisco Mental Health Association and on the teaching staff of the department of psychiatry at the Presbyterian Medical Center in San Francisco.

Luncheon chairman Mrs. Robert Cook will be assisted by Mesdames Hugh K. Laymon and Joseph Witherow. Members of the club are Mesdames John Linker, Robert Mahan, Lionel Farber, Philip Kearney, Walter Schoening and Roy Simpkin.

MILL VALLEY Bethel 119, International Order of Job's Daughters, will hold an initiation and inspection meeting tomorrow at 7:30 p.m. in the masonic temple. Initiates are Marijean Novacek and Diana Grant. New officers are Lynn Baker, senior princess; Marcha Phipps, junior princess; Trudy Ellis, guide; and Debbie Brunsell, marshal.

MILL VALLEY'S Redwood Guild of Sunny Hills will install officers at its annual luncheon honoring new officers and new members at noon Friday at the Mill Valley home of Mrs. Fred Drexler.

Officers to be installed are Mesdames Peter Behr, president; Ralph Martindale, vice president; Eugene Crawford, corresponding secretary; George Gustafson, recording secretary; and Joseph Brewster, treasurer.

Mrs. Brewster, retiring vice president, is luncheon chairman, assisted by retiring board members.

A MOST APPEALING fashion show this chilly January is being planned by **Tiburon Peninsula Club** women at noon Jan. 17. Warm, pretty and sometimes kooky fur fashions will be modeled by members, including Mesdames George Conlan, Ronald Rouda, Robert Trieber, and James Munson. Mrs. Munson is chairman, and Mrs. Richard Friedman is fashion coordinator. Luncheon will be served.

A TRAVELOGUE will be given to the Literary-Drama Section of **Tamalpais Centre Women's Club** at the Kentfield clubhouse Friday, and members will dress in the costume of the country they have visited. Mrs. A. M. Komora will speak on poets of India; Mrs. Linton Whitby will talk on literature of Bavaria; Mrs. Thomas Pring has chosen Greece for her topic, and Mesdames Emile Reillac and Thomas Davies will discuss Mexican history. Dessert will be served at noon.

RICHARD GIBSON, one of the Bay Area's ballet masters and director of the Peninsula Ballet Theatre, will conduct a master class in ballet technique Saturday for students of the **Pacific Dance Guild.** Attending the class at Park School auditorium in Mill Valley at 10:30 a.m. will be students from Mill Valley, San Anselmo, Livermore and Napa.

THE NOVATO Squares Square Dance Club will host a dance at Lynwood School in Novato at 8:30 p.m., Saturday, with Milt Adams as caller. Mrs. and Mrs. Harry Sharkey are co-chairmen.

A RECEPTION and dance will follow the Saturday night installation of Bethel 48, International Order of Job's Daughters at 8 p.m., in the Masonic Temple in San Rafael.

Ellen Ostern, daughter of Mr. and Mrs. Leif Ostern of San Rafael, will be installed as honored queen. Ellen is a senior at Terra Linda High School.

Other elected officers to be installed are Jonna Peden, senior Princess; Susan Owens, junior princess; Lynn Prosser, guide and Nanette Hedrick, marshal.

ON THE AGENDA is the Marin Women Section's new column to keep readers up-to-date on women's organization news and activities and the people behind them. Press chairmen may submit club news to their nearest I-J office — San Rafael, Novato, Mill Valley and Tiburon — in advance of upcoming events.

Enter The Gangster With His Gun Moll

NEW YORK (AP) — Geoffrey Beene has designed a wardrobe patterned after gangster styles.

At the spring style shows held by the American Designer Series Monday bold broad stripes were borrowed by Beene for stark coats and jacket suits cut short over black stockings and with striped fedoras to match.

His Sicilian widows were properly sad but fashionable in midilength dresses of black lace, sashed at the middle.

The Mafia moll was a flamboyant doll in bold blue and white stripe from her chin to her shins with plenty of ostrich feathers here and there to tickle her fancy.

Other roles in Beene's bag of tricks were that of the English dandy with walking stick and patent leather hat; or the music hall girl from the prohibition era, with gaudy beaded bodice and little else but those ostrich feathers; or Rebecca of Sunnybrook Farm with white organza blouse and calico skirt to her ankles.

The costumes Beene created for spring are considerably different from the elegantly simple one which he made for Lynda Bird Robb's White House wedding last month.

Designer Leo Narducci had clothes for going places—a diamond patterned leather coat, for example, with luggage to match.

Ready for a less mobile existence were at-home pajamas in smashing, splashing colors.

MR. AND MRS. Justus Theodore Craemer, who were married Saturday, will live in Shreveport, La. Mrs. Craemer is the former Linda Leigh Murphy of Novato. Her husband is the son of Mr. and Mrs. Jack J. Craemer of Greenbrae.

Karen Traverso Is Engaged

Lt. Col. and Mrs. Normand H. Traverso, U. S. Air Force (ret.), announced the engagement of their daughter, Karen Gay Traverso, to Cadet John W. Martin Jr.

Karen is a sophomore at the College of Marin and will attend California College of Arts and Crafts this fall. She is a graduate of Terra Linda High School and made her bow in 1966 at the Hamilton Debutante ball.

John is in his third year at the U.S. Air Force Academy in Colorado Springs, and following his graduation will enter pilot training. He is the son of Lt. Col. and Mr. John W. Martin, U.S. Air Force (ret.) of Montgomery, Ala.

Ruth Horner Bride Of Robert J. Neilan

The Chapel of Our Lady at the Presidio in San Francisco was the setting for the Saturday noon wedding of Ruth Erleta Horner of San Francisco and Robert Joseph Neilan III of San Rafael.

Mr. and Mrs. Robert J. Neilan of San Anselmo are parents of the bridegroom, and Ruth is the daughter of Mr. and Mrs. Brainerd Horner of Ronan, Mont.

Given in marriage by her brother-in-law, Gary Burke, the bride wore a lace gown with cage style train. Mrs. Burke was her sister's matron of honor and Anne Cunningham Gryez of Palo Alto was the bridesmaid. They wore pale blue lace over taffeta dresses. Flower girl was Pamela Joann Burke, and ring bearer was Glen Eugene Burke.

The bridegroom's brother, Harry Paul Neilan, served as best man. Another brother, Michael Bernard Neilan ushered, along with Willis O'Brien of San Carlos.

A reception followed at the Officers Club at Ft. Mason.

The couple will live in Columbus, Ga., where the bridegroom will return to Army duty at Ft. Benning.

Robert is a graduate of Marin Catholic High School and attended University of San Francisco and is a graduate of the Army Officers Candidate School at Ft. Benning. He was wounded in Vietnam and has been at Letterman General Hospital, San Francisco, and now returns to active duty in Georgia.

He is the grandson of Mr. and Mrs. Harry Hansell of Fairfax and of Robert J. Neilan of San Francisco.

The bride attended school in Ronan, Mont., and St. Patrick's School of Nursing and was graduated from University of San Francisco. She has been a nurse at St. Mary's Hospital, San Francisco. She has two sisters who live in Montana.

Two Marin Women Selected Mardi Gras Queen Candidates

By MOLLY MARIN

Two Marinites are among candidates for the Queen of the 1968 Mardi Gras Ball to be held on Feb. 24 at the Sheraton-Palace Hotel in San Francisco. Sponsor of the ball is the Little Jim Club of Children's Hospital.

The Marin candidates are Kathee Murdock of Ross, whose mother, Mrs. John B. Willcutt of Kent Woodlands, ran for Mardi Gras Queen eight years ago. Kathee made her debut at the 1964 Marin Debutant Ball and now models professionally. Her schools are Katharine Branson, Le Manoir in Lausanne and College of Marin.

ALSO A candidate is Mrs. Jack Burke of Kentfield. "Zip" as she is known to friends, moved to California from Illinois where she attended Northwestern University. She and her husband, who is in the oil exploration business, live in Kentfield with their two children and three dogs. She has worked on the Children's Garden Auxiliary Auction and enjoys swimming.

Voting begins today and contestants will sell votes for 10 cents each. Checks payable to the Little Jim Club of Children's Hospital may be sent to C. Michael Shaw, Crocker-Citizens Bank, 1 Montgomery St., San Francisco.

KATHEE MURDOCK

THE DINNER Friday evening at Peacock Gap Country Club in San Rafael will be held at the annual gathering for members of Ducks Unlimited and their wives. Cocktails will precede the 8 o'clock dinner. Walter Freitas is county chairman, and on the committee are Leroy Rudolph, Dr. Ernest Denicke, Dr. Thomas Geary, Gene Thompson, Emil Bianco, Charles Paganini, Lee Johnson, Bert Kirschner and Bruce Bales. Speaker will be Ben Anderson, western regional director of Ducks Unlimited.

A DINNER PARTY at the home of Mr. and Mrs. Douglas Abel of San Rafael will be given for the **Young Wives**

HELEN HELP US!

By HELEN BOTTEL

Husband And Wife Don't Speak, Need A Marriage Counsellor

DEAR HELEN:

For about 20 of the 24 years of our married lives my wife and I have spoken to each other only when absolutely necessary. It's the best way to avoid battles. She gives me notes, for groceries, etc., or else we relay messages through our daughters.

While our three kids were growing up, she kept them to herself and away from me, so that I scarcely knew them. Not wanted at home, I started staying out more and more, though I never ran around. I was just alone, or with married friends who had a real family life.

I would come home to a locked bedroom door, with my wife's snarling watchdog in front of it. No need for a lock, he'd bite me if I tried to enter.

After our son turned 20, he and I became good friends, and this turned my wife even more against me. I feel worse for our two teen-aged daughters. They know life is not normal here. They never bring friends in. To avoid war, they side with their mother, and I say nothing. I believe she only tolerated me so that she could have children.

My wife deserves credit for raising children clean, keeping a neat house and serving adequate meals, though I am not welcome at the table. I eat in the den, where I also sleep.

Outwardly there's a certain smoothness to our lives. Inwardly, I'm dying. Now that my son is married and away, I have nothing left but my work. Is there any hope? — RECLUSE AGAINST MY WILL

DEAR RECLUSE:

Yes there's hope, if you and your wife will stop with the polite stranger routine and pour out your resentments to a counselor.

I've an idea a letter from her would paint an entirely different picture, and you both would be half right, half wrong.

Look up the Family Service Agency in your phone book and put in a call today. — H.

P.S. Better consult a vet about your wife's dog. He could stand some psychoanalyzing too.

DEAR HELEN:

You've often said that separation (or divorce if religion allows) is preferable to a life of double misery. Yet I've read several letters recently that described bad marriages, and you suggest a marriage counseller. Don't you have the guts to come right out and say, "Get a divorce!" — FORCEFUL

DEAR FORCEFUL:

To advise divorce on the strength of one letter would take stupidity, not guts. Perhaps the marriage can't be saved, but I'm not the one to say so. I don't know all the facts. — H.

P.S. But sometimes I can't help being stupid. When women write about habitual wife-beaters or chasers, I'm liable to say, "Leave 'em!" — H.

DEAR HELEN:

That lawyer from New Mexico said a run-of-the-mill divorce cost around $200. Too bad I don't live in New Mexico. Mine cost $750, and there were no children, no property settlement. I had to pay all the fees, since my husband didn't want a divorce. However, he beat me when he was drunk, had a mistress three months after we were married, and threatened me with a knife. I've never regretted leaving him, but that's a high price to pay for a mistake that also cost me a year of pure hell.—SINGLE AGAIN AT 22.

This column is dedicated to family living, so if you're having kid trouble or just plain trouble, let Helen help you. Address Helen Bottel in care of the Independent-Journal.

Senior Citizens Club Pair Wed In Novato Church Rite

Mrs. Irene Borja was united in marriage to Harry Leroy Elliott at the First Baptist Church in Novato on Tuesday.

Attendants were Mr. and Mrs. Lou Heyman, daughter and son-in-law of the bride, and Mrs. and Mrs. Herb Edwards, cousin of the bridgroom.

A reception was held at the Heyman home in Novato. A special guest was Lena J. Smith, 93-year old aunt of the bridegroom.

The newly-married couple are members of the Novato Senior Citizens Club. They will reside in Novato.

Mrs. Elliott is the grandmother of Kathy, Maureen and Kent Heyman of Novato and the sister of Jerome Goldsmith of Fairfax. Mr. Elliott is the father of Mrs. R. L. Hicklin of Wichita and Herbert L. Elliott of Topeka, Kan.

Freeze Method In Cancer Studied

TORRANCE (AP) — Doctors are studying a new freezing method to treat cancer of the cervix — which is believed to strike 33,000 women annually in the United States.

Dr. Duane Townsend, an obstetrician in charge of the project at Harbor General Hospital near Los Angeles, said freezing instead of surgery has been successful on several patients.

Instead of removing cancerous tissue, doctors touched it with a probe that within 90 seconds lowered the tissue temperature to more than 100 degrees below zero. Townsend said the diseased tissue sloughed away.

In a recent interview with the Los Angeles Times, Townsend said freezing might someday be done in a doctor's office in 10 minutes. Present surgery usually requires two days to a week in a hospital.

BIG PICTURES

What Hollywood's Planning For '68

By BOB THOMAS

HOLLYWOOD (AP) — The film industry is greeting the new year with $130 million worth of big pictures it hopes will keep the nation's theaters doing big business in 1968.

The trend among the movie companies is still toward block buster attractions. The way has been pointed by such successes as "The Sound of Music," "Doctor Zhivago" and the 28-year-old "Gone with the Wind."

But there has been a change in studio thinking. Film bosses no longer will give virtually a blank check to epic makers who propose what appears to be a surefire attraction. They have been stung on such losers as "The Train" and "The Greatest Story Ever Told."

Nowadays the companies strive to keep big picture budgets below $6 million, and many are being made for $5 million. But the best of plans can go awry. MGM hoped "2001: A Space Odyssey" would cost no more than $6 million. But director-producer Stanley Kubrick has spent two years and an extra $3.5 million on the film. It will finally be released at Easter.

MGM will also be presenting another expensive adventure in 1968—John Sturges' "Ice Station Zebra," which will be shown first in Cinerama. The company started filming this month on two other big movies, "Shoes of the Fisherman," about papal politics with Anthony Quinn and Laurence Olivier, and "Where Eagles Dare," a World War II adventure with Richard Burton and Clint Eastwood. Both are expected to be released in 1968.

Twentieth Century-Fox, the most roadshow-minded of the major studios, will be pinning its hopes on "The Star," which reunites the winning "Sound of Music" combination of Julie Andrews and Robert Wise. Among the other big ones from Fox are "Planet of the Apes," outer space fantasy with Charlton Heston; "The Magus" with Anthony Quinn and Michael Caine.

Late this year United Artists will offer "Chitty Chitty Bang Bang," with Dick Van Dyke starring in the Ian Fleming children's story. The bill for the musical fantasy may run as high as $9 million. Also from United Artists: "The Charge of the Light Brigade," a hard look at empire heroics by Tony Richardson; "The Devil's Brigade," World War II combat with William Holden; "The Scalphunters," a large-scale Western with Burt Lancaster.

Columbia will be presenting two lavish musicals: "Funny Girl," with William Wyler directing Barbra Streisand's film debut; and "Oliver," musicalized Dickens by Carol Reed. The company also has its own war spectacle, "Anzio" with Robert Mitchum, and a big Western, "MacKenna's Gold" with Gregory Peck.

Paramount has three big ones, all European-made: "Half a Sixpence," Tommy Steele repeating his stage success; "Romeo and Juliet," Franco Zeffirelli's version with real-life teen-agers: "Barbarella," Jane Fonda baring all as the futuristic space goddess.

Warner Bros.-Seven Arts will be offering Fred Astaire's film return in "Finian's Rainbow" and the Vietnam War according to John Wayne, "Green Berets."

Universal combines the Burtons and Tennessee Williams in "Goforth" and will present another big musical to match its "Thoroughly Modern Millie." The new one is "Sweet Charity" starring Shirley MacLaine.

Course In Dancing Will Start Jan. 27

A course in modern and ballroom dancing will be introduced at a dance lesson-party at the Marin Jewish Community Center, 200 North San Pedro Road, Santa Venetia, Jan. 27 at 8:30 p.m.

A series of two-hour evening lessons will be held weekly at the center Feb. through March 21.

Shortened Bach Mass Is Slated

A shortened version of Johann Sebastian Bach's Mass in B Minor will be presented at 8 p.m. Sunday by the College of Marin Music Department in the college gymnasium.

The community chorus and collegiate chorale will be conducted by Dr. S. Drummond Wolff and accompanied by a professional orchestra.

Soloists will be Gwen Curatilo, soprano; Donna Petersen, contralto, and Patrick Daugherty, tenor. Alden Gilchrist will be the organist. Admission is free.

LET'S BE REALISTIC ABOUT SPEED READING

A Frank Statement by Howard J. Ruff, Director of Northern California Reading Dynamics Institute

Last week a longtime friend told me that the impression he got from our ads is that Reading Dynamics is some kind of a "miracle" —for this I am sincerely regretful. Reading Dynamics is a marvelous and important educational breakthrough. Miracle—it is not, and I hope you will pardon some of the poetic license we may have taken in former ads that might have given this impression.

In the past our advertising has said a lot about reading speeds, and that's all true. In fact that's deliberately understated. What concerns me (and probably you, too) is that we didn't say very much about comprehension, recall, study skills, critical analysis, pleasure and all of the things you expect to get from reading. That was a terrible oversight on our part, because about 75% of the time in our course is spent on these vital matters. It doesn't matter how fast you read a book if you don't get out of it what you hoped to when you picked it up.

Reading Dynamics is *not* a miracle. It *is* a hard-earned skill which will prepare you to be an immensely effective and efficient reader. Do you want to study more effectively in school or in professional publications? Fine, we will spend several hours showing you how to do this more effectively and faster. Do you want to read more great literature? We will spend hours with you, in class, showing you just how a novel can be read in depth, appreciated or analyzed, if that's what you desire. And you will do that many times faster than you did before.

How about recall—the ability to remember what you read, when you read it or even months or years later. Evelyn Wood has developed a unique and revolutionary recall training process that is simple, effective and, all by itself, would make the course worthwhile.

And now a word about *work*. No skill can be made a comfortable habit without practice. Reading Dynamics is no different. You have to drill an hour a day during the course and attend your lessons regularly, but all this hard work pays off in a truly remarkable skill. This skill will soon be a habit and will return dividends of your most precious commodity—time.

Again let me say there is no magic, there is no mystery to Reading Dynamics. It is a practical and proven system. There are literally thousands of Reading Dynamics graduates who will testify to the reality and effectiveness of the technique. A Reading Dynamics course will cost you money. It is important to you that you know precisely what you are investing in before you spend a penny. And, may we add it is also important to Reading Dynamics that you know exactly the commitment you are making before you enroll. For this reason we have special demonstrations so you can find out all about your course.

At the demonstrations we will present *the facts* about Reading Dynamics, *answer all of your questions*, and then, as you convince yourself that Reading Dynamics will be a valuable tool for you, you are invited to enroll. There is absolutely no obligation. The schedule of free demonstrations being held this week is listed below.

Attend a free demonstration. You could win a scholarship.

Wife Guilty Of Involuntary Manslaughter

I-J Special Report

SUSANVILLE — Mrs. Jenny McDowell, 27, of San Rafael, accused of slaying her husband with a deer rifle Oct. 15 at a mountain camp, was found guilty last night of involuntary manslaugher.

Mrs. McDowell, of 410 Prospect Drive, was earlier denied a request that the charge be reduced to manslaughter or assault with a deadly weapon.

She pleaded innocent and innocent by reason of insanity to the murder charge. A Lassen County Superior Court jury of eight women and four men deliberated almost seven hours before announcing its verdict.

Mrs. McDowell was accused of shooting her husband Robert, a 35-year-old building contractor in his tent at an isolated deer hunting area 65 miles north of Susanville.

She testified during the trial that McDowell threatened her with the rifle and that it fired.

He then threw the rifle at her and she fired back, the bullet striking him in the chest, she said.

"You've killed me," she quoted him as saying.

"He turned gray and he fell . . . to the cot," she told the jury.

Lassen County Sheriff Ben J. Yeakey said the couple spent the day drinking and arguing in their tent at Fulstone Springs.

The couple had been married only a short time. McDowell had a child by a previous marriage.

Installation Slated For Fire Officers

Members of the Tiburon Volunteer Firemen's Association will install officers at a dinner meeting at the Windjammer Restaurant at 6 p.m. Jan. 26.

Officers elected last month are Lawrence J. Bogel, president; Ray A. Chambers, vice president; Adolph Edwards, treasurer; David Roads, secretary, and George Haggett, sergeant-at-arms.

HE HAS SELBUORT

Backwards Name Is Headache For G.I.

AUGSBURG, Germany (UPI) —The U.S. Army today owned up to one of the most bizarre cases of mistaken identity ever —the soldier who got drafted twice because he spelled his name backwards.

As PFC. Naeb Llahsram has insisted ever since he was yanked back into uniform a second time in September, 1966, he is really Marshall Bean, a spokesman said.

DODGING BILLS

Bean, 32, of Las Vegas, Nev., decided on the name change to avoid bill collectors when he became a civilian again after serving two tours as an Army airborne trooper and then as an Air Force sergeant.

But he has regretted it ever since.

He told the Overseas Weekly, a private newspaper published for U.S. servicemen in Europe, he obtained a driver's license, a Social Security card and even a draft card under his back-to-front name.

"I needed it when I applied for jobs," he explained. "I just told myself I wouldn't worry about being drafted again. Ha Ha!"

Bean said he gave his age as 18 when he applied for Llahsram's draft card to avoid detection by selective service officials who might have wondered why he had not registered earlier.

Fifteen months later, Bean is still waiting to be discharged from the Army. He hopes it will now only be a matter of days.

STORY IGNORED

Bean said he tried to explain the slip-up when he arrived at Fort Bliss, Tex., for his second spell of basic training, but he was just handed a set of dog-tags, nametapes and an identity card made out with the name of Naeb Llahsram.

When the Army realized he was not a would-be draft dodger, he was first threatened with a charge of fraudulent entry into the armed service but then was promoted to Pvt. E2 and granted back pay for a man of eight years service, he told Overseas Weekly.

As Bean continued his campaign to get released, he was posted to the Will Casern at Munich—just across the street from where he served 23 months with the 11th Airborne Division more than 12 years ago.

'RIDE IT OUT'

"I only had a few months left to do and so I decided to just ride it out and maybe make some rank," Bean said.

But just before Christmas he made a new attempt to convince the Army that he should be released. About that time he was promoted to private first class.

An army spokesman said investigations so far have shown "Llahsram is Bean and Bean is Marshall. Now we are just waiting for verification from Washington before we send whoever he is back to the United States for discharge.

"It's fantastic. It's incredible, we don't know how it could have happened. But the man's story checks out word for word."

Currently in the Army dispensary at Grafenwoehr recovering from tonsilitis, Bean said there would be no more name changes for him after he gets back to civilian life.

"I'll be just plain old Marshall Bean," he said.

Novatan Faces Kicking Trial

Bryce Lawrence MacMillan Jr. of 370 Holly Street, Novato, was ordered by Municipal Court Judge Peter Allen Smith yesterday to stand trial in Superior Court on two felony charges that he struck police officers in a Sausalito tavern fracas Dec. 17.

After yesterday's preliminary hearing, MacMillan was told to appear Jan. 22 in Superior Court.

He is accused of kicking and striking Sausalito patrolmen Steven Willis and Thomas Zink Dec. 17, as they removed him from the Two Turtles Bar at 688 Bridgeway.

Willis collapsed and required treatment at Marin General Hospital after taking MacMillan to the police station.

Recreation Plans

Directors of the Gallinas Village Community Services District will plan the summer recreation program when they meet at 7:30 p.m., tomorrow at John McPhail School, San Rafael.

Marinwood's New Truck To Arrive

Marinwood's new $27,000 fire truck, ordered last year from the Van Pelt Co. of Oakdale, will arrive about April 1, Chief James W. Cameron told fire commissioners last night.

The truck is a 1,000-gallon-per-minute pumper. The truck will cost $20,000 and accessories about $7,000. The department already has a pumper and an auxiliary vehicle.

The commissioners, headed by chairman Robert J. Cawley, also discussed the cost of running the department when it begins serving Upper Lucas Valley in July.

Larkspur Chamber Installs President

The Larkspur Chamber of Commerce yesterday installed Neil R. Brixon, city councilman, as president.

The chamber also discussed finances for the coming year. Ward Austin, former mayor and past-president of College of Marin, was guest of honor.

POVERTY 'TARGET AREA' TAG DENIED

But Fairfax-San Anselmo 'Big Brother' Budgeting Due For Decision Tonight

By BRYCE W. ANDERSON

San Anselmo and Fairfax will have a "Big Brother" program, under auspices of the Economic Opportunity Council, if the council tonight approves the budget presented by its area board. (See also San Anselmo City Council story, page 14.)

This is in spite of the fact that San Anselmo-Fairfax is not even a "target area" for the War on Poverty, according to Victor Cary, Marin County EOC executive director.

POSITION PAPER

"We are putting out a position paper to that effect — there is no target area at all. We've never declared any place a target area since I've been here," Cary told the Independent-Journal yesterday.

Target area or not, San Anselmo-Fairfax has a committee which, at its own request, was recognized by the Marin County EOC on Dec. 30 as an area board. Two of its members, chairman John R. Palunco Jr. of 21 Tamalpais Avenue, San Anselmo, and Ellen Henry of 200 Bolinas Road, Fairfax, were seated as members of the EOC.

The area board's program for this year, including the "Big Brother" project and a program of "identifying the problems and problem groups in the area," has not yet been approved by the EOC, said Cary.

'PURE SPECULATION'

"It is pure speculation," he declared yesterday.

It is for this program, however, that the budget will be up for approval at the EOC meeting at 8 p.m. today at the Co-op meeting room in Corte Madera.

The budget includes funds for hiring a director and secretary, renting and equipping an office. The area board has hoped to include a "Little Sister" program in addition to the "Big Brother" program, but this may be added later.

FUND SOURCES

Financing for the first year would come 80 per cent from federal Economic Opportunity Act funds. The 20 per cent to be raised locally, according to Thomas F. Campanella, assistant county manager and a member of the EOC, would not have to be all in cash; part could be through credits for the services of volunteer workers.

Campanella said he believed the $2,500 which the area board planned to ask of the county board of supervisors would cover all the local cash requirement. The supervisors yesterday, however, rejected the idea of underwriting any EOC program that is not on a countywide basis.

Money toward the 20 per cent local contribution could come from other sources, such as service clubs, charitable organizations — or individual donations. A doorbell-ringing campaign to raise money was discussed at the board's most recent meeting in Fairfax.

The "Big Brother" program eventually may be affiliated with the Big Brothers of America Inc. That organization would not assist it financially, however.

The program would provide a volunteer "big brother" for each "little brother" in a fatherless home selected by the area director, who would supervise the operation. The idea would be to offer "father substitute" counseling.

PROSPECTUS READY

A prospectus for the program was prepared by George Napper, a University of California graduate student who is also an EOC program writer. Cary said this was provided at the request of the area board but does not mean the program has been approved. The prospectus, however, says:

"The Marin County Economic Opportunity Council has heen fit to designate San Anselmo-Fairfax as one of its target areas . . .

Pursuant to rules, regulations and criteria established by the council for creation of a target area, residents in the area have now established, through democratic procedures acceptable to the council, an area board comprised of citizens of both communities."

This is the board that was officially recognized at the Dec. 30 EOC meeting. It has 11 members as recognized, reported Campanella. An earlier listing of the members names 13, but it was understood two of them have withdrawn.

BOARD MEMBERS

Listed as board members, besides Palunco and Miss Henry, are:

Donna Lile of 338 Bolinas Avenue, Fairfax, vice chairman; Lori Sabraw of 105 Wood Lane, Fairfax, secretary-treasurer;

Barbara Carrick of 10 Walsh Lane; Jackie Johnson of Ridge Way; Albert E. Gately of 69 Bothin Road; Joan Lunde of 135 Ridge Way; Susan Stephens of P.O. Box 638, all of Fairfax.

Al Howenstein of Box 274; Caroline Tweity of 314 Butterfield Road, and Elizabeth Ryan of 16 Ramona Way, all San Anselmo and Julia Sparling of Novato, an EOC community worker.

Patients Move Into Hospital

The first patient moved into Cottage Convalescent Hospital yesterday after renovation of the former San Rafael General Hospital.

The patient is Alfred Zirke, 87, who for 30 years operated Zirke's Delicatessen at Fourth and Lincoln streets, San Rafael. The 57-bed hospital is operated by the Marin Medical Foundation.

Hospital authorities reported a total of eight patients were admitted yesterday.

Director Leaving Services District

The Terra Linda Community Services District is looking for a new director because one is leaving, chairman Neal Harding announced last night.

Director Richard Drosendahl, who has served since September, 1966, is moving to Los Angeles, Harding reported. Drosendahl is an engineer with the state Division of Highways.

Harding said residents interested in the position should contact district secretary Cleo D. Murray.

Dollar Devaluation Risk 'Unimportant'

Devaluation of the U.S. dollar would not seriously affect our economy, Fred E. Enemark, vice president of Marin County Savings and Loan Association, said yesterday.

Speaking before the Marin County Real Estate Board, at the Corte Madera Lions Club, Enemark said he does not expect our dollar to be devaluated this year — but whether it is or not is unimportant.

"Devaluation would not hurt a single person within the United States," he declared. "The effect would be felt outside of the country but not here."

Enemark, a member of the U.S. Treasury Department's advisory committee on government securities for the savings and loan business, said there is talk that within five years the dollar will be devaluated, but the action will not be as precipitous as recent devaluation of the British pound and it will not be unilateral.

"It will be done in conjunction with the currency of all other nations," he said.

Describing the current money market "as the most confusing of any period that I can remember," he said this country will have to abandon its "three P" policy of prop up, patch up and piecemeal measures for the economy.

"We must cut down on government spending now — not after the 1968 election — and we must cut it by $8 billion a year. An 8 per cent cut by Congress would just about do it. A token tax cut will put us back to the three Ps."

He said we have "passed the point of no return" in inflation and predicted continued monetary expansion for the next 15 years. But he described the war in Vietnam as the key to our economy problem.

"When it is ended, inflation will be checked," he said. "You will see a temporary rise in unemployment, a 'shock drop' in interest rates, a lessening of profit margins and a resurgence in demand for consumer goods."

Land Parcel Division Is Approved

San Rafael Planning Commission last night approved division of a parcel of land between Grand and Marinita avenues into four residential lots, which will be used for home construction by the Larkins Construction Co.

The planners also approved a child care center which Mary G. Pittman will operate in her home at 136 San Rafael Avenue. The commission gave her permission to care for a maximum of 10 children for a period of one year, at which time the permit will have to be renewed.

Also approved was establishment of an employment agency by Hazel H. Young at 624 E Street.

The San Rafael Planning Commission also:

APARTMENT — Approved architects' sketches for a five-unit apartment to be built at 4 Welch Street.

DENTIST — Gave permission to Dr. Jack Rosenberg to remodel a building at 1118 Irwin Street for a dentist office.

FENCES — Rejected applications for three residential fences, two of which have already been put up by the homeowners. Permission was given Robert Stearns to put up a low rail-type fence at his home at 110 Mountain View Avenue. The other fences were turned down because they were above a three-foot height limitation.

Meeting Canceled

Tiburon Planning Commission's regular meeting scheduled for last night was not held for lack of a quorum, Development Administrator, Phil V. Scott said.

Manacling Of Felons For Court Questioned

It is unjust and demeaning to manacle a man for court appearances just because he is accused of felony crimes, a San Rafael attorney said yesterday.

Municipal Court Judge Hadden W. Roth heard the complaint and promised he will study the need for courtroom handcuffs and set up guidelines for the use of manacles in his court.

Richard H. Breiner of the public defender's office raised the issue when his client, Michael E. Gilliam, 19, of 264 Coleman Drive, San Rafael, was led into court with handcuffs on.

SPECIFIC CHARGES

Gilliam is charged with burglary, concealing stolen property and misdemeanor battery. Sheriff's bailiffs said there is a hold on him for another crime in San Francisco.

Breiner complained Gilliam had to sit in court "like any San Quentin prisoner," though he has been convicted of no crime.

"There is no reason to demean him in this way. The handcuffs are prejudicial to him in the eyes of the court," Breiner said.

Sheriff's bailiffs must show, either through the seriousness of the crime the man is accused of or his behavior in jail, that manacles are necessary, Judge Roth said.

The fact that he is accused of two felonies, not involving violence, and a misdemeanor is not enough, the judge said.

STANDARD PROCEDURE

Bailiffs reported it is standard procedure to bring prisoners with holds from other counties to court in the manacles. Once inside the courtroom, they said, the handcuffs can be removed.

Deputy Dist. Atty. Jerry Herman said the caution seems wise, in light of "numerous escapes in the past few years while prisoners are being led between jail and the courtroom."

Judge Roth said he will consider the subject and give general instructions to the deputies on the question of when handcuffs should be worn in court.

Gilliam pleaded innocent to burgling the car of Arvina Pearl Fraser of 908 Fifth Avenue, San Rafael, Thursday, and concealing an electric typewriter taken from the car.

Preliminary hearing on the charges was set for 8:30 a.m. Friday.

The district attorney said no complaint will be made, pending further investigation, against Neil L. Hoskins, 18, of 362 Irwin Street, San Rafael, and Eric Christiansen, 19-year-old Marine from Camp Pendleton.

They were arrested with Gilliam in San Francisco Friday when they allegedly tried to pawn the typewriter stolen from the car while it was parked on Nye Street, near Mission Avenue, San Rafael.

Dixie Reading Report Is Due

Reading specialists will describe progress of a special district program to Dixie School District trustees at 8 p.m. today in the administration office at 35 Trellis Drive, Terra Linda.

The Miller-Unruh School Finance Act of 1966 provided for specialists to improve the reading level of elementary pupils. Dixie district took advantage of the act and has hired seven specialists. They will outline the strengths and weaknesses of the program.

Jobless Checks Up In December

Unemployment checks issued through the San Rafael office of the California Department of Employment rose to an average of 970 per week last month, compared with 845 a week in November, department spokesmen reported.

Payments last month were down from December 1966, when they averaged 1,500 a week. The drop from last year is due mainly to the lack of rain last month which allowed construction work to continue.

There were 272 persons placed in jobs through the office last month, compared with 356 in November and 342 in December 1966.

Supervisors Delay Probe Hearing On Church Lands

Marin County supervisors will not insist that an official of the First Christian Church of America appear this week in Marin with documents pertaining to the Brazil-Souza Ranch, which is being sought for addition to Mount Tamalpais State Park.

John Filatreau, chairman of the board of trustees of the church, had been subpoenaed to appear before the supervisors tomorrow to answer questions and produce documents. The church owns the property.

Supervisors yesterday agreed to postpone action on the subpoena until Feb. 5. The request for delay came from County Counsel Douglas J. Maloney.

"It appears that the church and the state has reached general agreement as to the value of the property," he said. Pursuing the subpoena at this time may disrupt negotiations and jeopardize chances for accord, Maloney said.

However, William Penn Mott, state parks and recreation director, repeated today that, although the parties were within $38,000 of agreement, the state will not increase its offer of $3,012,000 for the property.

Maloney asked for indefinite delay, but Supervisor Peter H. Behr said he wants to keep Marin's investigation active so that action can be taken if no understanding is reached between the state and the church by February.

Dominican Students To Begin Semester

Undergraduate students at Dominican College of San Rafael will begin spring semester classes tomorrow and graduate classes will start the week of Jan. 22.

Registration for late afternoon and evening classes will be accepted through 5 p.m. today in Room 24 of Guzman Hall.

Rezoning Plan Is Not Opposed

The Loma Verde Homeowners Association has voted not to oppose the Novato Fire District's request for rezoning of a lot it owns in the Ignacio area of Novato, according to Mrs. Evelyn Johnson, recording secretary.

The fire district purchased the acre of land on Entrada Drive and Ignacio Boulevard in 1962 as a site for a fire station. The fire board decided it did not need all of the land, so asked for a rezoning from agricultural to commercial so that it could sell a portion of it. This was denied by the Marin County Planning Commission, but is being appealed by the district.

Nine-Hour Day To End High School Overload?

The San Rafael Board of Education last night looked into longer school days and longer school years to meet high school housing needs.

There was no board action, but there was considerable interest in possibilities other than a third high school.

The discussion was a result of defeat of three bond proposals totaling $10.6 million at the polls last October in the face of increasing enrollment.

IN FUND SQUEEZE

Board members are caught in a squeeze because the two district high schools are expected to reach their combined capacity in 1970-71 school year and there are no funds to start toward a third high school.

Although there was no vote, it appeared the first move would be to switch some students scheduled to attend Terra Linda High School, which is near capacity, to San Rafael High School, where space is available. The board has considered this with some favor before.

This plan would have graduates of Miller Creek School in Lucas Valley and students from the Santa Venetia area, except juniors and seniors, attend San Rafael High School.

Supt. John F. Plank said, however, the board had several ways to meet high school building needs. These include an extended school day and year and flexible scheduling.

NINE-HOUR DAY

One variation could be to have the school day extended from six to nine hours. There would be three-hour segments and students would attend any two segments, he said.

Under this operation, one third of the students would be off campus during each three-hour period, Plank explained.

Another possibility would be to have a 12-month school year with classes on the quarter system, Plank said.

An extended day would provide greater utilization of facilities and reduce the need for capital expenditure, Plank said. The disadvantages would be campus disruption, over-use of specilized classrooms and students without supervision during the day, he noted.

LONGER YEAR

An extended year would provide economy and full building utilization, Plank said. The disadvantages would be disrupted family vacations and wear and tear on the school plant.

One choice would be to have double sessions with half of the students attending from 7 a.m. to noon and the rest from noon to 5 p.m.

There also could be a longer school day, 8 a.m. to 5 p.m. with flexible scheduling so students could take classes at various times, as compared to current block schedules.

OTHER CHOICES

The board had other choices regarding high school housing problems, but they would provide only temporary solutions, Plank reported.

One would be to meet immediate needs by using available elementary bond funds, $428,000, to complete first phase of construction at Glenwood Middle School, and levy a 10-cent over-ride tax in both elementary and high school districts for two years to rehabilitate buildings which don't meet the state's earthquake standards.

Aother would be to reduce the scope of the building program and conduct a "scaled-down" bond election this fall or next spring, a $1.8 million proposal in each district.

A $1.8 million bond issue in the high school district would provide a third high school site, additions to Terra Linda High School and rehabilitation of the San Rafael High School industrial arts, music and carfts buildings and gymnasium, he said.

In the elementary district, $1.8 million in bond funds, plus the available bond funds, would finance completion of the Glenwood Middle School, sixth through eighth grades, Plank reported.

Humphrey Reiterates U.S. Bombing Halt Requirements

TUNIS (AP) — Vice President Hubert H. Humphrey said today the U.S. government is prepared to stop the bombing of North Vietnam "if such action will lead to prompt and productive discussions lending themselves to a final settlement of this conflict."

"This assumes that North Vietnam will reciprocate and stop its bombardment also," the touring vice president told an audience of Tunisian university students.

Humphrey's statement appeared to be a reiteration of requirements previously laid down by Washington for a halt to the bombing of North Vietnam.

By an end to North Vietnamese bombardment, presumably he meant artillery bombardment of U.S. and South Vietnamese posts below the demilitarized zone between North and South Vietnam. North Vietnamese planes have made no bombing raids into South Vietnam or against U.S. ships operating off the coasts of Vietnam.

"We stand ready for an immediate cease-fire, an immediate cessation of hostilities," said Humphrey. "We are ready to reconvene the Geneva conference and we are willing to accept the good offices of any country willing to help this effort.

"We want a peaceful solution, but we will not appease. We will not leave South Vietnam to the mercy of threats from the North or subversive forces from within."

Novato City Seal Design Urged Again

That old bugaboo, the Novato city seal, will not rest. It came up again last night at the council meeting.

Mrs. John Machado of 1424 Dawes Street asked that the seal, officially adopted many years ago, but never used by the city, be put to use.

Since it was adopted, another committee has tried to design an acceptable city seal, but that proposal was tabled.

The council agreed to bring the matter up at the council meeting when all members were present to see what can be done. Councilman William Jack Adams was absent last night.

Magazine Asks Lawsuit Quashed

SAN FRANCISCO (UPI) — Life Magazine asked a federal court yesterday to dismiss a $7 million libel suit filed against it in connection with a recent two-part series on "The Audacious Empire of Organized Crime."

The suit was filed by Joseph Cerrito, 53, a Los Gatos car dealer. His name was not mentioned in the body of the story but the Sept. 1 edition used pictures of individuals, including Cerrito, and identified them as Cosa Nostra (Mafia) "family heads."

In seeking the dismissal, Life argued its story was true and was without malice.

Novato Creates Beautification Advisory Panel

The Novato City Council last night created a seven-man beautification advisory committee, but delayed establishing another panel on underground utilities.

The vote on the beautification committee was 4-0, with William Jack Adams absent. Naming of the committee members was postponed 30 days so the city manager can solicit applications.

The council verbally approved the creation of an underground utilities technical advisory committee. This was done at the request of Pacific Gas and Electric Co.

The committee would be composed of a member each from the PG&E, Western California Telephone Co., Pacific Telephone Co., North Marin County Water District, Novato Sanitary District, city council and city staff.

W. L. Lieb of 1521 Hill Road pointed out that the Novato Fire District has many miles of wires strung on the utility poles for its fire alarm system, and therefore ought to be asked to participate on such a committee.

The council agreed, and postponed action on formation until Jan. 30, pending a reply from the fire district.

The Novato City Council also:

BAY AREA — Voted to recommend that the matter of a Regional Bay Area government be placed on the agenda of the Marin Council of Mayors and Councilmen, and that a committee from that organization work with the Marin County Board of Supervisors to prepare a county wide plan on its ideas of a regional government.

PLANNING — Adopted the proposed changes of John F. Barrows, assistant county administrator, to give the cities more authority in the city-county planning council.

PLAN REVIEW — Reappointed Eugene McGillicuddy, Wayne Hathaway and John Miklos to the plan review committee for the rest of January. Their terms expire annually on Dec. 31. McGillicuddy and Hathaway will accept reappointment, but Miklos did not want to serve another year. The council postponed a closed meeting to replace Miklos and made the temporary appointments.

ELECTION — Set the pay for the election officals for the special Jan. 23 $8 million bond issue at $24 for inspectors and $18 for judges and clerks.

SAN MARIN — Approved an extension agreement for San Marin Unit 8 and the reversion to acreage of San Marin Unit 9 of 44 acres.

EASEMENTS — Approved easements on city land for the Novato Sanitary District and North Marin County Water District to change mains for the realignment of the bridge over Novato Creek at Novato Boulevard.

REFERRAL — Asked other public agencies to refer to the Novato Planning Commission any plans on the location of public buildings, such as the Marin County library.

IMPROVEMENTS — Waived requirements of gutters, curbs and sidewalks for Alfred Bellucci for a lot at the corner of Indian Valley Road and Arthur Street extension. It approved a deferred improvement agreement with Henry L. Hicks for the southeast corner of Tamalpais Avenue and Novato Boulevard.

TRAFFIC — Referred a request by Jerry A. Cannon of 1 Isabella Court for a traffic light at San Marin and San Carlos drives to Lawrence A. Coleman, public works director.

REZONING — Passed an ordinance rezoning from single to multiple residential lots at 1612 and 1616 Center Road for Westwood Homes.

CLAIMS — Denied claims of Vincent A. Cozzi of 2721 Center Road for $25,000 for false arrest on Oct. 6, 1967, and of Albert K. King for storm damage in November and December.

TEEN CLUB — Accepted audit for Soderblom and Co. of the Novato Teen Club funds. It took in $4,138.77, spent $3,052.06 and had a balance of $1,086.71.

BILLS — Paid bills for $71,030 and salaries for $48,944.

ADJOURNED — Adjourned at 12:30 a.m. to Jan. 30 instead of Jan. 23, date of the bond election.

University Fee Hike Proposed

LOS ANGELES (UPI) — Students at the nine campuses of the University of California will pay $156 more to attend classes next year if the special regents committee convinces the full board to approve its reported new fee schedule recommendation.

The full board meets tomorrow on the Berkeley campus.

Under the proposal the committee reportedly recommended that the present student incidental fee be changed to a "university registration fee" and be hiked from $73 to $125.

The committed proposed that $75 of the fee be diverted to finance such student activities as intramural sports and guidance counseling that is now paid by the incidental fee.

High Line Siege Settled Quietly

ROUND MOUNTAIN, (AP)— For $4,000, the United State is at peace with Virgil Gray and a $700-million power line can proceed.

The woodcutter of Round Mountain (Shasta County) signed an agreement yesterday allowing the government to construct a portion of the huge Pacific Northwest-Southwest intertie power network across his small farm.

For two months Gray, dissatisfied with the government's original offer of $1,825 for easement rights to 4½ acres of his property, refused to allow work crews on his 40-acre farm.

Chinese Bomb's Fallout Found

LAS VEGAS (UPI) — U. S. health authorities have recorded radioactive fallout throughout the Western United States resulting from the nuclear bomb exploded in the atmosphere by Red China shortly before Christmas.

A spokesman at the Southwest Radiological Health Laboratory said the fresh fission products were collected from air samples in southern Nevada, southern Utah, southern California and northern Arizona.

A U. S. Public Health Service spokesman said the radioactivity level of the fallout was low and did not constitute a health hazard.

American-Born Queen Expecting

CALCUTTA, India (AP) — King Palden Thondup Namgyal of the Himalayan state of Sikkim said yesterday his American-born wife is expecting his second child within the next two weeks.

The queen is the former Hope Cooke of New York.

Discipline Policy Adopted On Student Drug Problems

The San Rafael Board of Education last night authorized suspension of any student who carries of is under the influence of drugs in school.

Students also could be suspended for bringing such drugs to any school-sponsored event, on school premises or elsewhere.

After suspension, a student would be entitled to a confidential hearing before the board on whether he should be expelled.

Board members also heard a report on the continuation education program, which serves suspended students, drop-outs and others not progressing in the regular high school program.

Nyal D. Worsham, teacher-in-charge,, reported that the program "provides an opportunity for the students who have failed, perhaps the last opportunity in the school system."

There are 35 students enrolled in the program at the Work Study Center, Mission Avenue and Union Street, and it is expanding, Worsham said.

The aim is to have students either return to the regular high schools or graduate from the continuation program, Worsham said.

San Rafael Board Of Education Also:

KINDERGARTEN PROGRAM — Authorized Supt. John F. Plank to hire three or four kindergarten teachers for the remainder of the school year in an experimental program financed by the state to reduce kindergarten workload.

GLENWOOD FILL — Received a report from engineer Roy Hoffman that there probably will be flooding of Main Drive near Glenwood School when there is a combination of heavy rains and high tides. Business Mgr. Charles L. Condrotte said the road in front of Gleenwood School will be reopened for access.

LAND SALE — Approved sale of a surplus parcel at the southwest corner of Third and E streets to A. F. Schmitz, P.O. Box 597, San Rafael, at $40,100. The district's share after payment of real estate commission will be $36,894.

HIRING — Approved hiring of Eden Brennan, intermediate grade teacher, MacPhail School, $5,800 a year; Nick Letsos, intermediate grade teacher, $6,710 a year, and Oliver Lambert, substitute custodian, $2.47 an hour.

RESIGNATIONS — Accepted the resignations of Mrs. Noel Eggers, fourth grade teacher, Glenwood School; Mary Madden, English teacher, San Rafael High School; Mrs. Betty Griffith, bus driver, and Lemuel Stepherson, bus driver.

SABATTICAL LEAVES — Took under study criteria for approving sabattical leaves for teachers, which emphasized benefit of the leave to the school districts.

NEW COURSES — Approved 14 new high school courses for the 1968-69 school year as follows; logic, semantics, advanced placement English, mythology, Italian, future living, a second year course in power mechanics, general physics, psychology, the Negro in America, contemporary Africa, contemporary Russian history, the United States and Latin America, and ceramics.

POLICY REVISIONS — Adopted revisions to board policy including changing the board election dates to coincide with city charter revisions approved by the voters last April.

SCHOOL INFORMATION — Asked staff members to check the possibility of producing some type of publication containing information about San Rafael City Schools to be sent to homes in the elementary and high school districts.

NEXT MEETING — Adjourned until 7:30 p.m. Jan. 23, when board members will tour the shop addition at Davidson Junior High School. The business session will start at 8 p.m. at the Davidson Junior High School library.

Mexico Launches School Via TV

MEXICO CITY (AP) — Mexico is taking a spectacular plunge into educational television.

This week the Ministry of Education put into effect a plan to supplement secondary education in crowded classrooms and, theoretically, make a high school education available to every citizen within eyeshot of a television set.

The classes, broadcast Monday through Saturday from 8 a.m. until 12:30 p.m., are designed to guide pupils through grades 7-9, the prerequisite for passing on to either higher education and state universities or technical schools.

City Objects To Patrol's Plans On 101

The California Highway Patrol wants to stop patrolling Highway 101 in Novato.

The city council does not want it to.

The council received a letter last night from Capt. T. F. Parnow that the highway patrol would stop patrolling 101 from Hill Street to Atherton Avenue, effective June 30.

Councilman Harley McAskill said it was more of a state highway than a city street.

"The state is bound to take care of the traffic," McAskill objected.

Mayor J. Wayne Womack agreed that the majority of the traffic was not local and therefore should not be the responsibility of the city.

"Let them move the highway or patrol it. If it was a bypass they would have to patrol it," McAskill said.

The council voted to write a letter opposing the highway patrol's request.

Dumke Censured By Professors

LOS ANGELES (AP) — State College Chancellor Glen S. Dumke has received a no confidence vote—the second in three years—by the faculty Academic Senate of California State College at Los Angeles.

The resolution yesterday by the 49-member group—which represents 900 professors of the campus—criticized Dumke for being "either unable or unwilling to work in good faith with the state college faculties."

The February 1965 vote criticized his actions preceding a 1.8 per cent faculty pay cut. yesterday's vote was 37-9.

Backyard Forest — $33,950
Kids will love the big trees growing in the backyard of this 3-bedroom, 2-bath, carpeted and beam-ceilinged home that also boasts a picturesque view. Handyman Dad will have fun finishing the extra room for recreation, den, or 4th bedroom, and Mom will love the all-electric kitchen with breakfast bar. Close to schools. SAN RAFAEL.

Rich, Warm Custom Contemporary — $36,500
Open beam ceilings, used brick fireplace, random width oak plank floors, private garden patio, bay view through mature trees. 3 bdrms., 1½ baths, quiet study. Easy commute. MILL VALLEY.

5 Bedrooms — $39,850
Spacious and charming. Ideal for a family who appreciates well executed early American interior decorating, built in 1963. Offered below cost to expedite sale. MILL VALLEY.

Glenwood Custom Design — $49,950
Here's a spacious, contemporary house, custom-crafted for the present owners, featuring beamed ceilings, 2 fireplaces and a terrific view of the bay and Mt. Tam. Three bedrooms, 2 baths, family room — all on a ¾-acre lot in this convenient neighborhood close to everything. SAN RAFAEL.

Divide & Conquer — $59,500
3 potential properties, offered as one at a price established as the value of one. Zoning and lot split ordinances will allow this property totaling 2 acres to be divided into 2 very desirable ½ acre view lots and 1 acre with the existing house and improvements. House is handsomely rustic, has 2 bedrooms, laundry room, kitchen, cheerful breakfast area and a 43' x 22' open beam paneled living-dining room, a fine unimpairable bay view and a level turn-around driveway. CORTE MADERA.

Dominican Brown Shingle — $62,500
Give a cheer, you lovers of old brown shingle houses, because this is a real 24 carat dazzler! Right in the heart of exclusive Dominican, with 3 stories, 6 bedrooms, 5 baths, pool and pool house — large families would be proud to call this HOME. Magnificent dining room — spacious and warm — with fireplace, gracious living with second fireplace, library, and top floor playroom with space for several sets of trains! 11 rooms in all, large corner lot — this is an EXCLUSIVE listing. SAN RAFAEL.

Historical Victorian — $80,000
Built by Lovell White in 1891, this three-story classic was known as the "Arches" situated on 1½ acres in the W. Blithedale area with many redwood trees and nice privacy, this lovely old home with its intricate woodwork and stained glass windows could well be the showplace of Mill Valley again.

Brookdale Farm — $255,000
Here's the country estate of your dreams! Fifteen rooms, 9,000 sq. ft. and 27 acres of choice Napa countryside — all absolute perfection! Solidly built in 1949, the main house has hand-hewn beams, inch and a half-thick flooring, heavy shake roof and 6 fireplaces; and the decorator-owner has made it a showcase for Early American treasures. Six landscaped acres include a pool, family orchard, servants' and caretaker's quarters and 2 guest houses. Twenty additional acres are prime grape land. Below replacement cost. NAPA.

Chateau Montelena — $285,000
Each stone of this fascinating Chateau was imported from Europe in 1880 to build what has to be one of the most unusual properties in the bay area. Originally a winery, the Chateau has been completely modernized with 4,000 of its 18,000 sq. ft. converted in a home of elegant proportions. The 17-acre estate, which includes an aviary and 5-room caretaker's or guest house, overlooks a lake stocked with bass and trout and featuring jewel-like Oriental pavilions which link the small islands in the water. Commanding views of the Napa Valley and Mt. St. Helena surround this lovely estate, in CALISTOGA.

EXECUTIVE CAR '67 BUICK ELECTRA 225 $4395

Here's an almost brand-new Electra 225 4-Dr. hardtop that our sales manager has driven during the past six months.

Astro Blue with contrasting blue custom vinyl top and absolutely all the Buick Electra luxury extras like power steering, power brakes, GM air conditioning, power windows, power seat, rear speaker, w/w tires, tinted glass, rear defroster, tilt steering wheel, trunk release.

Just over 7,000 miles, but this car still carries the new car Buick warranty of 50,000 miles of 5 years, due to the fact that the purchaser will be the first owner of record with General Motors.

Blue book for the used '67 Electra like this one is $4400, but we'll sell this one just like a new '68 off our floor with the full new car guarantee for only $4395.

Auto Club Fights Rapid Transit

LOS ANGELES (AP)—Plans for a $1.5-billion rapid transit system here are supported by Los Angeles County supervisors, but opposed by the Automobile Club of Southern California.

Experts from the auto club attacked the proposed system yesterday, urging that more buses be used to solve transportation problems.

Supervisors approved the County Regional Planning Commission's analysis of the proposed rail and bus network yesterday, calling for some station and route changes.

Forum On Viet War To Resume

The second in a series of programs on Vietnam called "Why We Are Fighting — How We Got Involved" will be presented by the Mill Valley Forum at 8 p.m. Jan. 17 in Mill Valley City Hall.

Supporting United States involvement will be Robert C. MacKenzie, professor of political science at the University of San Francisco and lecturer on Communism for the Armed Forces Information Service, and Richard Lynn, trustee for the World Affairs Council and an economist.

Taking a critical position will be Jeffrey Fried, program coordinator of the International Relations Center at San Francisco State College and instructor of the Vietnam Task Force, and Orville Schell, doctoral candidate in history at the University of California, Berkeley, and co-author of "The China Reader."

Moderator will be Lawrence Jordan, Mill Valley attorney and reviewer of military, historical and legal books for the San Francisco Chronicle.

Playground Plan Given Go-Ahead

Preliminary plans for a children's playground and rest room area at Boyle Park have been approved by the Mill Valley Parks and Recreation Commission after a presentation by consultant Eldon Beck.

The plan will be presented to the planning commission at a joint meeting Jan. 22.

Parks and Recreation Director Dan Dimitratos told the commission Monday that landscaping of median strips on Miller and East Blithedale avenues will cost an etsimated $17,800. The landscaping would be on Miller from Elmonte to Camino Alto, and on the new divided portion of East Blithedale.

The commission opposed the Army Corps of Engineers plan for a concrete box section flood control channel on Arroyo Corte Madera del Presidio, recommending the city council choose a plan "more suitable" to Mill Valley. The commission favored the "linear park" plan developed by 701 study consultants or the proposal to build a lagoon to contain flood waters.

THE REDWOODS

Reagan Aides Hold Firm For Forest Land Trades

By DWAIN HANSON
(Second in a Series)

SAN FRANCISCO (UPI) — Gov. Ronald Reagan's resources chief said today the administration would hold firm to its demand that four companies be given Forest Service land in exchange for land they would lose in the creation of a Redwood National Park.

Norman B. Livermore Jr. called the controversial trade "essential."

CONGRESS ISSUE

The proposed exchange — opposed by the Forest Service and criticized by seven national outdoor groups—may be the major issue when the House begins consideration early this year of a Senate-approved bill to create a 64,000-acre park. The trade stirred the only controversy when the Senate passed the bill in November.

It involves the exchange of 14,567 acres of Forest Service land in California's Del Norte County for about 27,000 acres the companies would give up toward creation of the park. Timber on the federal land is largely virgin, and about 65 per cent is redwood, with douglas fir comprising most of the remainder.

The state has a voice in the park debate because it is being asked to donate three redwood parks—totaling 28,000 acres—as part of the park. Many observers contend the national park plan cannot succeed without the state's blessings.

FIRM THREATENED

Livermore said the land exchange is "extremely important for many reasons." Among them he said, is that a second redwood firm—the Miller - Rellim operation—would be driven out of business if it does not receive timber in exchange for what it would lose.

Another operator, Arcata Redwood Co., said it could not continue in business under terms of the Senate bill, even if the land exchange is approved.

The other two companies that would receive exchange land are Simpson Timber Co. and Georgia-Pacific Corp.

In the compromises required to push the park bill through the Senate, resistance to the exchange that began with stiff opposition from the Johnson administration has dwindled to opposition by one cabinet member, Orville Freeman, whose Agriculture Department oversees the Forest Service.

LBJ SILENT

Since passage of the Senate bill, the Johnson administration has maintained a conciliatory silence, and Interior Secretary Stewart Udall has indicated he may go along with the trade after earlier fighting it.

The Forest Service argues that the exchange would set an undesirable precedent.

Supporters of the exchange contend the result is the same in either case and that the Forest Service's opposition is a jurisdictional dispute with the National Park Service.

The companies that would receive the exchange land said they "strongly support" the exchange provision.

In addition to compensating the companies for loss of timber, the exchange provision was proposed by the Senate Interior Committee to lessen the need for appropriations at a time when dollars for domestic programs are tight.

Committee members Thomas Kuchel, R-Calif., and Henry M. Jackson, D-Wash., estimated the value of the exchange land at $60 million and said the trade would reduce by that amount the need for appropriations upon which the bill places a $100 million limit.

COST CHALLENGED

The $60 million figure is challenged by the Forest Service and some redwood industry officials.

The 14,567 acres of exchange land, incidentally, were purchased by the federal government between 1939 and 1945 for $444,415.

Major groups, other than the Forest Service, that have indicated opposition to the land exchange include the National Wildlife Federation, North American Wildlife Foundation, National Rifle Association, Sport Fishing Institute, Wildlife Management Institute, Izaak Walton League and the American Forestry Association.

The 14,567-acre exchange unit is not a National Forest. It has been managed by the Forest Service as a "purchase unit" from which timber firms—large and small—were buying about 20 million board feet annually.

HOW TO KEEP WELL

By DR. THEODORE R. VAN DELLEN

Since The Time Of Hippocrates, Cure To Baldness Has Been Sought

VAN DELLEN

Hippocrates, the Father of Medicine, was bald. The Greek physician lived three centuries before the birth of Christ and we assume that he tried all the known remedies of his day to grow hair. The situation has not improved since then.

Many fine dermatologists in this country are as bald as a billiard ball. The familiar picture of a baldheaded barber rubbing tonic into the scalp of a man with thinning hair also attests to the fact that there is no good remedy.

WE REFER TO the ordinary type of hereditary baldness. Loss of hair due to ringworm, dandruff, drugs, and alopecia areata is more patchy; recovery is the rule when treated properly. Heredity is the commonest cause of baldness. Fathers transmit the trait to half their sons but rarely to their daughters. Women also pass along this family characteristic, even though they retain their hair. In this respect, a young man can inherit baldness from his mother's side of the family as well as from dad's.

Ordinary baldness cannot be remedied, so save your money. You might, however, buy a wig or submit to a surgical procedure in which tufts of hair are grafted on the bald scalp. This ingenious operation involves removing tiny plugs of the bald scalp and replacing these areas with plugs taken from the fringe of the head. The transplants are inserted along the edge of the thinning area to make the operation less conspicuous.

THE DERMATOLOGIC surgeon must know all about the pattern of baldness that runs in the family. If hair is removed from an area destined to become bald, the transplanted tufts may fall out.

Bald men seem to have an excess of body hair. This observation may be responsible for the interesting but odd theory that when baldness occurs, the hair on the head pushes down through the scalp and comes out on the chest.

(Dr. Van Dellen will answer questions on medical topics if stamped, self-addressed envelope accompanies request to the Independent-Journal.)

HYPERACUTE HEARING

Mrs. T.K. writes: My 2-year-old son always puts his hands over his ears when there is a sharp sound like a dog barking or backfire from a car. Also when I talk to him sharply. Could he be suffering from an ear infection?

REPLY

The majority of children who do this have perfect ears but occasionally their hearing is hyperacute because of obstruction of the eustachian tubes. The dog and the car sounds are difficult to control but, what about you?

VITAMINS AND COLDS

V.V. writes: What vitamin can an adult take to prevent winter colds?

REPLY

Vitamins are not a specific cold preventive. On the other hand, multiple vitamin products help maintain optimum health, which is a good defense against respiratory infections.

ALLERGY AND THE NOSE

Mrs. J. writes: Could an intestinal allergy cause a runny nose?

REPLY

No, but the nasal membranes may be sensitive to the same allergens that disturb the intestinal tract. The effect is comparable to having bronchial asthma and hay fever at the same time.

YAWNING BRINGS TEARS

H.F. writes: Tears come to my eyes when I yawn. Is this an illness?

REPLY

No. The chances are that closing the eyes during the yawn squeezes the tear ducts.

TELEVISION REVIEW

In Depth Reporting Series Announced

By RICK DU BROW

HOLLYWOOD (UPI) — One of the most exciting concepts in the history of network television news programming was announced yesterday by NBC.

The network said that in one year, on Jan. 7, 1969, it would start broadcasting commercial television's first, regularly-scheduled, two-hour, prime-time news series on a monthly basis.

"Aggressive journalism" will characterize the series, said William R. McAndrew, president of NBC News.

NEW ARENA

"We are going to stress investigative reporting," he added, "either of events that have taken place or of the old-fashioned, hard-digging, revelation kind of journalism. And we are going to aim at the uninvolved young of our country — both the young in years and in mind."

The announcement is altogether fascinating for a number of reasons.

To begin with, it is another large step in the elongation of prime time network programming, a trend already marked by the success of movies and lengthy specials.

In addition, it appears, in part, to be one of commercial television's answers to the new "Public Broadcast Laboratory" of national educational video.

The laboratory is a weekly two-hour series — live — which attempts to explore news and cultural developments in depth, and also with an investigative eye at times. It covers, in general, a variety of stories each week.

THE FORMAT

NBC says of its coming series:

"This new effort will bring together investigative reporting units with time to dig into a running story or to go out and uncover a new one. We can — with this unrestricted format — do as little as two stories or as many as a dozen. But, in any case, the story itself will dictate how much time we give it, rather than any so-called format."

CBS/TV had previously announced that it is planning a series of prime time news programs with a magazine-type format. NBC, however, is the first to plan a two-hour series on news.

Another fascinating aspect of the announcement is that the series is tentatively titled "First Tuesday," and will be seen the first Tuesday of each month, starting at 9 p.m. EST.

Unless the network plans a change in scheduling, Tuesday is one of its movie nights, and this series would be shown in the motion picture slot once a month.

In the ever-increasing search for fresh material to fill these two-hour programming spots, this marks the first time that any network apparently plans to use news broadcasts on a regular basis to plug the gap. In the past, inaddition to movies, there have been theatrical specials and original two-hour films.

Lovers' Quarrel Fatal To Mother

OAKLAND (AP)—One woman was killed and her daughter wounded in a shooting that followed an argument between the daughter and her boyfriend, police said.

Dead was Mrs. Lizzie Carroll, 56, of Oakland, who was shot in the face yesterday as she rushed from the kitchen after hearing a shot that wounded her daughter, Evelyn Rigmaiden, 36, in the cheek, officers reported.

Police were hunting the boyfriend for questioning.

China Food Riots

HONG KONG (UPI — Ming Pao newspaper said today more than 200 persons were killed and 40 homes burned in food riots in China's Kiwangtung Province recently. The newspaper said soldiers intervened to stop the disorders in the village of Toishan, 70 miles southwest of Canton.

Rain Forecast For Crosby Pro-Am Golf Clambake

PEBBLE BEACH (AP) — Two young champions making their first appearances in the Bing Crosby Pro-Am Golf Tournament will share the spotlight the next four days with such perennial stars as Jack Nicklaus, Bill Casper and Arnold Palmer.

They are Bob Dickson of Muskogee, Okla., only the third man ever to win the British and U.S. Amateur titles in the same year, and Rick Barry, scoring champion of the National Basketball Association last season.

Dickson is paired with Casper, who is seeking his third Crosby victory and is favored to win or finish high in both the pro and pro-am division. First money is $16,000 and $2,700, respectively.

Barry, who has been shooting in the 70s and low 80s while under a court order not to play with any team except the San Francisco Warriors before his option expires, will pair with young Ray Floyd, former International Jaycee Amateur champion.

The $104,500 tournament, the 27th in Bing's series, pairs 168 pros with 168 amateurs. They will rotate the first three days over three courses: Pebble Beach, Cypress Point and new Spyglass Hill, a Crosby site only a second year. Each is par 72.

Sunday, those who survive the cut will play the final 18 holes over exacting and often windswept Pebble Beach.

Nicklaus will defend the crown he won last year with 284. Casper was runner-up with 289 and Palmer third with 291.

Back to defend their pro-am laurels are the Souchak brothers, Mike and Frank, whose 259 was three shots better than three teams tied for second.

The tournament is the first of the year for most of the leading pros, who glory in the money and prestige of winning here, but often have reason to hate the weather.

The five-day forecast is for possible showers tomorrow and intermittent rain the rest of the week, with temperatures in the 40s and 50s. That's bone-chilling when accompanied by a damp wind. There's a storm moving toward the Moneterey Peninsula from the north.

A gale forced postponement of last year's third round — and cancellation of early scores with half the field in. The Nicklaus triumph came on Monday, a day late, and after Palmer gambled and soared to a nine on the 14th hole.

The tournament is so popular with amateurs that cartoonist Hank Ketchum is flying from Switzerland to play. Ching Chen-po, pro champion of Nationalist China, planned to fly here from Tokyo but failed to get a travel visa.

Crosby received 9,125 applications from amateurs for the tournament and had only 53 places to fill — those who withdrew or were dropped after last year's play.

The amateur field, drawn from business, entertainment and sports worlds, is probably the strongest in the tournament history. Sixty have home club handicaps of six or lower.

Among the amateurs are John Miller, low amateur in the U.S. pia Club in 1966; Harvie Ward, two-time former U.S. Amateur champion; Mark McCormick, who pairs with Palmer, and Robert Hoag, who pairs with Nicklaus.

Marin Tars Edge Santa Rosa Bear Cubs, 64-62

JIM GILMARTIN

A Very Good Year For Richard Read

OH, BOY! — Richard Read, College of Marin's personable football coach, may have thought he was dreaming the impossible dream when he told friends some time ago: "My big ambition is to win a championship and have a son."

Such a parlay sounded beyond reach at the time because Read had never won a title at Marin and in three previous trips to the hospital heirport he was presented with heiresses.

DICK READ

Well, as the song goes, it was a VERY good year. Read's Tars not only swept to the 1967 Golden Valley Conference championship but on Saturday, Dec. 30, Barbara Read presented him with a nine-pound, nine-ounce baby son, Robert Gene, at Marin General Hospital.

A typical coach, Read described his heir: "He's big and strong has good hands and big feet. I'm already looking ahead to the 1987 season."

Master Robert Gene is something special in the Read clan. His uncle Len, an assistant coach at Santa Rosa J. C., is the father of five daughters. His other uncle, Don, backfield coach at Humboldt State College, has a daughter and one son.

Thus, of the coaching brothers' 11 offspring, only two can qualify for football.

But, man, what a pom-pom team!

Bruins Knock L Out Of Everybody

THE L, YOU SAY — Top scorers for UCLA's fantastic basketball team are: Lew Alcindor, Lucius Allan, Mike Lynn and Lynn Shackelford. In short, those Bruins just knock the L out of everybody.

FOR THE RECORD — San Francisco State's basketball teams have experienced their greatest and worst performances right here in Marin County.

For example, in 1950 S.F. scored the greatest victory in the school's history, a 117-33 romp over San Quentin Prison. In that game the S.F. Gators scored only one foul throw but 58 field goals against the inmates — both school record figures for lows and highs.

On the other hand, S.F.'s worst performance was against Marin Junior College in 1932 when the Staters scored an all-time low of 12 points.

Which goes to prove, I guess, that they either make you or break you in this Bounty County of Marvelous Marin.

Chain Gets Longer And Longer

LINKS CHAIN — National Golf Courses, Inc., a chain in which San Geronimo and Sonoma facilities are major links, is growing by leaps and outta bounds.

The recent addition of two Southern California courses — Pomona and Ontario — brings to seven the National company's number of clubs on the West Coast. The others are Corona, also in Southern Cal, and two in Portland.

Tom McHugh, "charter" pro at the two-year-old San Geronimo National, transferred to Pomona National on Jan. 1 and has been succeeded here by his former assistant, Mike Rawitzer.

National courses are semi-private.

Pistons Wallop Warriors

OAKLAND (AP) — The San Francisco Warriors, beaten by the Detroit Pistons 118-102 last night at the Oakland Arena, are now a game and a half off the pace in defense of their National Basketball Association Western Division title.

The Warriors, who meet the New York Knicks here Friday night, managed a 24 - 20 first quarter margin over the Pistons. After that Detroit, led by guard Dave Bing's 33 points, produced such speed San Francisco was never again in the game.

In the second period, Detroit broke a 32-32 tie with 17 points to the Warriors 16. By halftime the Pistons had raced to a 64-49 lead.

The Warriors hit only 41 out of 123 for a 33 per cent average. Detroit ran up a 47 per cent average.

Redwood Quint Tips San Rafael

A little man — Darryl Ravani — and a big one — Tom Seidenberg — led the Redwood High Giants to their second Marin County Athletic League win without a loss and the league lead yesterday, as the Giants downed San Rafael 55-50 at Redwood.

Ravani had 10 points and 11 rebounds, Seidenberg 9 points and 12 rebounds as Redwood took a nine-point edge into the last period and nearly lost it in what Redwood mentor Dick Hart called a "sloppily played game on both sides."

Ray Taylor with 15 and Roger Thomas with 16 bore most of the scoring load for San Rafael.

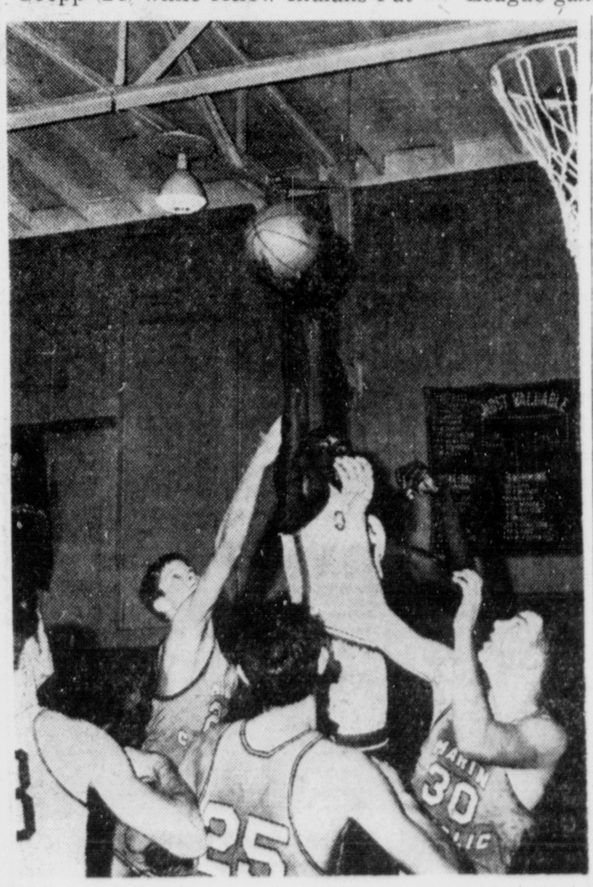
CUT OFF—Ron Blasingame of Tamalpais can't see his way past Marin Catholic's Ches Bornia (25) and Art Goepp (24) while fellow Indians Pat Schafer (23) and Floyd Jackson (11) watch anxiously in the third quarter of the Marin County Athletic League game yesterday.



UP AND AWAY—Tamalpais forward Floyd Jackson goes high for a shot in the middle of a nest of Marin Catholic defenders. Unable to reach the high-flying Jackson are Wildcats Paul McCarthy (30), Ches Bornia (25) and Rick Garms while Tam's Pat Schafer (23) watches.

Trio Leads Tamalpais To Victory

Three little Indians — no, scratch that — three big Indians led Tamalpais High School to an impressive 62-43 basketball triumph over game but outmanned Marin Catholic at Mill Valley yesterday afternoon.

That potent trio was comprised of center Pat Schafer, guard Leroy Barrow and guard Floyd Jackson, each an admirable ballplayer. The Magnificent Threesome is good enough to win over teams with better depth, but lacking in individual stars — a fair description of Marin Catholic.

Jackson, a frail but graceful sharpshooter with a jump shot that is a joy to behold, led the scoring with 18 points, in addition to some adept passing and rebounding. Schafer hauled down a total of 24 rebounds to deny the Wildcats any second shots, while Jackson soared for 11 rebounds, as did forward Ron Small.

Barrow scored 8 points — but his defense and ball handling were the big things.

For the cold-shooting 'Cats, the top men were forward Paul McCarthy, who led the scoring with 15 points, and center Ches Bornia, who hit five fielders for 10 points.

PACKERS FAVORED By 13½ POINTS

LAS VEGAS, Nev. (AP)— Oddsmakers quoted the Green Bay Packers yesterday as a 13½-point favorite over the Oakland Raiders in the Super Bowl.

The Packers of the National Football League and the Raiders of American Football League clash Sunday in Miami.

Nancy Greene Of Canada Wins Giant Slalom Event

GRINDELWALD, Switzerland (AP) — Nancy Greene of Canada, the world cup holder, scored her first big victory of the ski season in the opening giant slalom of the Ladies International Alpine Ski meeting today.

She clocked 1:23.29 for the 1,230-meter course which dropped 310 meters through 53 gates, decisively beating Marielle Goitschel of France who was timed in 1:23.89. Fernande Bochatay of Switzerland was third in 1:24.14.

Kiki Cutter, an American junior virtually unknown in Europe, created a minor sensation by placing seventh despite having started number 34.

The 18-year-old student from Bend, Ore., was one of three young hopefuls brought to Europe after Christmas by U.S. team manager Bob Beattie. This was only her second European race.

Another one of the three, 16-year-old Judy Nagel of Enumclaw, Wash., also turned in a fine performance to take 14th spot in 1:27.54. Sandra Shellworth, 23, of Boise, Idaho, who is still recovering from a twice broken leg, was 19th in 1:28.56.

Mariner Quint Continues Jinx

By KIMO CAMPBELL

College of Marin Tars survived a cold first half and a tense last half to achieve a narrow 64-62 basketball victory over arch rival Santa Rosa in the Bear Cubs' lair last night.

The triumph preserved a happy jinx—Marin has not lost to Santa Rosa J.C. in Santa Rosa since 1958, a full decade ago.

Two Tar regulars missed the game — forward Tom Hernberger, who is out with the flu, and guard Andre Horn. Horn, who was expected to be out two to three weeks, has added mononucleosis to pneumonia and is out for the season.

Marin trailed by 10-12 points much of the first half, came back to lead 29-27 at the half, were tied at 31-31, and then ran off eight straight points while taking a 10-point lead with 12 minutes left.

FINAL SPURT

Santa Rosa whittled the lead to one point but couldn't get the go-ahead basket and a fielder by Chip Tyson and a brace of free throws by Tom Stetson put the Mariners too far in front to be caught in the last few seconds, as Santa Rosa scored a lame-duck basket with 15 seconds left.

Stetson led the Tars in both scoring, with 21 points, and rebounding, with 10. Center Keith Kornelis had 15 points, and guard Russ Williams, 10. Russ also did a creditable job on Santa Rosa's Rochelle Collins, a jumping, driving dervish who scored 12 points in the first half — but only half as many in the second, when Williams took him on man-to-man.

Coach Cal Riemcke was "pleased with the way the team played — with Herrnberger out — Chip Tyson took his place and did a fine job."

RUBBER GAMES

Not to mention a sore subject, but the Tars lost another coin flip. The Western Division Golden Valley Conference schedule was to have Marin, Napa and Santa Rosa play three games against each other — one at each team's home court, one on a neutral floor. But since a Napa-SRJC game in Marin or a Marin-Napa clash in Santa Rosa might be played to an empty gym, the decision was changed and a coin flip was decided to determine on which court the Marin-Santa Rosa rubber game would be played. Marin lost. Or did they? Not since 1958? Maybe we could move the Santa Rosa gym to Kentfield?

Seals Hockeymen To Host St. Louis

OAKLAND (AP) — The Oakland Seals, finally breaking out of an 11-game losing slump that began more than a month ago, hope to continue their "streak" tonight at 8 o'clock against St. Louis in the Oakland Arena.

The streak consists of a tie with the Minnesota North Stars and a victory over second place Los Angeles, both achieved last weekend on home ice after a disastrous road trip.

Novato Five Stuns Drake In Big Upset

Up Novato way, where they raise rugged football players and championship baseball, wrestling and golf teams, the folks had reason to celebrate today for the Novato High BASKETBALL team.

Looking back over Marin County Athletic League records the North Marin boys never seemed to have a hankering for the round ball sport. Last season, for example, the Novato Hornets won two whole games and that was a lot.

But that times have changed was exhibited late yesterday afternoon in San Anselmo where Coach Bill Aires' Hornets upset two-time defending champion Drake with ridiculous ease, 59-41.

And get this: It was Novato's first varsity basketball victory over Drake in the history of their MCAL rivalry, dating back to 1959.

With Ed Herrnberger, Steve McNally and Bob Anderson carrying the hot hands, the Hornets jumped off to an early lead and never looked back. Oh, Drake pulled to within a 19-21 deficit at the start of the third period, but Herrnberger and guard Bob Tait sparked a rally that saw the Hornets win going away with a 27-17 fourth quarter blast.

Novato hit on 39 per cent of its field goal attempts (19 for 48) while Drake was held to a cool 27 per cent (13 x 49).

Terra Linda Wins Non-League Tilt

Terra Linda High School's basketball team took time out from Marin County Athletic League warfare to give Piner a 62-34 licking on the losers' court yesterday.

The Trojans, although still playing without injured star guard John Thibodeaoux, jumped off to a 26-15 halftime lead and were never headed.

Oakland A's Get First Pick In Jan. 27 Baseball Draft

COMBINED AP & UPI

NEW YORK (UPI)—The Oakland AThletics, last and least among major league baseball franchises, will lead off the annual winter free agent draft on Saturday, Jan. 27.

The A's, who finished in the American League basement in 1967 and then shifted their base of operations from Kansas City, will get the dubious distinction of having the initial choice in the regular phase of the draft, which will begin at 10 a.m. EST, according to Commissioner William D. Eckert.

The New York Mets, who finished last in the National League, will pick second and then the leagues will alternate in reverse order of their standings.

The regular phase of the draft will cover high school graduates and college players who have finished their fourth year of school. This will be followed by a special phase which deals with the re-drafting of players named earlier but unsigned.

SPORTS SHORTS

BASKETBALL

EVANSVILLE, Ind. — The Chicago Bulls of the National Basketball Association traded center-forward Erwin Mueller to Los Angeles for Jim Barnes and a high draft choice.

NEW YORK — Don Kojis of the San Diego Rockets and Archie Clark of the Los Angeles Lakers were added to the Western Division team for the 18th annual National Basketball Association All-Star game.

FOOTBALL

CLEVELAND — Linebacker John Brewer of the Cleveland Browns retired from the National Football League team to give full time to his insurance business.

LOS ANGELES — Split end Jack Snow of the Los Angeles Rams will miss the Pro Bowl game Jan. 21 because of a fractured bone in his right ankle, the Rams said yesterday. A Rams spokesman said Snow, 24, suffered the fracture during the Playoff Bowl game Sunday against Cleveland at Miami.

HOLLYWOOD, Fla. — The American Football Legue Players Association voted to ask for federal certification of the association as the official representative of the league's players.

TENNIS

HOBART, Tasmania — Billie Jean King of Long Beach, Calif., beat Ada Bakker of the Netherlands 6-1, 8-6, and downed Indonesia's Lany Kaligis 6-1, 6-2 in the Tasmanian Tennis Championships.

HOCKEY

DETROIT — The Detroit Red Wings of the National Hockey League acquired Kent Douglas from the Oakland Seals for defenseman Bert Marshall, center Ted Hampson and minor league wingman John Brenneman.

NEW YORK — The U.S. Lawn Tennis Association joined with Sweden and asked for a special meeting of the international federation in hopes of finding a solution to the open tournament problem.

SKIING

NEW YORK — Willy Schaffler of the University of Wyoming were named coaches of the U.S. skiing team for the Winter Student Games at Innsbruck, Austria, Jan. 21-28.

ARCADIA, Calif. — Amerigo Lady, $14.20, rallied in the final furlong and beat Amerigo's Fancy in the Santa Monica Handicap at Santa Anita.

BASEBALL

OAKLAND — Vice President Joe DiMaggio is going to spring training camp with the Oakland Athletics at Bradenton, Fla. Manager Bob Kennedy said today Joe will be one of nine aides who will attend staff orientation sessions in Bradenton Feb. 21-22.

NEW YORK — Shortstop Bud Harrelson of the New York Mets has signed his 1968 baseball contract, it was announced yesterday. Harrelson said he received more than a 100 per cent boost over the terms he signed for before the start of last season.

Redwood Bees Win Again

Redwood High School's Class "B" basketball team keeps rolling along.

The little Giants made it two in a row in Main County Athletic League competition and 12-1 on the season by ripping the San Rafael Bees, 63-43, for their second straight 20-point victory in league play.

They topped Novato's Bees last week, 60-40.

Kent Scov and Art Carewe combined for 38 points, with Carewe dumping in 23 points. Bruce Nave was high for the losers with 19 points.

The Tamalpais Bees won their first outing, nipping Marin Catholic, 57-49, behind Steve O'Brien's 13 points and Drake's "B" team evened its record at 1-1 by nicking Novato, 42-36.

NCAA Approves Injury Study Plan

NEW YORK (AP) — Proposals to study and try to eliminate head and neck injuries in college football have been approved at the annual convention of the National Collegiate Athletic Association.

Carl Blyth of the NCAA's joint commission on competitive safeguards and medical aspects of sports announced yesterday that two studies would be made in the coming year.

The possibility of refining the football helmet to "insure the ultimate protection of football players" will be undertaken at the University of Michigan, Blyth said. Recommendations are also to be made of techniques to reduce head and spinal injuries.

A study at Maryville, Tenn., College will be undertaken to evaluate the neck collar currently in use in college football to see if it is doing the job it is supposed to, Blyth said. To date, he added, no research has been made in that area.

In other action taken at the convention, Abe Martin, former head coach and now athletic director at Texas Christian, was named winner of the Amos Alonzo Stagg award for service to football by the trustees of the American Football Coaches Association.

Also on the award front, former Massachusetts Senator Leverett Saltonstall was given the Theodore Roosevelt Award at the NCAA's annual honors award luncheon.

Another voice was added to the chorus taking part in the controversy between the NCAA and the Amateur Athletic Union over the control of amateur track. This time it was Theodore Kheel, chairman of the federal panel trying to solve the problem.

Kheel promised that the long-awaited decision of the panel would be made soon and "we expect the principals to be morally bound to abide by the decision."

Kheel indicated the ruling would come before the meet of the U.S. Track and Field Federation, scheduled for Feb. 9 at Madison Square Garden.

The federation will not ask the AAU to sanction its meet and college athletes who compete in it against open athletes could lose their AAU-given eligibility to compete in international meets.

Raider Defensive Backs Discuss Size, Speed Of Dowler And Dale

MIAMI, Fla. (AP) — Lonely Willie Brown figures to have plenty of company in Oakland's defensive secondary once Green Bay quarterback Bart Starr goes to work in Sunday's Super Bowl game.

But Starr won't throw aimlessly with Brown and Kent McCloughan manning Oakland's cornerback slots.

QUICKNESS

"Their defensive films indicate great over-all quickness," said Starr yesterday as the National Football League champion Packers settled down to serious work for Sunday's big one against the Raiders, champions in the American Football League.

"They have quick tackles, linebackers and backs," Starr continued. "They seem to work very well as an 11-man unit."

If Starr admires the Raider defenders, they're quick to return the compliment.

"The biggest thing about the Green Bay receivers is the very good timing they have with the quarterback," said Brown. "Starr seems to throw on the break. He seems to know when they're going to break."

MAN-TO-MAN

How then, do the Raiders plan self and McCloughan, "that play it strictly man-to-man without much help. Sometimes you feel pretty lonesome out there."

McCloughan is impressed by the size of Green Bay's primary receivers, Boyd Dowler and Carroll Dale.

"Both of them are bigger men than we are used to," he said. "I've never played against any that big. They have the size of tight ends, but they have better speed than tight end speed."

Dale is 6-foot-2, 200 pounds and Dowler 6-foot-5, 225.

SWITCHES

Dale, who often switches sides when he lines up, will be running patterns on both sides of the field and facing both Brown and McCloughan.

"They certainly are not patsies," he said. "Both of them have made the All-League team in the past and it looks to me like they are mighty quick. Oakland seems to mix things pretty well on defense. Sometimes man-for-man, sometimes combination, sometimes tight, sometimes loose."

Jimmy Lester Takes On Moore

OAKLAND (AP) — Jimmy Lester, an explosive fist looking for a chin to land on, makes his 168 debut tonight in a 10-round middle-weight fight against Carl Moore at the Oakland Auditorium.

Lester, who fought eight times last year, said he intends to fight once a month in '68. He is starting against a former conqueror. Moore, Arizona middleweight champion, from Phoenix, defeated him at Las Vegas, Nev. The card features another 10-rounder, Hank Casey of San Francisco against Lloyd Featherman of Phoenix. They're heavyweights.

Lester's record is 29-7-1 including 24 knockouts.
to defend against Starr's passes?

"At Oakland we play it man-to-man," said Brown.

"I think we're the only two in either league," he said of him-

Bowling Rarity: Consecutive 300s

COSTA MESA (AP) — Two consecutive perfect bowling scores, a rarity in bowling annals, have been reported.

Dick Stoeffler, 41, general manager of Kona Lanes, bowled two 300s during a three-game league series last Thursday.

He scored 225 on the first, ending that game with a strike, and with his two perfect games had 25 strikes in a row.

American Bowling Congress records show three others have bowled two consecutive perfect games since 1895.

Stoeffler, a bowler since 1944, said he has never had a sanctioned 300 game before, but he has bowled 299 four times.

Tam Wrestlers Win Over SRMA Cadets

Tamalpais High's Varsity wrestling team easily downed San Rafael Military Academy 33-11 yesterday afternoon at Tam.

Winners were: 95's — Larry Castano (T) decision. 112's — Pierce (MA) decision. 120's — Lock (T) decision. 127's — Mike Castano (T) pin. 133's — Tam by forfeit. 138's — tie, Turnzing (T) and Holt (MA). 145's — Grayson (T) pin. 154's — Brown (T) decision. 165's — Kewell (MA) decision. 175's — Fowler (T) pin. 191's — D. Hector (T) pin. Unlimited — Hildreth (T) pin.

BOATING

By STAN DAVIES

Getting The Best Out Of Your Equipment

Boat owners, even those who have been around the water for a long time, are always looking information on how to get the best out of their equipment. The newcomer to the sport wants to know where he can get the information and experience to make him an expert.

It boils down to this: The avid boater, either pro or tyro, is usually a man thirsting after knowledge — as some of the questions I've been asked over the past season indicate:

Q. Do the "Rules of the Road" apply on water, too?

A. The expression "Rules of the Road" doesn't mean a highway law or traffic regulation. It's a term common in the U.S. (and all English language countries) and means the rules which apply to all vessels to avoid collisions. The simplest is that, when two vessels are approaching, each turns to the right. Please get a copy of the "Coast Guard Boating Guide"; it explains all.

Q. Is there a speed limit on the water?

A. In many places, such as harbor entrances, canals etc., there is a speed limit. Often it's 5 or 6 mph. It's usually posted in plain sight. In other places, you can go as fast as you like. But if, by going fast, your boat's wake causes damage, you are responsible and may be sued. Another speed limiting sign often seen is one which says "No Wake."

Q. How do you "shake" weeds?

A. Reverse the propeller and accelerate briefly.

Q. Is it the law that you must keep your hands on the tiller or steering wheel at all times?

A. No. The law doesn't say this. However, if you get into an accident while you leave the tiller unattended, you might be charged with reckless or negligent operation. And it doesn't seem too hard to prove, does it?

Q. What's the difference between a knot, a hitch and a bend?

A. This answer can lead to arguments . . . but I'll quote a consensus of authorities. A "knot" is a kind of over-all term to cover most kinds of rope fastening; a "hitch" is a kind of knot which tends to jam tighter under tension but is easy to undo when the stress is off; a "bend" is any knot used to fasten two ropes together, or to secure a rope to an eye or spar. So you can see they have all come to mean almost the same thing.

Q. How can you recognize a sailboat at night by its lights?

A. From a position ahead of the sailboat, it's easy. A boat under sail alone is not required to show a white light forward. If you can see a white light and a red or green navigation light, it's almost certain the boat is under power. For the full story on lights, send for the "Coast Guard Boating Guide" (booklet CG-340), 45 cents, from Supt. of Documents, Washington, D. C. 20402.

Q. I'll have three children aboard for four days. How about that?

A. Give 'em jobs to do. You'll find children sustain an interest in boating or cruising if they have responsibilities. A few things they might do: Coil lines, handle the anchor, navigate, be lookouts, handle the wheel, make sure the fenders are down for docking and in the boat for running. A good idea is to make a list of chores. They'll love it.

Q. Who invented water skis?

A. The first patent for water skis was granted in 1924 to Fred Waller, the man who invented Cinerama. But there's a legend that they were first used a couple of years before that by French Alpine soldiers, summering on the Mediterranean. They used their snow ski, then modified them for use on water.

Q. Do weeds hurt an outboard motor?

A. Generally speaking, no, unless they cause the motor to vibrate. Then, if it's run for any length of time, the vibration might harm the boat.

Horse Race Board Still Has Problem

LOS ANGELES (AP)—Members of the California Horse Racing Board woke up today with the same monumental headache they've suffered with for seven months.

The problem: allocation of racing dates for tracks—the big ones and the fairs—in Northern California.

The board, in another day-long session yesterday, stood pat on its 1968 slate in Southern California, with one minor revision granted.

But it had to take under submission the problems in the north. The board must await an opinion from the attorney general on the legality of granting separate dates to Tanforan and Golden Gate Fields. The question involved is whether they are two or, in effect, one racing association.

Another snarl came when the board received a lengthy report from the Capitol Turf Club of Sacramento whose request for dates for thoroughbred racing would overlap Tanforan. The board had not had time to study the new information pertaining to Capitol's proposed meeting at the new Sacramento State Fair and Exposition track.

Also involved in the hassle are such fair meetings as the San Joaquin County affair at Stockton and the San Mateo County Fair at San Mateo.

Chairman Edgar A. Hills and board members Louis H. Kornik and J. R. Fluor indicated a special meeting may be held at a date to be decided upon, or at a regular meeting in February.

Los Alamitos' quarterhorse meeting, as requested by Frank Vessels, Jr., was granted new dates of July 23-Sept. 9 and Oct. 1-Nov. 11. The previous dates were July 23-Sept. 12 and Oct. 1-Nov. 11.

Left intact were the Santa Anita dates, whose meeting ends April 6; Hollywood Park, April 9-July 22, and Del Mar, July 24-Sept. 11.

A Helping Hand For Olympians

NEW YORK (UPI)—American athletes are getting a helping hand on the long road to the 1968 Olympics from 1,100 coin collection cans on display from coast to coast.

The containers are being used for voluntary contributions to the Olympic fund at more than 800 Howard Johnson's restaurants and more than 300 motor lodges from Maine to California. Contributions will be accepted at these locations up to Oct. 31 and the money collected will be turned over to the U.S. Olympic Committee to help send U.S. athletes to the winter games in Grenoble, France, next February and to Mexico City for the summer games next October.

BOWLING TIPS

By DON CARTER

Once a bowler comes to a complete stop, it is difficult for him to get moving again in a smooth fashion. As you stand at address, make it a habit to move the ball around very slightly before you start the lift and pushaway. This will keep you loose and ready to go into action.

Eastern ABA All-Stars Top Westerners, 126-120

INDIANAPOLIS, Ind. (AP) — Big Mel Daniels, his Minnesota teammate Don Freeman and hometown favorite Louie Dampier generated the East rebounding and scoring punch right on cue.

The result was a 126-120 victory over the West in the first American Basketball Association All-Star game last night. A crowd of 10,872 watched the game which was televised to the league's other 10 cities and Los Angeles and New York.

Daniels, who scored only eight points the first half, came back with 14 in the second half—including three baskets and two free throws in the last 3½ minutes. He also grabbed 15 rebounds, a category in which he leads the ABA.

Freeman hit four points and Dampier, a Kentucky Colonel, had two in that final charge. Freeman finished with 20 points, and Dampier 18.

Three members of the New Orleans Buccaneers played key roles in leading an unsuccessful rally in the fourth quarter.

Larry Brown, 5-foot-9, and James Jones scored all of the West's last 17 points.

Brown, the league's smallest player who was named to the West team as a substitute for Army-bound Bob Verga, was named the game's Most Valuable Player. He scored 17 points, tying for team top honors with New Orleans' teammate Doug Moe.

Redwood Cagers Have Fine Day

Redwood High made a complete day of it against San Rafael, taking the junior varsity and frosh cage contests in addition to winning the varsity and Class B Games.

The Redwood Jayvees won, 42-39, with Larry Pelzer scoring 15 points and the Giants' frosh team downed the San Rafael frosh, 48-41 behind Scott Miller's 10 points.

HOW TO PLAY

WINNING BRIDGE

By ALFRED SHEINWOLD

Bidding Five On Major Suit Can Invite Slam, But Also Pitfalls

Bidding five of a major suit is one way to invite a slam, but it gets you up to a dangerous level. You can't always be sure of scrambling to safety with a combination of good luck and good play, as Harold Ogust did in the recent national tournament in New Orleans.

'VERY SMUG'

East won the first trick with the ace of clubs and returned a diamond, feeling very smug about his two "sure" trump tricks. East kept a good poker face, but his play was a trifle revealing.

With a singleton in the dummy East's normal return was a trump. The fact that East had not returned a trump was an indication (although not a sure proof) that East had the king of spades.

Declarer was therefore in no hurry to get to his hand by way of a club ruff to take a trump finesse.

RUFFS HEART

Instead Ogust cashed the top hearts and ruffed a heart with the eight of spades. West discarded a diamond, and South had the bad news about the trumps. If West couldn't overruff, East surely had the K-J-10 of spades.

Ogust cashed the king of diamonds, ruffed a diamond with dummy's low trump and ruffed another heart with the nine of spades. Declarer next led a club to dummy's queen and ruffed a club in his hand.

ONLY THREE CARDS

By this time only three cards were left in each hand. East was reduced to his three trumps. When South led a diamond and discarded from the dummy, East was obliged to ruff. Then East had to lead from his K-J of trumps, giving dummy the last two tricks by way of a free finesse.

You can well afford to bid five of your partner's suit if you can rely on him to play the cards this well. Otherwise, jump to four spades with this kind of hand on the theory that any jump after an opening two-bid is a mild slam invitation.

What do you say?

ANSWER: Bid two hearts (forcing to game).

If you use "weak two-bids," open with two clubs to show game-forcing strength.

Road Costs Up

AUSTIN, Tex. (UPI)—The first road construction in Texas supervised by the Texas Highway Department was a 20-mile section on which the work cost approximately $1 per running foot. It costs more than that today to mow the grass along the right of way of Texas highways.

ALMANAC

Today is Wednesday, Jan. 10, the 10th day of 1968 with 356 to follow.

The moon is between its first quarter and full stage. The morning star is Venus. The evening stars are Mars, Saturn and Jupiter.

On this day in history:

In 1870, John D. Rockefeller incorporated the Standard Oil Co. in Cleveland with a capital of $1 million.

In 1916, Mexican revolutionary leader Pancho Villa killed 18 American mining engineers after taking them from a train in Santa Ysabel, Mexico.

In 1946, delegates from 51 nations convened in London for the first session of the U.N. General Assembly.

In 1966, Indian Prime Minister Lal Bahadur Shastri died at the age of 61. Death came only hours after he had signed a peace treaty with Pakistan over a border dispute.

A thought for the day: British author Martin Farquhar Tupper once said: "Well timed silence hath more eloquence than speech."

TIME AND TIDE

Department of Commerce, United States Coast Geodetic Survey. Times and heights of tides at San Francisco (Golden Gate):

The column of heights gives the elevation in feet of each tide above or below the plane of Coast Survey chart soundings. The depths are always additive to the chart depths unless preceded by a minus sign (-), when the numbers are subtracted from the depth given in the chart. New Car Wash Will Feature Trading Stamps, Fast Drying

At the right location, a self-service car wash these days is a profitable operation.

A new one — **Fourth Street Car Wash** — is now under construction at 1532 Fourth Street, San Rafael and will open about the middle of February.

Donald K. Sherwood and six other investors have formed a partnership known as Marin Associates for this project. They have purchased the Fourth Street property and Sherwood will be managing partner.

It will be a combination of coin-operated self-service and a fully automatic system supplied by Western Associates Vend-A-Wash of San Rafael. Hageman-Thomas-Eklund designed it and Cowley-Hoffman is the general contractor. Two new features will be introduced: Trading stamps will be dispensed automatically from the coin receptacle mechanism with every wash, and an "air chamois" process will dry the car in 30 seconds.

Sherwood, with offices at 817 D Street, San Rafael, is a principal in the recently established Mobile Brake of Marin, and owner of the Fairfax-San Anselmo Car Wash and the Woodland Avenue Launderette.

A COURSE IN computer programming that usually costs money is offered free by **National Cash Register Co.**

Although it was developed specifically to train programmers for NCR's Series 500 computer system, the course serves as a basis for understanding electronic data processing in general.

The nine weeks course will have classes for three hours two nights each week and Saturday morning beginning Feb. 6. Early signups are advised; **R. J. (Dick) Rice** will be away from the Marin NCR office until Jan. 24, and inquiries about enrollment should be made with **W. C. Jahn** at National Cash Register Co., 2999 Cleveland Avenue, Santa Rosa.

Hamilton

DeWilde

TWO MARIN MEN have received important executive appointments at **Blake, Moffitt and Towne** — recently acquired by Saxon Paper Corp. from Kimberly-Clark Corp.

Noble Hamilton Jr. of Ross has been made marketing vice president for printing papers. **Robert N. DeWilde** of Kent Woodlands has been appointed marketing vice president for industrial papers.

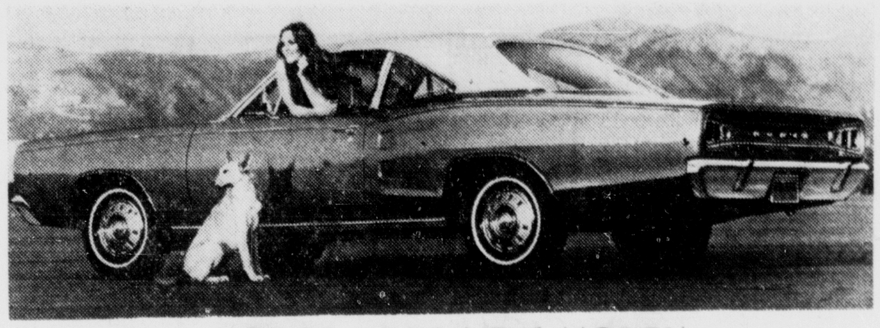
SORRY — names of four directors were omitted in the recent announcement of last night's installation of officers and directors of the **Marin County Real Estate Board.** These are **Jerry Newbauer, Bruce Risley, Donald A. Beacock** and **William Bush.**

THE STATE'S real estate salesman's license examination was changed effective Jan. 1 to allow all machine scoring, according to **Edward P. Sabo,** manager of the San Rafael branch of **Anthony Schools,** and active with Redwood Realtors.

Previous exams permitted some written answers; the new procedure allows only one right answer, requiring a more detailed understanding of real estate legal and regulatory terminology. Sabo notes that the state will fail a predetermined number of examinees — probably 40 per cent.

Examinees no longer need a sponsoring broker — they may first take the examination and then make arrangements with a broker.

Anthony School's San Rafael branch has recently moved from downtown to larger quarters at 4280 Redwood Highway (on the east frontage road).



DODGE ADDS NEW MODEL

A Coronet 440 two-door coupe, with the higher styled trim of the 440 series has been introduced by Dodge Motor Co. The coupe features a hardtop roof line with optional vinyl roofs in white, black or green.

A 225 cubic-inch, 135-horsepower slant six in the standard six cylinder engine. Standard V-8 is the 318-cubic inch, 230-horsepower engine. Carrs will be on sale in Marin at Marin Dodge, San Rafael, and Nave Dodge, Novato.

Alabama Good For Industry

MONTGOMERY, Ala. (UPI) —A survey by a commercial barge firm shows Alabama has more industrial sites available on its inland waterways than any other state.

A catalogue published by American Commercial Lines said there are 31 potential industrial sites on Alabama's waterways, ranging from 4.5 to 7,400 acres in size. Gov. Lurleen Wallace said she expects the sites to be fully utilized as Alabama continues its river development program.

Top Issues Mart's Only Bright Spot

NEW YORK (AP)—The stock market closed mixed today. Trading was moderately active.

The list was reacting from recent gains, brokers said.

Selected issues gave the list what spark there was.

Volume for the first four hours was 8.29 million shares compared with 10.32 million yesterday.

Gains outnumbered losers by more than 100 issues but softness in blue chips lowered the average.

International Paper paced the list on turnover but lost a small early gain and traded unchanged.

Among active gainers, Chrysler, Sperry Rand and Occidental Petroleum rose about 2 each while gains of a point or more were made by General Time, Riegel Paper, Bristol-Myers, Montgomery Ward and Gulton Industries.

Control Data gained 3 while Caterpillar, American Smelting, Beneficial Finance, IBM, U.S. Smelting and Southern Railway rose about a point each.

Losses of a point or more were shown by Procter & Gamble, Texaco, Polaroid, Xerox, International Nickel and United Aircraft.

Johns-Manville lost 2.

Prices were generally higher on the American Stock Exchange.

Labor Force

COLUMBUS, Ohio (UPI)—Ohio State University Extension economists report that wives 35 to 44 years and 45 to 54 years make the largest contribution to the U.S. labor force.

INCOME TAX FACTS

By PETER JAMES WIKEL, CPA

California Requires Income Tax Filing On $6,000 Gross

Wikel

If your gross income was in excess of $6,000 you must file a California income tax return regardless of the amount of your adjusted gross income and regardless of whether you owe any tax or not.

If you are married and your adjusted gross income exceeds $5,500, or if you are single and your adjusted gross income exceeds $2,750, you must file a California income tax return regardless of whether you owe tax or not.

The new tax rates are considerably higher. For individuals filing separate returns the rates are:

Total Taxable Income	Tax on Column 1	% on Excess
$	$	1
2,000	20	2
3,500	50	3
5,000	95	4
6,500	155	5
8,000	230	6
9,500	320	7
11,000	425	8
12,500	545	9
14,000	680	10

However, you deduct from this tax your tax credit.

The tax credits are: $50 for a married couple filing a joint return or for head of household; $25 for a single person; $8 for each dependent; $8 if you are blind.

From this net tax you also deduct any estimated tax you paid last October.

If your 1967 California income tax is more than $400 ($200 if you are a married person filing separately) you will have to file a California Declaration of Estimated tax by October 31, 1968, and pay one-half of your estimated 1968 California income tax.

Plans For Hilarita Leave Need Unfilled

Should the government underwrite housing that will be in competition with privately financed apartments? Is federal housing to give the underprivileged decent homes, or merely to spread the virus of government control?

These questions arise from plans for redevelopment of Hilarita Housing which were unveiled last week by the Marin County Housing Authority.

THE AUTHORITY PROPOSES to replace the Hilarita project — which must be replaced or abandoned by 1972 under current law — largely with apartments renting at $100 to $145 per month. These would be built, not by the authority itself, but by a "non-profit" foundation. But the authority would continue to control, as it does in Marin City.

The apartments would have from one to three bedrooms. There would be 55 of them. In addition, lots would be sold for a dozen single-family residences — again following the pattern of Marin City.

Hilarita Housing now has 120 apartments. Of these, 38 are two-bedroom apartments, three are three-bedroom, and the rest are "efficiency" apartments in which the front room doubles as bedroom.

Rents range from $54 to $80 per month.

DONALD R. STUTSMAN, executive director of the housing authority, says 24 of the 115 families now housed in Hilarita could pay the rents in the proposed new apartments. Six more would be eligible, he says, with federal subsidies which the authority's complicated formula would permit.

Twenty-four others would be eligible for "senior housing" projects of the authority. Two such projects are now under construction, one of 26 units in Santa Venetia and one of 28 units in Mill Valley. Hilarita oldsters (Stutsman referred to them as "displaced persons") would have priority for these.

WHAT WOULD HAPPEN to the remaining 61 families now in Hilarita?

Some of them, suggested Stutsman, will go elsewhere in the normal course of things. He hopes the rest might be relocated in federally subsidized leased housing in the county.

The lease program calls for the federal government to underwrite part of the rent of apartments or houses to provide homes for low-income families. Although these homes are privately owned, the housing authority would be in charge of them under the leases.

There are no such leased homes in the county now. The authority hopes to get 300 units under the lease program. Whether it can get 300 — or any — is yet unknown.

It appears, therefore, that the plans for Hilarita would indeed make "displaced persons" out of a majority of those now there.

GOVERNMENT HOUSING is intended to fill the void left by private housing for those who cannot pay rents that will provide a profitable return on investment. At least, that was the claim when the government got into the business.

The plans for Hilarita don't seem to do that.

We wonder whether, if it is not to provide low-rent housing, Hilarita should not be sold, to be developed privately. The resulting development might better please the people of Tiburon. And it would not further the competition of apartments subsidized from taxes with those built with private funds.

No Shy Animals

We were reading an article in a science magazine the other day. It was about mountain lions, and among other things, it called them "shy." After writing nature editorials for more than a decade, we have learned ther are no shy animals — at least in the eyes of some readers.

We wrote that mountain lions were shy. A lady from Northwest Marin sent the I-J an indignant letter, telling how many of her husband's sheep these shy creatures had slaughtered.

Then we wrote about that shy woodland animal, the deer. This provoked some mild abuse from gardeners, who conjured up visions of deer doing pitched battle with Marin green-thumbers over the summer rose buds.

We were growing wary of the word "shy" by this time. But we succumbed to temptation again. We wrote about the shy, little golden crown sparrow, which we hear, but seldom see in our neighborhood. It turns out that the golden crown is the bane of Marin's winter gardens. One more letter and, in addition, some sarcastic teasing from friends with winter gardens.

Are there any shy creatures in Marin's woods?

AFFAIRS OF STATE

Democrats Leave No Doubt Of Their Control Of Legislature

By HENRY C. MacARTHUR

SACRAMENTO, (CNS) — The Democratic party continues to ride high in the legislative halls of California, having scored a total victory on the opening day of the 1968 session through re-election of both Sen. Hugh M. Burns, D-Fresno, as president pro tempore of the upper house, and Assemblyman Jesse M. Unruh, D-Los Angeles, as speaker of the assembly.

The results of the organization procedures of the two houses were not unexpected.

WHAT WAS SOMEWHAT unexpected was the fact that the Republicans at the last moment decided to put up a battle at all — a battle which was termed by experienced legislative observers as an "excercise in futility."

However, pressures from the Republican State Central Committee, various GOP committees through the state, and at the last moment from the governor's office itself, caused the Republicans to put up Assemblyman Robert Monagan, R-Tracy, to challenge Unruh's long-time seat at the helm of the house.

There never was any question that Unruh had the necessary 41 votes, and as it turned out, with one to spare.

In the senate, the vote was not so sharply defined. The Republicans nominated Sen. Donald Grunsky, R-Santa Cruz, an able, veteran legislator to challenge Senator Burns. Senators, however, are not so likely to follow party lines as are assemblymen, and the vote wound up 27-12 in favor of Burns, who himself cast no vote.

It was not anticipated the Fresno Democrat would have that much of a majority prior to the election, what with an even 20-20 split, and the perogative of the lieutenant-governor to cast a deciding vote in case of a 20-20 tie. But from the looks of the vote for Burns, Lt. Gov. Robert Finch won't have much opportunity this session to break any ties — except, perhaps, in minor party matters.

WHAT OUR READERS SAY

EOC Foot-In-Door Causes Concern

Editor, Independent-Journal:

We are very concerned about a group who call themselves the San Anselmo-Fairfax Area Board Roster Marin County Economic Opportunity Council, Inc. We have attended two of their rather secret meetings. We say secret because it appears to us they have been violating portions of the Brown Act which requires bodies handling public funds publicize their meetings. The excuse their chairman gave at one meeting was that they were without a typewriter yet they have their by-laws typed, agendas typed, etc. Several people brought up the fact that they were violating the Brown Act; one person even read the violation to them and the chairman's response was that they did not have to follow all phases of the Brown Act.

This board as they call themselves was not elected but merely self appointed. They say they are representing the people of the community yet everyone who attends these meetings — with the exception of board — is against the EOC coming into Marin, one of the richest counties in this country.

This group of people are apparently planning some pretty big business considering their plans include such things as Big Brothers, a child care center, inter-city transportation, youth club, animal control, kiddy matinees; and at last meeting briefly mentioned Little Sisters. None of these programs will cost the taxpayers anything, they claim.

We object to the way these people mislead the public by saying that none of our taxes will be increased. They don't mention the fact that the first year the federal government pays 90 per cent and we pay 10 per cent; the second year its 80 per cent federal and 20 per cent local, then 50 per cent — 50 per cent, and the years thereafter we foot the entire bill.

How About Pensions Of Public Officials?

Editor, Independent-Journal:

We know that there are many abuses in the field of welfare among the crippled children, mental patients, retarded, aged, and indigent ill. Has a study been made of the total sum of money paid in "retirement" to judges, legislators, governors, and other non-civil service ex-government employees, in or out of jail? Does this money come from the general fund? What is the total annually? Do the retirees contribute while they are employed, as do the civil service state employees? Has any legislative action ever been taken to end the pensions of convicted criminals (Wolden, Bonelli et al)?

Unto how many generations does this pension extend — Widows, children, grandchildren, etc.? Why?

The cost-of-living increase in one individual's pension is often greater than the total ANC payment to an entire family. In welfare, does one wrong justify another?

Since the rationale for the "retirement" payments is to compensate our public servants for their "sacrifices" and contributions to the public good, is there some way we could reduce these payments to more nearly match these sacrifices and often miniscule contributions, and, perhaps, discontinue these fraudulent cost-of-living increases? Where is the information on the manner of funding these payments available? Is the task force studying this problem? There may be some budget-cutting ideas in this area.

In this same area, I wish to thank the Independent-Journal for your practice of occasionally printing the entire list of salaries of employees of public bodies.

Maybe Those Drunks Live In Marin

Editor, Independent-Journal:

If one happens to be the editor of a newspaper an editorial written by him naturally will be published by his paper, regardless of the poor taste and bigoted thoughts expressed.

I refer to your editorial "While Frisco Sneers, Oakland Goes Big League."

It is the writer's opinion that the citizens of San Francisco attending '49er games are not out of order or have suffered too much to drink, than any other sports group in the Bay Area. As a matter of fact it could be that many of the drinkers attending '49er games are from Marin County. Could well be.

If the banner bearing editor really desires to be of service to his county I suggest he make a complete investigation of the goings on of the Golden Gate Bridge directors and how they disperse bridge funds, then publish his findings.

After all Mr. Editor if there were no San Francisco the Independent-Journal would be a small weekly country newspaper.

Bagley Activity Called Dictatorial

Editor, Independent-Journal:

Refer to Mr. E. L. Hallett's letter to editor which you titled "Bagley Convincing to Most Conservatives."

To set the record straight, on one item only, let's not forget Mr. Bagley's dictatorial attempt to control the Marin County Young Republicans a few years ago.

This deliberate attempt to control a volunteer organization through the powers of his position is in direct conflict to the principles of which I believed the Republican party stood for, i.e., that individual organizations should be free from outside control to make the necessary decisions of its political policy of their choice.

True, politics is a game of political power, but let us use normal channels of persuasion and influence. How a conservative of any political party could stand the hypocrisy of Mr. Bagley is beyond me!

TRY AND STOP ME

By BENNETT CERF

AT THE UNIVERSITY of West Virginia they tell of a penniless old mountaineer whose crude, one-room cabin burned to the ground one winter night. Folks felt so sorry for him that they began bringing him gifts to get him back on his feet. Soon the old boy was sitting relatively pretty — better off than he ever had been.

One morning he was seated in a rocker outside his brand new cabin when a friend appeared bringing him a whole bag of oats. "Take them oats away," ordered the old man. "From now on I ain't taking nothing but money!"

ONE-UP SMANSHIP in Hollywood — Producer: "I hope you won't have any trouble reaching me by phone. I've had the second phone removed from the car I drive to the studio, so you may get a busy signal. And, of course, my house number isn't listed. So maybe I'll have to call you."

Hotsy-totsy writer imported from Broadway: "That may not work either. I've got an answering service but it's so exclusive they have an unlisted number, too."

Garrison's Probe Getting Attention

By ROBERT S. ALLEN

WASHINGTON — Dist. Atty. Jim Garrison's controversial New Orleans investigation of the Kennedy assassination is beginning to attract some belated congressional attention.

Staffs of the House Committee on Un-American Activities and the Senate Internal Security Subcommittee are quietly checking into Garrison's wide-ranging inquiry to determine exactly what he is now up to.

Attention of these congressional probers centers around Garrison's interest in and handling of (1) an official of the Ku Klux Klan and (2) a former congressional committee employee, who has given secret testimony before the New Orleans grand jury.

Significantly, both of these persons were reluctant witnesses in past congressional investigations not related to the Kennedy assassination.

THE KKK OFFICIAL involved in Garrison's investigation is Jack M. Helm, the former exalted cyclops of the New Orleans, La., unit of the United Klans of America. He is now head of an independent KKK group which he organized.

Summoned before the House Un-American Activities Committee in January, 1966, during the committee's probe of the KKK, he was an uncooperative witness.

Helm, an operations manager of a New Orleans construction company, invoked the Fifth, First, Fourth, and 14th Amendments of the Constitution in refusing to answer any of the questions put to him by committee members.

The transcript of the committee hearings shows that one of the questions Helm refused to answer concerned his appearance on a speakers' platform with three persons who were arrested in connection with the slaying in Philadelphia, Miss., of three civil rights workers.

During the hearing a committee investigator testified: "At the rally Helm stated, 'No congressional investigation will ever deteriorate this (KKK) organization. We'll still be here when they are dead and buried — and I hope it will be soon.'"

GARRISON began his probe of Helm on a tip from Jules Rocco Kimble, a self-avowed member of the KKK who also claimed he once worked special assignments for the CIA. This the CIA denies and Garrison claims he will prove.

According to Garrison, Kimble reported that on the day after the death of David Ferrie, one of Garrison's suspects in the alleged Kennedy assassination plot, he drove Helm to Ferrie's apartment. Helm then came out with a satchel full of papers which, Kimble says, the KKK official then placed in a bank safe deposit box.

At this stage of his investigation Garrison refuses to say whether he has located the safe deposit box or recovered its contents. However, aides of the district attorney are hinting that he has the key and that the box's contents will be revealed during next month's trial of Clay Shaw, the New Orleans businessman charged with being involved in the Kennedy assassination conspiracy.

Garrison is also probing an allegation of Kimble that Walter Sheridan, the former Justice Department troubleshooter for then-Atty. Gen. Robert Kennedy, once counseled him not to talk to anyone and to go to Canada.

THE FORMER congressional employee whose furnishing of information to Garrison has interested congressional probers is Harold Weisberg, author of books on the Kennedy assassination attacking the Warren Commission, the FBI and CIA.

According to records of the Senate Internal Security Subcommittee and the House Un-American Activities Committee, Weisberg testified in 1940 before a House committee that he bought forged documents in an attempt to link the Dies committee to the Silver Shirts, a militant right-wing organization then on the attorney general's subversive list.

Weisberg was dropped from the staff of the late Senator LaFollette's special investigating subcommittee for allegedly leaking confidential information.

In his publications Weisberg contends that Lee Harvey Oswald, accused Kennedy assassin, was framed by an impersonator.

Congressional probers are now checking Weisberg's long-time contacts in the Central Intelligence Agency and State Department, including several persons who transferred to those agencies from the Office of Strategic Services after World War II.

Hanoi Peace Talk Feelers May Be Genuine This Time

WASHINGTON — There is evident movement toward peace talks on the part of Hanoi.

The United States will use every means to determine whether the "change of words" by Hanoi is meaningful or whether it is new psychological warfare.

If the North Vietnamese are serious about wanting peace talks, the U. S. will respond.

HANOI'S POSITION has changed at two points:

It now says that if the U. S. unconditionally stops the bombing of the north it "will" hold peace talks.

It no longer says that the bombing must be stopped "permanently."

This is a welcome start and our response must be to treat it in good faith and to assume that it represents a serious and constructive initiative unless further facts prove otherwise.

If Hanoi is serious, it alone can't lay down the conditions on which such talks can take place. If Hanoi is serious, it can't choose just the conditions which it wants and ignore the conditions we want.

HANOI HAS NAMED its conditions. What about ours? They are these:

1 — If we are to stop bombing North Vietnam, then, in President Johnson's words of Sept. 29 in San Antonio, it must be assumed that North Vietnam "would not take advantage of the bombing cessation." That is, de-escalation must to some degree be reciprocal.

2 — There must be no delay in beginning the talks; they should be "prompt and productive." Obviously we are not going to repeat in Vietnam the tragedy of Panmunjom at which the Korean truce talks were dragged out by the Communists month after month after month while some of the bloodiest fighting of the war continued.

The purpose of these two conditions is simply to make certain that the talks can be undertaken with conditions equally fair to both sides — a two-sided truce in the north and a mutual intention to reach a settlement promptly and not to use the talks as a shield behind which to wage the war.

HANOI MIGHT as well realize that these two conditions are as essential to the United States as its condition — that the bombing must cease — is essential to North Vietnam.

Secretary Rusk has repeatedly warned against "stopping our half of the war while the North Vietnamese continue their half unabated."

BUT IT COULD be the real thing. Apparently Prince Sihanouk of Cambodia has decided that the Communists are not going to win and it can't be ruled out that Ho Chi Minh has made the same decision.

Herring Enter Bay Unannounced By Usual Chorus Of Gull Cries

A few silver herring slipped into Tiburon last week without the usual hullabaloo of thousands of squawking seagulls and dozens of barking sea-lions which make the January event so tumultuous.

At the Tiburon Marine Laboratory, bureau of sport fisheries and wildlife, director Gerald B. Talbot said the run was a little early, and possibly another run is forthcoming.

The laboratory had few complaints from residents concerned over a number of commercial fishermen stripping large amounts of kelp and herring eggs near the shore. There is no law protecting the herring spawn, according to Talbot.

WHEN ASKED how the tree burning went last Saturday, Tiburon Fire Chief Franklin J. Buscher gave a one-word description — "Fast!"

He and asst. city mgr. Russell L. Melquist agreed there were more trees piled on the lot and a turnout of between 200 and 300 person, including many younger citizens, gathered around the blazing trees.

It was too cold for singing, as had been planned, Melquist said, and when the fired died, people went on home to their own firesides.

NOTHING DEFINITE to report has occurred, but Tiburon councilman Thomas E. Drohan and Michele Demaurex of the Tiburon Peninsula Co. seem to feel that some progress is being made on getting the company, the city and the Northwestern Pacific Railroad together on an agreement to design the central waterfront property as one big parcel.

What's in a word? California Highway Patrolmen put great stress on a switch of words in a story Saturday about incoming Lt. Louis Gottschalk and Sgt. Ralph P. Anderson.

The story said that Anderson replaced Sgt. James J. Shanahan who resigned. It should have said "who retired."

Sergeant Shanahan was an unforgettable, good-natured Irishman with a ready smile.

Lieutenant Gottschalk is no stranger to the Bay Area, as he served once before on the Marin CHP unit, as well as in San Francisco and San Leandro. He is a native of Oakland.

A few years ago, he worked on a study the CHP made on decreasing accidents by increasing the patrol's manpower.

The study in final form is yet to be presented to the state legislature. Gottschalk feels the increase in men has helped, although in Marin the recruiting is still going forward to complete doubling of the unit.

What else will help traffic problems on freeways? Highways need constant expanding, as traffic increases, Gottschalk says.

ART BUCHWALD

It's Simple: Keep Dollars Here So U.S. Can Spend Them Abroad

WASHINGTON—In order to solve the U.S. balance-of-payments problem, the president has asked Americans to refrain from leaving the Western Hemisphere for the next two years. He indicated he would back his request with legislation making it difficult for Americans to travel abroad.

This is said to have been one of the toughest proposals any U.S. president has had to make, and the controversy over it is already raging in full force.

A manager for one of the Republican presidential candidates told me his nominee's slogan to the voters in 1968 would be: "If I am elected, I will let you go to Europe."

WHEN PRESIDENT JOHNSON gets his legislation passed, the whole picture of travel could change.

Let us go to a Holiday Inn in Ohio. Two American tourists start a conversation.

"What brought you here?" the first tourist asks.

"We were scheduled to go to Toledo, Spain, but when the tourist edict went through we decided to come to Toledo, Ohio, instead. We figure one Toledo's just like another."

"Ole!" the other tourist said.

"I don't understand why we can't go to Europe," the first tourist's wife said.

"It's very simple," the second tourist replied. "The United States has made so many commitments abroad that Americans can't go over there any more."

"BUT WHAT'S THE SENSE of having commitments if we can't see them?" the wife asked.

"Because if we went over there we would be spending American dollars, and if we keep spending American dollars we won't be able to fulfill our commitments."

"I know that. But why can the people we're committed to travel, while we can't?"

"Because they don't have any foreign commitments. You can't expect the richest country in the world to allow its citizens to travel willy-nilly all over the globe."

"Why not?"

"Because we can't afford it."

"BUT IF WE CAN'T travel abroad, won't people lose confidence in the American dollar?"

"Probably."

The husband said, "What I don't understand is why the United States is spending $2 billion to build a supersonic airplane that will carry 450 people to London in two and a half hours if they're not going to let anybody get on the plane."

The first tourist was exasperated. "The plane is not being built for Americans. It's being built for Europeans to fly in who are not encumbered by travel restrictions."

"Well, that makes sense," the wife said.

"You see, if enough Europeans visit America, then our dollar deficit will be balanced and then we'll be allowed to visit them."

"But why would European tourists want to visit America?"

"Because, since American tourists haven't been permitted to visit Europe, all the anti-American feeling there has disappeared and they really have a warm spot in their heart for us again."

"WELL, I THINK we better start sight-seeing," one of the wives said. "What's there to do in Toledo, Ohio?"

"We're going down to the J. C. Penney store. They say it's the best place in town for souvenirs."

"We were told by friends who visited Toledo last year that the best buys for souvenirs are at Woolworth's, providing you haggle with the clerks."

Novato Bond Try Fate Uncertain, Poll Reveals

Fate of the $8 million dollar bond issues for streets and parks up to the voters of Novato in a special election on Jan. 23 are in the hands of undecided voters, according to a survey made last Saturday and announced yesterday by Paul D. Fry, co-chairman of Novatans for Better Streets and Parks.

Of some 1,100 surveyed Saturday, said Fry:

On Measure A, the $5,750,000 bond issue for street improvements, 57 per cent said they would vote yes; 16 per cent said no; and 27 per cent were undecided.

On Measure B, the $2,250,000 bond issue for parks, 50 per cent favored; 21 per cent were against, and 29 per cent were undecided.

Two-thirds approval is required for bond passage.

Thirty-nine students from Novato High School and Sonoma State College conducted the survey. More residents will be polled Saturday.

Father, 52, Surrenders In Four Morals Charges

A 52-year-old Marinwood father surrendered today to face charges of performing homosexual acts with four Marin County boys in Colusa County during the last five years.

Arthur Monroe Clay of 315 Ironstone Court, Marinwood, was booked on four charges of felony sex perversion.

Insp. Harvey Teague of the Marin County sheriff's juvenile division said he heard, during the month-and-a-half investigation of the case, that more youths were involved in the activities.

Teague said the alleged homosexual acts occurred in Colusa County, where Clay took the boys on several hunting trips.

The youths attend Redwood, Tamalpais and Terra Linda high schools, he said.

Clay, a salesman for a San Francisco paint company, allegedly started with the sons of some friends and became acquainted with the other boys through them.

The four boys on whom the Colusa County complaints are based are aged 16 and 17 and have been involved with Clay since they were 11 and 12 years old, Teague said.

Clay, who surrendered at Marin County Jail today, is married and has an adult daughter.

He was held in jail for Colusa authorities, with bail set at $2,500.

Adults Flock To Colleges, Survey Shows

More adults attended special classes at junior colleges in California last spring than there were students attending regular junior college classes, according to a report prepared by the California Taxpayers Association.

In Marin, the report noted there were 3,001 junior college students — 2,156 fulltime and 845 part-time — as compared with 3,521 adults enrolled in special junior college classes.

(The College of Marin reported that there now are 3,178 fulltime students and 1,696 part-time credit students with an estimated 2,000 to 2,500 noncredit students in special classes. Figures cited by the taxpayers association are from March, 1967.)

Marin's adult enrollment in junior college classes also was higher than adult enrollment in special classes at high schools, which totaled 2,715 as of March last year.

The report, published by the California Schools Boards Association, listed Marin enrollment at 53,724, including adult classes, six per cent higher than the spring of 1966.

The breakdown was kindergarten through 12th grade, 43,252; junior college, 2,156 fulltime and 845 part-time; special classes such as those for retarded physically handicapped and educationally handicapped, 1,235; adults in special classes in high school, 2,715, and adults in junior college classes, 3,521.

Bolinas Trustees Set Bond Vote

A $325,000 building bond election was set for April 2 by the Bolinas-Stinson School District board last night.

The bonds would finance construction of six classrooms, a library and administrative office in Bolinas, replacing the school building condemned because it does not meet earthquake protection standards.

The board acted after receiving a report from the citizens building committee endorsing architect William Gillis building concepts, and recommending the $325,000 bond issue.

Two bond elections last year for $275,000 failed to gain the needed two-thirds majority.

The board also approved hiring a reading specialist Feb. 1.

Charges Against Youth Dismissed

David Forbes Allen, 19, of 9 Elda Court, Terra Linda, arrested on his mother's request Sunday night after he allegedly hit his father, has been freed in Marin Municipal Court when the district attorney reported no complaint will be filed against him.

Allen allegedly hit his father, Bertran, 52, during an argument over the length of the youth's hair. He was booked for suspicion of assault and battery and being under the influence of narcotics.

26 Prisoners Still Spurn Food

Twenty-six of the 63 San Quentin Prison inmates on Death Row went into the sixth day of a food protest today by refusing breakfast.

The men refused a meal of stewed prunes, cracked wheat, fried eggs, a small steak, roll, fried rice, toast, bread, margarine, coffee and milk.

Prison officials said that any food the men had saved from the beginning of the strike probably had been eaten by now. The men are protesting prison food and the way it is cooked. Men on strike have been confined to their cells and cut off from their daily three and one-half hour recreation period.
